Jacob and the Divine Trickster John E. Anderson, 2011-06-30 The book of Genesis portrays the character Jacob as a brazen trickster who deceives members of his own family his father Isaac brother Esau and uncle Laban At the same time Genesis depicts Jacob as YHWH's chosen from whom the entire people Israel derive and for whom they are named These two notices produce a latent tension in the text Jacob is concurrently an unabashed trickster and YHWH's preference How is one to address this tension Scholars have long focused on the implications for the character and characterization of Jacob The very question however at its core raises an issue that is theological in nature The Jacob cycle Gen 25-36 is just as much if not more a text about God as it is about Jacob a point startlingly absent in a great deal of Genesis scholarship Anderson argues for the presence of what he has dubbed a theology of deception in the Jacob cycle YHWH operates as a divine trickster who both uses and engages in deception for the perpetuation of the ancestral promise Gen 12:1-3 Through a literary hermeneutic emphasizing the symbiotic relationship between how the text means and what the text means and a keen eye to the larger task of Old Testament theology as literally a word about God Anderson examines the various manifestations of YHWH as trickster in the Jacob cycle The phenomenon of divine deception at every turn is intimately tethered in diverse ways to YHWH's unique concern for the protection and advancement of the ancestral promise which has cosmic implications Attention is given to the ways that the multiple deceptions some previously unnoticed evoke advance and at times fulfill the ancestral promise Anderson's careful and thoughtful interweaving of trickster texts and traditions in the interest of theology is a unique contribution of this important volume Oftentimes scholars who are interested in the trickster are unconcerned with the theological ramifications of the presence of material of this sort in the biblical text while theologians have often neglected the vibrant and pervasive presence of the trickster in the biblical text Equally vital is the necessity of viewing the Old Testament's image of God as also comprising dynamic subversive and unsettling elements Attempts to whitewash or sanitize the biblical God fail to recognize and appreciate the complex and intricate ways that YHWH interacts with his chosen people This witness to YHWH's engagement in deception stands alongside and paradoxically informs the biblical text's portrait of YHWH as trustworthy and a God who does not lie Anderson's Jacob and the Divine

Trickster stands as a stimulating and provocative investigation into the most interesting and challenging character in the Bible God and marks the first true comprehensive treatment of YHWH as divine trickster Anderson has set the stage to continue the conversation and investigation into a theology of deception in the Hebrew Bible Grow Through the Bible Bev Gundersen, 2018-05-04 These lessons help kids make smart choices by learning why the Bible is different from any other book investigating God's truth and accepting God's salvation through his Son Jesus A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year from age 3 to 12 Every lesson features Scripturally sound themes Culturally relevant hands on activities Age appropriate Bible learning challenges Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children's church youth group kids club and midweek Bible study programs **Life-Study of Genesis** Witness Lee, 1997-08 **77 Fairly Safe Science Activities for Illustrating Bible Lessons** Donald B. Christian Science War Time Activities Scientist War Relief Committee First Church of Christ, 2020-12-08

In Christian Science War Time Activities the Scientist War Relief Committee of the First Church of Christ presents a comprehensive account of the church's humanitarian efforts during times of conflict. The book intricately weaves together testimonies, reports, and theoretical frameworks that illustrate the fusion of spiritual practice and social responsibility inherent to Christian Science. It employs a clear, accessible prose style and emphasizes practical applications of faith aiming to mobilize readers towards compassionate action in response to global crises. Positioned against the sociopolitical backdrop of early 20th century conflicts, the text critically evaluates the role of faith in wartime relief efforts and its implications for contemporary social engagement. The Scientist War Relief Committee formed out of a profound commitment to embody the teachings of Mary Baker Eddy, the founder of Christian Science, who has a rich history of involvement in charitable activities. Their initiative in publishing this work reflects an urgent response to the moral complexities of war, where spiritual healing is framed not only as a personal pursuit but as a collective duty to alleviate suffering. The committee's background in both religious doctrine and active service in humanitarian contexts has undoubtedly shaped the perspectives shared within the book. Christian Science War Time Activities is a vital read for anyone interested in the intersections of faith, ethics, and social action. Its insights into the role of spiritual communities in addressing humanitarian crises offer profound reflections for contemporary audiences. Engaging deeply with the principles of Christian Science, this work encourages readers to consider how they might contribute to healing and relief efforts in their own communities, making it both a poignant historical document and a call to action. In this enriched edition, we have carefully created added value for your reading experience. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

The Book of Genesis, Chapters 18-50 Victor P. Hamilton, 1995-09-26

In the Old Testament we read God's word as it was spoken to his people Israel. Today, thousands of years later, we hear in these thirty-nine books his inspired and authoritative message for us. These twin convictions, shared by all of the contributors to The New International Commentary on the Old Testament, define the goal of this ambitious series of commentaries. For those many modern readers who find the Old Testament to be strange and foreign soil, the NICOT series serves as an authoritative guide bridging the cultural gap between today's world and the world of ancient Israel. Each NICOT volume aims to help us hear God's word as clearly as possible. Scholars, pastors, and serious Bible students will welcome the fresh light that this commentary series casts on ancient yet familiar biblical texts. The contributors apply their proven scholarly expertise and wide experience as teachers to illumine our understanding of the Old Testament. As gifted writers, they present the results of the best recent research in an interesting manner. Each commentary opens with an introduction to the biblical book, looking especially at questions concerning its background, authorship, date,

purpose structure and theology A select bibliography also points readers to resources for their own study The author s own translation from the original Hebrew forms the basis of the commentary proper Verse by verse comments nicely balance in depth discussions of technical matters textual criticism critical problems and so on with exposition of the biblical writer s theology and its implications for the life of faith today **The NIV Zondervan Study Bible, eBook** Zondervan,2015-08-25
