Maimonides A Guide For Todays Perplexed:

Maimonides' "Guide of the Perplexed" in Translation Josef Stern, James T. Robinson, Yonathan Shemesh, 2019-08-15 Moses Maimonides's *Guide of the Perplexed* is the greatest philosophical text in the history of Jewish thought and a major work of the Middle Ages. For almost all of its history, however, the *Guide* has been read and commented upon in translation in Hebrew, Latin, Spanish, French, English, and other modern languages rather than in its original Judeo-Arabic. This volume is the first to tell the story of the translations and translators of Maimonides' *Guide* and its impact in translation on philosophy from the Middle Ages to the present day. A collection of essays by scholars from a range of disciplines, the book unfolds in two parts. The first traces the history of the translations of the *Guide* from medieval to modern renditions. The second surveys its influence in translation on Latin scholastic, early modern, and contemporary Anglo-American philosophy, as well as its impact in translation on current scholarship. Interdisciplinary in approach, this book will be essential reading for philosophers, historians, and religious studies scholars alike. [Maimonides' Guide of the Perplexed](#) Daniel Frank, Aaron Segal, 2021-07 This is the first scholarly collection in English devoted to Maimonides' *Guide of the Perplexed*. **Maimonides' Guide of the Perplexed** Alfred L. Ivry, 2016-09-27 A guide to the medieval Jewish philosopher's text. An honest assessment of a great thinker trying to come to terms with issues of monumental importance. *Journal of the History of Philosophy*. A classic of medieval Jewish philosophy. Maimonides's *Guide of the Perplexed* is as influential as it is difficult and demanding. Not only does the work contain contrary even contradictory statements, but Maimonides deliberately wrote in a guarded and dissembling manner in order to convey different meanings to different readers with the knowledge that many would resist his bold reformulations of God and his relation to mankind. As a result, for all the acclaim the *Guide* has received, comprehension of it has been unattainable to all but a few in every generation. Drawing on a lifetime of study, Alfred L. Ivry has written the definitive guide to the *Guide*, one that makes it comprehensible and exciting to even those relatively unacquainted with Maimonides' thought while also offering an original and provocative interpretation that will command the interest of scholars. Ivry offers a chapter-by-chapter exposition of the widely accepted Shlomo Pines translation of the text, along with a clear paraphrase that clarifies the key terms and concepts. Corresponding analyses take readers more deeply into the text, exploring the philosophical issues it raises, many dealing with metaphysics in both its ontological and epistemic aspects. **Maimonides** Kenneth Seeskin, 1991 The classic questions Maimonides contemplated in *Guide for the Perplexed* are addressed here in modern language. *The Guide to the Perplexed* Moses Maimonides, 2024-05-28 A landmark new translation of the most significant text in medieval Jewish thought. Written in Arabic and completed around 1190, the *Guide to the Perplexed* is among the most powerful and influential living texts in Jewish philosophy, a masterwork navigating the straits between religion and science, logic and revelation. The author, Rabbi Moses ben Maimon, commonly known as Maimonides or as Rambam, was a Sephardi Jewish philosopher, jurist, and physician.

He wrote his Guide in the form of a letter to a disciple But the perplexity it aimed to cure might strike anyone who sought to square logic mathematics and the sciences with biblical and rabbinic traditions In this new translation by philosopher Lenn E Goodman and historian Phillip I Lieberman Maimonides warm conversational voice and clear explanatory language come through as never before in English Maimonides knew well the challenges facing serious inquirers at the confluence of the two great streams of thought and learning that Arabic writers labeled aql and naql reason and tradition The aim of the Guide he wrote is to probe the mysteries of physics and metaphysics But mysteries to Maimonides were not conundrums to be celebrated for their obscurity They were problems to be solved Maimonides methods and insights resonate throughout the work of later Jewish thinkers rationalists and mystics and in the work of philosophers like Thomas Aquinas Spinoza Leibniz and Newton The Guide continues to inspire inquiry discovery and vigorous debate among philosophers theologians and lay readers today Goodman and Lieberman s extensive and detailed commentary provides readers with historical context and philosophical enlightenment giving generous access to the nuances complexities and profundities of what is widely agreed to be the most significant textual monument of medieval Jewish thought a work that still offers a key to those who hope to harmonize religious commitments and scientific understanding **The Guide for the Perplexed** Moses

Maimonides,1963-01-01 This guide aims to liberate men from the tormenting perplexities arising from their understanding of the Bible according only to its literal meaning Cover **Freedom and Law** Randi Rashkover,2011 By contrast Freedom and Law argues that only in an account of revelatory law can divine freedom and human freedom be thought of without contradiction The first part analyzes the logic of exceptionalism In the second part the author argues that one cannot invoke a doctrine of election without rigorous scrutiny of texts that portray an electing God and an elected people Once we scrutinize these texts the character of freedom and law within the divine human relationship shows itself to be different from that found in exceptionalist logics The third and final part examines the impact of the logic of the law on Jewish Christian apologetics Rather than require that one defend one s position to a nonbeliever this logic situates all epistemological justification within the order or freedom of God [The Cambridge Companion to Maimonides](#) Kenneth Seeskin,2005-09-26

Discusses the problems Maimonides encountered showing the depth and breadth of his philosophical thought **Searching for God** Joan Burstyn; Gershon Vincow,2011-08-04 The authors of Searching for God Study Partners Explore Contemporary Jewish Texts introduce self directed hevruta a novel twist on the traditional Jewish path of in depth learning with a study partner Together they choose the most challenging topic of all searching for God and explore five contemporary Jewish texts that present several approaches mysticism rationalism nontraditional Judaism metaphors from science and character development These spiritual seekers are lay people Joan Burstyn is an historian and poet Gershon Vincow is a scientist and community leader They study discuss teach each other and draw conclusions The result of this study partnership is a transformative learning experience about Judaism and the search for God This touching and inspiring account of the

commitment of two friends to study texts and share their insights with each other on behalf of their own and each other's connection to holiness could well be titled *Thinking as a Spiritual Path Celebrating intellect as an instrument of prayer* this book will serve as a template for seekers across religious traditions who long for a spiritual practice that satisfies their minds as it gladdens their hearts Sylvia Boorstein author of *Happiness Is an Inside Job Practicing for a Joyful Life* This book successfully probes the most basic questions anyone should ask What do I mean when I use the word God And how does the answer affect the way I live Edward D Zinbarg board member Jewish Theological Seminary Rabbinical School author of *Faith Morals and Money What the World's Religions Tell Us about Ethics in the Marketplace* **The Trouble with Islam Today** Irshad Manji, 2005-03-16 A Muslim woman takes issue with the contradictions of mainstream Islam and with such issues as anti-Semitism Islamic imperialism and the attitude toward women and looks at the essential reforms that Islam must undertake *The Quest for God and the Good* Diana Lobel, 2011 Lobel crosses Eastern and Western philosophical and religious traditions to discover a beauty and purpose at the heart of reality that makes life worth living This title does not treat philosophy as an abstract theoretical discipline but as living experience Jewish History and Jewish Memory Yosef Hayim Yerushalmi, 1998 Publication of Yosef Yerushalmi's *Zakhor* in 1982 inspired a generation of scholarly inquiry into historical images and myths the construction of the Jewish past and the making and meaning of collective memory Here eminent scholars in their respective fields extend the lines of his seminal study into topics that range from medieval rabbinics homiletics kabbalah and Hasidism to antisemitism Zionism and the making of modern Jewish identity Essays are clustered around four central themes historical consciousness and the construction of memory the relationship between time and history in Jewish thought the demise of traditional forms of collective memory and the writing of Jewish history in modern times **The Jewish Philosophy Reader** Daniel H. and chief speechwriter for Hillary Clinton on her 2008 presidential campaign Sarah Hurwitz decided to apply her skills as a communicator to writing a book about Judaism And no one is more surprised than she is Hurwitz was the quintessential lapsed Jew until at age thirty six after a tough breakup she happened upon an advertisement for an introductory class on Judaism She attended on a whim but was blown away by what she found beautiful rituals helpful guidance on living an ethical life conceptions of God beyond the judgy bearded man in the sky none of which she had learned in Hebrew school or during the two synagogue services she grudgingly attended each year That class led to a years long journey during which Hurwitz visited the offices of rabbis attended Jewish meditation retreats sat at the Shabbat tables of Orthodox families and read hundreds of books about Judaism all in dogged pursuit of answers to her biggest questions What she found transformed her life and she wondered How could there be such a gap between the richness of what Judaism offers and the way so many Jews like her understand and experience it Sarah Hurwitz is on a mission to close this gap by sharing the profound insights she discovered on everything from Jewish holidays ethics and prayer to Jewish conceptions of God death and social justice In this entertaining and accessible book she shows us why Judaism matters and how its message is more relevant than ever and she inspires Jews to do the learning questioning and debating required to make this religion their own Searching for meaning in the ancient scripture and traditions of Judaism Sarah Hurwitz takes us along on an enriching journey of discovery In Here All Along she explores her birthright as a Jew and finds timeless and valuable life lessons David Axelrod director of the University of Chicago Institute of Politics and former senior advisor to President Barack Obama Maimonides's Yahweh Amy Karen Downey,2019-03-20 The life of Moshe ben Maimon Maimonides remains a mystery to many within evangelical Christianity However he is lauded as a second Moses by many within modern Judaism Does he deserve that title Maimonides s via negativa created a rationale for rejecting the messiahship claims of Jesus in Rabbinic Judaism Therefore this book seeks to illustrate that Maimonides in his desire to create an anti Christian apologetic regarding the incarnation fashioned a Judaism that does not reflect the truths of the Tanakh Old Testament and developed a Judaism that was untenable for the Jewish people of the twenty first century Many Jewish people today are turning in a thousand and one different directions for spiritual answers but not in the only way that will offer the way to God Jesus of Nazareth John 14 6 This work examines the history of Maimonides his teachings and an apologetic approach to bring the gospel back to the Jewish people Rom 1 16
