Ivory Throne Chronicles House Travancore:

The Ivory Throne Manu S. Pillai, 2016-01-22 In 1498 when Vasco da Gama set foot in Kerala looking for Christians and spices he unleashed a wave of political fury that would topple local powers like a house of cards The cosmopolitan fabric of a vibrant trading society with its Jewish and Arab merchants Chinese pirate heroes and masterful Hindu Zamorins was ripped apart heralding an age of violence and bloodshed One prince however emerged triumphant from this descent into chaos Shrewdly marrying Western arms to Eastern strategy Martanda Varma consecrated the dominion of Travancore destined to become one of the most dutiful pillars of the British Raj What followed was two centuries of internecine conflict in one of India's premier princely states culminating in a dynastic feud between two sisters battling to steer the fortunes of their house on the eve of Independence Manu S Pillai's retelling of this sprawling saga focuses on the remarkable life and work of Sethu Lakshmi Bayi the last and forgotten queen of the House of Travancore The supporting cast includes the flamboyant painter Raja Ravi Varma and his wrathful wife scheming matriarchs of violent profligate and sordid character wife swapping court favourites vigilant English agents quarrelling consorts and lustful kings Extensively researched and vividly rendered The Ivory Throne conjures up a dramatic world of political intrigues and factions black magic and conspiracies crafty ceremonies and splendid temple treasures all harnessed in a tragic contest for power and authority in the age of empire **The**

Forgotten Indians Harshit Kumar, 2024-03-15 This captivating book sheds light on the remarkable contributions made by Indians in various fields highlighting their groundbreaking discoveries and extraordinary achievements that preceded those of individuals from any other part of the world Astonishingly these individuals have been largely forgotten overshadowed by the widely celebrated accomplishments of Greek figures Within its pages readers will discover a wealth of knowledge about the pioneering endeavors of Indian visionaries who were ahead of their time While the names of Alexander Pythagoras Ptolemy Copernicus Galileo and Newton are frequently discussed and praised it is a curious phenomenon that the equally deserving figures such as Ashoka Aryabhata and Brahmacharya remain in the shadows of historical discourse The book compellingly explores this disparity offering insights and answers to the questions that naturally arise Moreover this book is merely the first installment in a captivating series that promises to delve deeper into the subject matter With subsequent parts already in the works readers can anticipate a multitude of future volumes that will further unveil the rich tapestry of Indian contributions throughout history The Progressive Maharaja Rahul Sagar, 2022-05-25 Hints on the Art and Science of Government was the first treatise on statecraft produced in modern India It consists of lectures that Raja Sir T Madhava Rao delivered in 1881 to Sayaji Rao Gaekwad III the young Maharaja of Baroda Universally considered the foremost Indian statesman of the nineteenth century Madhava Rao had served as dewan or prime minister in the native states of Travancore Indore and Baroda Under his command Travancore and Baroda came to be seen as model states whose progress demonstrated that Indians were capable of governing well Rao's lectures summarise the fundamental principles underlying

his unprecedented success He explains how and why a Maharaja ought to marry the classical Indian ideal of raj dharma which enjoins rulers to govern dutifully with the modern English ideal of limited sovereignty This makes Hints an exceptionally important text it shows how outside the confines of British India Indians consciously and creatively sought to revise and adapt ideals in the interests of progress This landmark edition contains both the newly rediscovered original lecture manuscripts and an authoritative introduction outlining Rao s remarkable career his complicated relationship with Sayaji Rao III and the reasons why his lectures have been neglected until now Leadership Shastras Pradeep Chakravathy,2022-10-24 History is the past Surely it s irrelevant today Is it though What if history could be made to work for us in very real ways In Leadership Shastra Pradeep Chakravathy does just that He studies the lives of well known historical figures like Shivaji Babur Ahilyabai Holkar Sankaradeva and many others with a view to understand their motivations actions and legacies The book examines how developing a comprehension of our past could be the key to understanding our own selves our actions motivations and of those around us This view of history as both useful and inspirational is unconventional it is revealed here as a discipline that can be used for self assessment and self motivation Engaging and enthralling this is a book that will leave history buffs with much to think about as much as it will serve as an introduction to the newbie

The Women Who Ruled India Archana Garodia Gupta,2019-04-20 People say that I am a quarrelsome woman TARABAI MARATHA QUEEN 1675 1761 The history of India more often than not is a history of the men who were in charge Largely forgotten are the women who even centuries earlier shaped the fates of entire kingdoms In The Women Who Ruled India writer and researcher Archana Garodia Gupta revives 20 such powerful figures from the archives offering us a glimpse of their fascinating lives Among them are Begum Samru a courtesan who went on to become the head of a mercenary army and the ruler of Sardhana Didda of Kashmir known for her keen political instinct and a ruthlessness that spared no one Rani Abbakka of Ullal the fearless queen who took on Portuguese colonizers in their heyday and Rani Mangammal of Madurai the famed administrator who built alliances at a time when going to war was the order of the day These women and others like them built roads instituted laws and were generous patrons of the arts and sciences Their stories of valour and diplomacy leadership and wit continue to inspire today Peppered with anecdotes that showcase little known facets of their personalities the accounts in this book celebrate heroic rulers who quarrelsome though they might have been were iconoclasts unafraid to forge new paths

The Routledge Encyclopedia of Indian Writing in English Manju Jaidka,Tej N. Dhar,2023-09-29 Today Indian writing in English is a field of study that cannot be overlooked Whereas at the turn of the 20th century writers from India who chose to write in English were either unheeded or underrated with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English Showcasing the burgeoning field of Indian English writing this encyclopedia documents the poets novelists essayists and dramatists of Indian origin since the pre independence era and their dedicated works Written by internationally recognized

scholars this comprehensive reference book explores the history and development of Indian writers their major contributions and the critical reception accorded to them The Routledge Encyclopedia of Indian Writing in English will be a valuable resource to students teachers and academics navigating the vast area of contemporary world literature Ranis And The Raj Queeny Pradhan,2022-10-28 Traditionally history has been telling us the stories of kings In the long tradition of history writing his story has always dominated over her story Though queens evoke a sense of romance and their stories are told like fairy tales it is common enough to find that these stories end in tragedy In India s history not all queens are remembered today Some are celebrated while others have been almost ignored by historians In Ranis and the Raj Queeny Pradhan has selected six queens All the six queens are from the nineteenth century and have faced the British Raj the East India Company and the Crown From the Rani of Sirmur who was the earliest to deal with the British authorities to Rani Chennamma Rani Jindan Begum Zeenat Mahal Rani Lakshmi Bai to the Sikkim Queen from the 1860s to 1890s Pradhan has attempted to carve an engrossing historical narrative for each of these important figures in Indian history Unlike the biographical convention in traditional history writing the research in this book can be placed in the realm of microhistory The life stories of these queens are fragmented due to the silences and invisibilization in political history of the time and this book aims to fill these gaps

The Patriarchs Angela Saini,2023-02-28 For fans of *Sapiens* and *The Dawn of Everything* a groundbreaking exploration of gendered oppression its origins its histories our attempts to understand it and our efforts to combat it For centuries societies have treated male domination as natural to the human species But how would our understanding of gender inequality our imagined past and contested present look if we didn't assume that men have always ruled over women If we saw inequality as something more fragile that has had to be constantly remade and reasserted In this bold and radical book award winning science journalist Angela Saini explores the roots of what we call patriarchy uncovering a complex history of how it first became embedded in societies and spread across the globe from prehistory into the present She travels to the world's earliest known human settlements analyzes the latest research findings in science and archaeology and traces cultural and political histories from the Americas to Asia finding that From around 7 000 years ago there are signs that a small number of powerful men were having more children than other men From 5 000 years ago as the earliest states began to expand gendered codes appeared in parts of Europe Asia and the Middle East to serve the interests of powerful elites but in slow piecemeal ways and always resisted In societies where women left their own families to live with their husbands marriage customs came to be informed by the widespread practice of captive taking and slavery eventually shaping laws that alienated women from systems of support and denied them equal rights There was enormous variation in gender and power in many societies for thousands of years but colonialism and empire dramatically changed ways of life across Asia Africa and the Americas spreading rigidly patriarchal customs and undermining how people organized their families and work In the 19th century and 20th centuries philosophers historians anthropologists and feminists began to actively question what patriarchy

meant as part of the attempt to understand the origins of inequality In our own time despite the pushback against sexism abuse and discrimination even revolutionary efforts to bring about equality have often ended in failure and backlash But *The Patriarchs* is a profoundly hopeful book one that reveals a multiplicity to human arrangements that undercuts the old grand narratives and exposes male supremacy as no more and no less than an ever shifting element in systems of control Deep Cosmopolitanism Leah Lowthorp,2025-09-02 *Deep Cosmopolitanism* explores the extraordinary past and present of Kutiyattam Sanskrit theater the world s oldest continuously performed theater Recognized as India s first UNESCO intangible cultural heritage of humanity the matrilineal temple art of Kutiyattam has been performed by men and women in Kerala India since the tenth century C E *Deep Cosmopolitanism* illustrates how Kutiyattam Sanskrit theater has encountered multiple forms of cosmopolitanism over the course of its thousand year history Exploring how Kutiyattam artists create meaning out of their deep past through everyday narratives and reflections author Leah Lowthorp traces the art s cosmopolitan encounters over time from the premodern Sanskrit cosmopolis to Muslim sultans British colonialists Communist politics and UNESCO intangible cultural heritage In so doing Lowthorp fundamentally rethinks the notion of cosmopolitanism from a non Western perspective with premodern roots and offers a critique of the colonialist undertones of how international heritage organizations like UNESCO conceptualize peoples and traditions around the world Diving into an ethnographic exploration that considers Kutiyattam s multiple cosmopolitanisms over a period of one thousand years *Deep Cosmopolitanism* offers a model for decolonizing modernity and challenges us to rethink what it means to be cosmopolitan traditional and modern in the world today *Echoes of History* Sunitha Srinivasan, *Echoes of History* is a historical narrative that brings to life the former princely states of Travancore and Cochin The author has revealed the history of the region through word pictures based on the accounts of people who were directly a part of the events she writes about Beautiful old pictures support the narration The book is both interesting and educative History and fascinating facts are intertwined with anecdotes and legends The book captures an era that the world will never see again An age when graciousness and courtesy reigned supreme This makes it a stimulating read for all age groups and people from every walk of life The chapters of the book feature lesser known facets of Kerala s history for instance how one man made Kerala a global tourist destination or the humble beginnings of India s space research programme The story of how the Jains came to Kerala and contributed to its high literacy rate makes for fascinating reading as do the legends surrounding the famous boat races The book covers diverse topics ranging from banking to a wonderful football academy and even a delightful sailing club that is now housed on what is possibly India s most expensive piece of real estate The book s objective is to chronicle events and achievements that have largely been forgotten which in a sense is both an injustice to the people concerned as well as a gap in our recorded history It is written with gentle humour from a perspective of deep affection and delight in the land and its people It also serves as a well researched historical narrative *Nasrani Messiah* Santimon Jacob,2025-03-08 *Nasrani*

Messiah The Untold Story of an Ancient Jewish Christian Legacy For centuries a unique Jewish Christian community thrived around the ancient city of Nineveh preserving Israeli customs traditions language and worship Known as Nasranis followers of Jesus the Nazarene their identity became etched in history through the Arabic letter Noon a symbol of resilience in a turbulent world Nineveh once the grand capital of the Assyrian and Babylonian empires was where the Ten Lost Tribes of Israel were exiled Centuries later many of these exiled Israelites embraced the radical teachings of Jesus of Nazareth forming a distinct community that upheld its Judaic heritage while adopting the Christian faith Across the ocean along the lush Malabar Coast of southwestern India another group the Nasranis of Malabar emerged mirroring the same customs religious traditions and language of devotion Based on 12 years of extensive research Nasrani Messiah draws from hundreds of historical sources including ancient manuscripts in English Aramaic Arabic and Portuguese The author combines meticulous fact checking immersive fieldwork and first hand experiences living among Nasrani communities to present an unparalleled ethnogenetic study This book explores how the Nasranis preserved their Jewish Christian identity maintaining traditions such as Pesaha Jewish Passover endogamous practices and liturgical rites in Syriac and Aramaic all despite Portuguese suppression at the Synod of Diamper where they were labelled Sabbath keeping Judaizers Blending history genetics culture and theology Nasrani Messiah challenges conventional Christian narratives and examines the Nasranis connections to the Lost Tribes of Israel With groundbreaking genetic research the book reveals how modern DNA evidence links Nasrani ancestry to these ancient Israelite exiles The author an experienced journalist presents these findings in an engaging and accessible narrative Enhanced with maps and visuals this book is more than a historical analysis it is a gripping journey through the forgotten heritage of one of the world s most intriguing religious communities Gods, Guns and Missionaries Manu S Pillai, 2024-11-21 When European missionaries first arrived in India in the sixteenth century they entered a world both fascinating and bewildering Hinduism as they saw it was a pagan mess the worship of devils and monsters by a people who burned women alive performed outlandish rites and fed children to crocodiles But soon it became clear that Hindu idolatry was far more complex than white men s stereotypes allowed and Hindus had little desire to convert But then European power began to grow in India and under colonial rule missionaries assumed a forbidding appearance During the British Raj Western frames of thinking gained ascendancy and Hindus felt pressed to reimagine their religion This was both to fortify it against Christian attacks and to resist foreign rule It is this encounter which has in good measure inspired modern Hinduism s present shape Indeed Hindus subverted some of the missionaries own tools and strategies in the process triggering the birth of Hindu nationalism now so dominant in the country In Gods Guns and Missionaries Manu S Pillai takes us through these remarkable dynamics With an arresting cast of characters maharajahs poets gun wielding revolutionaries politicians polemicists philosophers and clergymen this book is ambitious in its scope and provocative in its position Lucid and exhaustive it is at once a political history a review of Hindu culture and a study of the social forces that prepared the

ground for Hindu nationalism Turning away from simplistic ideas on religious evolution and European imperialism the past as it appears here is more complicated and infinitely richer than popular narratives allow **Singapore Ethnic Mosaic, The: Many Cultures, One People** Mathews Mathew,2017-10-31 Far from being a melting pot multi racial Singapore prides itself on the richness of its ethnic communities and cultures This volume provides an updated account of the heterogeneity within each of the main communities the Chinese Malay Indian Eurasian and Others It also documents the ethnic cultures of these communities by discussing their histories celebrations cultural symbols life cycle rituals cultural icons and attempts to preserve culture While chapters are written by scholars drawing insight from a variety of sources ranging from academic publications to discussions with community experts it is written in an accessible way This volume seeks to increase intercultural understanding through presenting ample insights into the cultural beliefs and practices of the different ethnic communities While this book is about diversity a closer examination of the peoples and cultures of Singapore demonstrates the many similarities communities share in this Singaporean space **Write Like A Pro: 10 Rules To Be a Better Writer | Tips to Learn the Art of Writing** Kalyanaraman Durgadas ,2025-04-10 Have you ever sat down to write only to find yourself staring at a blank page Or had the perfect words in your head but they seemed to disappear the moment you tried to put them on paper If you ve nodded along you re in the right place Write Like a Pro 10 Rules to be a Better Writer is a much needed guide for aspiring writers authors and students Whether you re just beginning your writing journey or you are a seasoned professional looking to hone your craft this book offers practical advice insightful examples and thoughtfully designed exercises to help you unlock your full potential as a writer For the inexperienced this guide provides clear actionable steps to build your skills For the experienced it challenges you to break the rules but only when you truly understand them With a touch of humour and a wealth of wisdom Write Like a Pro delivers specific tools to help you develop your unique writing philosophy Start your journey toward mastering the art of writing today **565** Mallika Ravikumar,2024-08-20 Only two months to freedom A jigsaw of around 565 princely states At the stroke of midnight on 15 August 1947 India could emerge as a united nation Or disintegrate into several pieces On 3 June 1947 Lord Mountbatten the last viceroy of India makes a historic announcement After two centuries of being a colony India would finally become an independent nation on 15 August 1947 Yet there is no India as we know it today only a patchwork of territories forming British India and kingdoms ruled by maharajas and nawabs who had pledged their allegiance to the British Crown The rulers are given three choices accede to India join Pakistan or remain free While many of the nearly 600 rulers unite with India some with larger kingdoms decide to either wait for a better bargain negotiate terms for joining Pakistan or use the opportunity to give flight to their lofty ambitions As the sun is poised to set on the British Empire the future of India hangs in the balance What unfolds in those nerve racking last days of the Raj In a gripping account highlighting the key events and personalities of the time this thoroughly researched book introduces young adults and older readers to the dramatic saga of

how a great nation was forged For why 565 see page i

Cultural Studies in the Interregnum Robert F. Carley, Anne Donlon, Beenash Jafri, Stefanie A. Jones, Laura J. Kwak, Eero Laine, SAJ, Chris Alen Sula, 2025 This book interrogates and refigures possibilities for activist intellectual work during times of social transformation

Women and Global Health Leadership Rosemary Morgan, Kate Hawkins, Roopa Dhatt, Mehr Manzoor, Sulzhan Bali, Cheryl Overs, 2022-02-19 Women represent the majority of people working to improve health outcomes in communities non governmental and multilateral organizations both as paid and unpaid health and social care workers So why is it that when it comes to leadership positions we have a governance system that privileges men and what can we do to redress the imbalance This ground breaking collection explores the leadership roles that women hold in global health teasing out the routes women have taken to leadership the challenges they have faced and what has facilitated their journey It brings to the fore the stories of women on the frontlines of this struggle from around the world highlighting and complementing these stories with theoretical and analytical explorations of the structures and systems that help or hinder the process Among the topics explored Gendered Institutions in Global Health Gender Peace and Health Promoting Human Security with Women s Leadership Academic Journal Publishing A Pathway to Global Health Leadership Women in Health Systems Leadership Demystifying the Labyrinth Women s Leadership in Global Health Evolution Will Not Bring Equality The book is a rallying call to arms to redress gender inequality and celebrate the many ways in which women are taking the lead in supporting the health of their communities internationally Women and Global Health Leadership is a must read for those working in or studying global health It is also a primer that aims to support other women in their efforts and struggles to succeed in a highly unfair and unequal world The book will engage ministers of health policy makers practitioners academicians students researchers healthcare workers health service managers and members of multilateral organizations By highlighting key barriers and facilitators to women in global health leadership organizations can use this book to help inform the development of institutional policies and procedures to support women in leadership positions across academic health workforce and global health governance systems It also can be used within postgraduate courses focusing on the global health workforce leadership and management and women s studies

Family Planning Communication in India Shashwati Goswami, 2023-09-08 This book is the first systematic study on the historiography of the family planning communication process in India It traces the history of the development of a highly technical health communication process It discusses how the discourse on India s population problem was at the heart of the development dialogue which was being promoted by the British colonial administration The book examines the role of the censuses and the Five Year plans in the development of the discussion on the population explosion in India Also it critically discusses the role of the Ford Foundation s leadership in institutionalising the communication process in India The book essentially argues that population control communication enabled the ideas of a homogenised nation an ideal Indian woman and an ideal Indian family This in turn led to the obliteration of cultural ethnic

geographical and economic specificities of India as a country The volume will be of great interest to scholars and researchers of public policy media and communication studies Indian politics modern Indian history and South Asian Studies *NextGen Tech 2024* Dr. Pratisha Kumari, Dr. Ashish Dhirajlal Baldania, Dr. Mukti Y. Srivastava, 2025-01-10 It is with great pride and heartfelt congratulations that we present the publication of your scholarly chapter in the ISBN Book titled *NextGen Tech 2024* ISBN 978 81 982888 1 3 a distinguished outcome of the International Conference on Transformative Innovations in Science Technology Nursing and Medical Sciences jointly organised by Eudoxia Research University USA and Eudoxia Research Centre India The valuable contribution from researcher and Academician s across the globe with their research chapters exemplifies the spirit of innovation and research excellence that defines our global academic community This publication not only recognizes the commitment to advancing scientific and interdisciplinary knowledge but also reinforces the mission of Eudoxia to foster a platform for meaningful collaboration impactful research and academic growth As we move forward in our shared vision of a Developed India by 2040 your participation in this international forum strengthens our collective pursuit of excellence in research and innovation We encourage you to continue striving for academic distinction and thank you for being a part of this transformative journey Daughters of Durga Manjula Datta O'Connor, 2022-06-15 In the early 2010s a spate of domestic violence related murders in the Victorian Indian community compelled psychiatrist Manjula Datta O Connor to investigate the causes of patriarchal abuse in South Asian families As a practitioner with many decades experience in the field Datta O Connor questioned whether a better understanding of history and culture could help these communities implement measures to prevent family violence But the most powerful lessons came from those she met through her practice survivors of transnational abuse and of sexual and dowry exploitation These women taught Datta O Connor about human resilience and strength and the myriad ways women find the inner power to survive These are the daughters of the goddess Durga wielding the tools of history to produce meaningful change

Unveiling the Magic of Words: A Review of "**Ivory Throne Chronicles House Travancore**"
