Mainstreaming Equality In The European Union Mainstreaming Equality In The European Union:

Mainstreaming Equality in the European Union Teresa L. Rees, 1998 Focuses on attempts made at the European Union level to incorporate equal opportunities into training policies as a means to end gender segregation in the labour force In particular discusses the LEONARDO DA VINCI training programme **Mainstreaming Equality in the European Union** Teresa Rees, 2006-06-19 Mainstreaming Equality in the European Union provides a critical overview and evaluation of the potential role of the EU in perpetuating or breaking down gender segregation in the EU labour force Teresa Rees draws upon feminist theoretical frameworks in assessing Equal Opportunities policies and the role of training in the labour market The same economic imperatives which put women's training on the agenda have heightened interest in designing training which attracts women into mainstream provision Mainstreaming Equality in the European Union addresses the urgent need for academics education and training providers as well as policy makers to be aware of current thinking at EU level on training policy Gendering the European Union G. Abels, J. Mushaben, 2012-01-06 An exploration of European integration as seen through a gender lens This book looks at integration theories institutional relationships enlargement the development of gender law and the role of formal actors scholars and expert networks in the EU policy making process With a focus on gender mainstreaming as a new approach to gender policy *European Union Law* Damian Chalmers, Gareth Davies, Giorgio Monti, 2010-06-24 This eagerly awaited new edition has been significantly revised after extensive user feedback to meet current teaching requirements The first major textbook to be published since the rejuvenation of the Lisbon Treaty it retains the best elements of the first edition the engaging easily understandable writing style extracts from a variety of sources showing the creation interpretation and application of the law and comprehensive coverage In addition it has separate chapters on EU law in national courts governance and external relations reflecting the new directions in which the field is moving The examination of the free movement of goods and competition law has been restructured Chapter introductions clearly set out what will be covered in each section allowing students to approach complex material with confidence and detailed further reading sections encourage further study Put simply it is required reading for all serious students of EU law *Democratic Dilemmas of Multilevel Governance* J. DeBardeleben, A. Hurrelmann, 2007-09-27 Focusing on the EU this volume with a combination of theoretical perspectives and empirical research examines the problems multilevel governance causes for democratic legitimacy by placing it in a comparative and theoretical context and explore how challenges faced by the EU compare with those faced by traditional federal systems worldwide **EQUAL Guide on Gender Mainstreaming**, 2005 Contains briefing notes no 1 18 **European Union Governance and Policy-Making, Second Edition** Amy Verdun, Achim Hurrelmann, Emmanuel Brunet-Jailly, 2023-06-26 European Union Governance and Policy Making introduces the politics of the European Union EU to a student audience The book is explicitly written for students enrolled in universities in Canada or other non EU countries and builds on their academic background Chapters cover the political and

legal system of the EU theories of European integration core EU policies such as the Single Market its single currency migration policy EU enlargement as well as pressing issues facing the further development of European integration This second edition has been comprehensively revised and updated to include a discussion of Brexit the European Green Deal COVID 19 and the Russian invasion of Ukraine Written by leading Canadian scholars in the field of European integration as well as international experts with teaching experience in Canadian universities this textbook leverages the comparison to Canada and its federal system to help students understand what is unique about the European Union

Gender and Social Justice in Wales Nickie Charles, Charlotte Aull Davies, 2018-01-15 This book assesses how policies developed by the National Assembly for Wales are affecting gender inequalities and investigates whether they are having an impact on social justice for women in Wales In 1999 the first elections to devolved governments took place in Scotland and Wales In Wales this resulted in 40 per cent of Assembly Members being women In 2003 this proportion increased to 50 per cent which makes the National Assembly for Wales the first legislative body with equal numbers of men and women in the world The Guardian 3 5 03 This new gender balance of political representatives is a significant change in the gendering of political institutions and this together with the creation of a new tier of government has the potential to create new opportunities for the development of social policies which address gender and other social inequalities Focusing on distinct policy domains this book explores gender politics in a devolved Wales Each chapter investigates a particular aspect of social policy exploring the way it has developed since devolution and the extent to which considerations of gender and social justice for women are central to this development The empirical chapters which form the core of the book are situated theoretically and politically by the first chapter which discusses how gender and social justice can be theorised and explores devolution and its relation to gender politics in Wales

Taking Employment Discrimination Seriously Yuwen Li, J. E. Goldschmidt, 2009 Employment discrimination is present in any society However this severe social problem has escalated in the post Mao era in China The imbalance between supply and demand in the labour market combined with a lack of general consciousness regarding labour rights have contributed to the swift spread of discrimination This book contains the most recent research on the reality of discrimination in China and advocates for effective employment equality protection through law and specialised equality institutions The study of equal treatment in the legal systems of the EU illustrates the important contribution law together with general policies can make to the improvement of equality in employment While both systems face a distinctive range and degree of problems employment discrimination ought to be taken seriously in China and the countries of the EU

European Gender Regimes and Policies Sevil Sümer, 2016-04-22 Comprehensive gender equality remains an unfulfilled goal in many European countries in spite of important developments and challenges to the traditional gendered division of labour This volume reviews recent advances of gender policies in different countries in the European Union together with recent empirical data on gender relations in the labour market and within families It adopts an international

and interdisciplinary perspective through its use of qualitative and quantitative data and a comprehensive theoretical framework Particular attention is paid to the latest developments in the field of gender equality in different Scandinavian countries which are customarily seen as forerunners in the area The title culminates with an in depth discussion on the possibility of converging alternate gender policy regimes in Europe

Research Agendas in EU Studies M. Egan, N. Nugent, W. Paterson, 2009-11-27 Leading scholars explore the complex questions arising from the ongoing transformation of Europe through the deepening and widening effects of European integration Based on authoritative analyses the book takes account of the many national transnational and international processes and contexts in which European integration has become embedded

Equity in the Workplace Heidi Gottfried, Laura Reese, 2008-01-01 This edited collection assembles cutting edge comparative policy research on contemporary policies relevant to gender Contributors analyze gender related employment policies including parental leave maternity programs sexual harassment work life balance and gender mainstreaming Equity in the Workplace thoroughly illustrates how the juxtaposition of a variety of research methodologies focused on a common theme can lead to a richer multilayered understanding of a complex issue

The SAGE Handbook of European Union Politics Knud Erik Jørgensen, Mark Pollack, Ben Rosamond, 2007-01-03 This volume is one to which anyone trying to make sense of the EU of the early 21st century will return again and again A terrific line up that combines diverse talents from North America and Europe Few books of this kind could live up to the billing definitive benchmark but this one certainly does John Peterson University of Edinburgh A most useful book that can be highly recommended A strong analytical framework coupled with unparalleled coverage of the major issues of the political science research of the EU makes this volume a formidable tool for teaching and a significant input to new scholarly research It is both relatively sophisticated and very accessible to graduate students and advanced researchers The clear writing style and the richness of information presented will certainly make this book interesting for non academic readers Igor Vidacak Institute for International Relations Zagreb Journal of Common Market Studies An admirably comprehensive source book for those interested in how the tools of political science inspire EU area studies The editors enlist leading researchers to synthesize the state of the art in their field of expertise The Handbook of European Union Politics will be an indispensable intellectual resource for researchers teachers and graduate students of the European Union Liesbet Hooghe University of North Carolina at Chapel Hill USA Presents an excellent overview of political science research on the EU It finds the right balance between establishing the state of the art and pointing the reader to theoretical diversity Highly recommended for advanced students and scholars looking for quick and solid orientation in a fragmented field and for new ideas for research Frank Schimmelfennig ETH Zurich Switzerland This is a milestone in the study of EU politics The authors include the most knowledgeable practitioners in the field and collectively they provide a comprehensive and highly competent overview of the state of theory and research on EU institutions politics and policies Fritz Scharpf Max Planck Institute for the Study of

Societies Germany The European Union EU poses quite profound questions for scholars and students of the social and political sciences This benchmark handbook is designed to provide an authoritative state of the art guide to the scope of the field suitable for both established scholars and students of the EU reflect and contribute to the debates about the nature of the field of EU studies and EU politics in particular explore in detail the development of the many approaches to the study of EU politics Divided into four sections the Handbook focuses on theorizing European integration the EU as polity politics and policy making in the EU and the EU and the international system Its appeal will reside not only in its comprehensive and authoritative coverage of the field but also in the quality of its contributors and the diversity of theoretical and methodological approaches included The resulting volume is a must have for all scholars and advanced students of the EU and European integration

Mainstreaming Equality in European Union Law and Policymaking Jo Shaw, European Network against Racism, 2004

Discrimination Law Sandra Fredman FBA KC, 2022-11-28 This book is a challenging thought provoking yet highly accessible introduction to discrimination law It takes a thematic approach illuminating the major issues in discrimination law while imparting an in depth understanding of the strengths and weaknesses of legal responses to complex social problems of inequality This is enhanced by the comparative approach By considering equality law in the UK US India Canada and South Africa as well as the European Union and under the European Convention on Human Rights the book exposes common problems across different jurisdictions and canvasses a variety of differing solutions As in the highly successful previous editions the book locates discrimination law within its historical and social context One of its major strengths is the development of an analytic framework of substantive equality drawing on a range of sources and the author's wide experience of equality law in many jurisdictions As well as chapters charting the social challenges and legal responses the book compares the ways in which different jurisdictions formulate grounds of discrimination or protected characteristics the meaning of key concepts such as direct discrimination disparate treatment indirect discrimination disparate impact and when limitations on equality are legitimate Later chapters test these concepts in some of the most challenging contexts pregnancy and parenting equal pay reasonable accommodation and sexual harassment as well as to the particularly controversial issue of affirmative action or deliberate preference policies Discussing at length how racism's sexism LGBTQ rights and other topics impact these contexts The final chapter asks how the right to equality can be made more effective critically assessing the paradigm individual complaints model and possible alternatives from class actions and strategic litigation to mainstreaming and positive duties to promote equality

Gender and the European Union Johanna Kantola, 2010-07-14 This broad ranging new text provides a systematic assessment of the emergence of gender as a significant issue on the EU agenda and of the EU's impact on gender inequality both in terms of specifically gender related policies and the gender dimensions of other policies

Diversity in the European Union Elisabeth Prügl, Markus Thiel, 2009-12-07 This volume provides an overview of EU actions seeking to manage diversity introduces a conceptual

framework to think about diversity in the European Union and provides a tapestry of cases that illustrate minority politics and activism contestations over identity and difference and the construction of new meanings of European citizenship

The Politics of Feminist Knowledge Transfer María Bustelo, Lucy Ferguson, Maxime Forest, 2019-04-13 The Politics of Feminist Knowledge Transfer draws together analytical work on gender training and gender expertise Its chapters critically reflect on the politics of feminist knowledge transfer understood as an inherently political dynamic and contested process the overall aim of which is to transform gendered power relations in pursuit of more equal societies workplaces and policies At its core the work explores the relationship between gender expertise gender training and broader processes of feminist transformation arising from knowledge transfer activities Examining these in a reflective way the book brings a primarily practice based debate into the academic arena With contributions from authors of diverse backgrounds including academics practitioners and representatives of gender training institutions the editors combine a focus on gender expertise and gender training with more theory focused chapters

Gender and Diversity Studies Ingrid Jungwirth, Carola Bauschke-Urban, 2019-10-07 What concepts of gender and diversity emerge in the different regions and pertinent research and practical fields On the back drop of current European developments from the deregulation of economy a shrinking welfare state to the dissolution and reinforcement of borders the book examines the development of Gender and Diversity Studies in different European regions as well as beyond and focuses on central fields of theoretical reflection empirical research and practical implementation policies and politics
