 Glossary Books to read and places to visit Answers **A Project Guide to Electricity and Magnetism** Colleen
 Kessler,2011-06 Electrical and magnetic forces are so much a part of our everyday lives that we don't often think about how
 they work or how they are related Before digital music players and eBook readers were commonplace though scientists put a
 lot of effort into discovering just what these forces were and how to harness their energy in ways that would make life easier
 Through their experimentation they discovered the connection between electrical and magnetic forces They found ways to
 bring electricity to people who wanted it Today we benefit from these discoveries but there are always new things to discover
 Whether you try the experiments and activities in this book for fun or for a science fair project you'll get an up close look at
 the forces of electricity and magnetism Enjoy each of the shocking activities in this book as you discover the pull of science
