Staging

Fairyland Jennifer Schacker, 2018-12-17 Examines pantomime and theatricality in nineteenth century histories of folklore and the fairy tale In nineteenth century Britain the spectacular and highly profitable theatrical form known as pantomime was part of a shared cultural repertoire and a significant medium for the transmission of stories Rowdy comedic and slightly risqu pantomime productions were situated in dynamic relationship with various forms of print and material culture Popular fairy tale theater also informed the production and reception of folklore research in ways that are often overlooked In *Staging Fairyland Folklore Children's Entertainment and Nineteenth Century Pantomime* Jennifer Schacker reclaims the place of theatrical performance in this history developing a model for the intermedial and cross disciplinary study of narrative cultures The case studies that punctuate each chapter move between the realms of print and performance scholarship and popular culture Schacker examines pantomime productions of such well known tales as Cinderella Little Red Riding Hood and Jack and the Beanstalk as well as others whose popularity has waned such as Daniel O'Rourke and The

Yellow Dwarf These productions resonate with traditions of impersonation cross dressing literary imposture masquerade and the social practice of fancy dress Schacker also traces the complex histories of Mother Goose and Mother Bunch who were often cast as the embodiments of both tale telling and stage magic and who move through various genres of narrative and forms of print culture These examinations push at the limits of prevailing approaches to the fairy tale across media They also demonstrate the degree to which perspectives on the fairy tale as children s entertainment often obscure the complex histories and ideological underpinnings of specific tales Mapping the histories of tales requires a fundamental reconfiguration of our thinking about early folklore study and about fairy tales their bearing on questions of genre and ideology but also their signifying possibilities past present and future Readers interested in folklore fairy tale studies children s literature and performance studies will embrace this informative monograph EllRay Jakes and the Beanstalk Sally Warner,2013-09-12 Can EllRay master the moves in time to win his friend back EllRay Jakes may be the shortest kid in his class and he may get into trouble from time to time but he can always count on his best friends Kevin and Corey But lately Kevin has been skateboarding with the meanest boy in class Could EllRay be losing one of his friends Not giving up without a fight EllRay asks his older neighbor to show him a few jaw dropping skateboard moves like ollies and kickflips EllRay must learn as many tricks as he can before the secret boys only third grade skate off But will it be enough Folktales Retold Amie A. Doughty,2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with Lessons in Teaching Reading Comprehension in Primary Schools Suzanne Horton,Louise Beattie,Branwen Bingle,2015-07-13 Lesson planning in line with the new Primary National Curriculum Why do we teach children to read It is not merely to decode the words We teach them to derive meaning from the text to comprehend it To not just read the lines but to read between the lines and even read beyond the lines So how can you make teaching comprehension in primary schools effective and engaging How are you ensuring that children are finding meaning in what they read and how do we support more able readers to learn more What does a good reading lesson look like This book demonstrates the effective teaching of reading through exemplar lessons It discusses what makes them good lesson plans and how they can be adapted to suit different classes and different schools In

particular this book helps you to meet the needs of more able readers particularly in years 5 and 6 outlining ways to challenge more able pupils to support them with the level 6 tests in Year 6 It helps you to cultivate your subject knowledge and invigorate your classroom teaching through focusing on what children need to learn and how to teach it Did you know that this book is part of the Lessons in Teaching series WHAT IS THE LESSONS IN TEACHING SERIES Suitable for any teacher at any stage of their career the books in this series are packed with great ideas for teaching engaging outstanding lessons in your primary classroom The Companion Website accompanying the series includes extra resources including tips lesson starters videos and Pinterest boards Books in this series Lessons in Teaching Grammar in Primary Schools Lessons in Teaching Computing in Primary Schools Lessons in Teaching Number and Place Value in Primary Schools Lessons in Teaching Reading Comprehension in Primary Schools Lesson in Teaching Phonics in Primary Schools
