Major Problems In American History

Elizabeth Cobbs Hoffman, Jon Gjerde

Major Problems In American History Since 1945 Major Problems In American History:

Major Problems in American History Since 1945 Robert Griffith, 1992 *Major Problems in American History Since 1945* Natasha Zaretsky, 2013 **Major Problems in American History, 1920-1945** Colin Gordon, 2011 This collection of primary source documents and essays provides in depth coverage of the cultural social political economic and intellectual events of the 1920 1945 era In keeping with the proven strengths of the Major Problems series the compelling documents are grouped with important secondary sources accompanied by chapter introductions selection headnotes and suggested readings *Major Problems in American Women's History* Mary Beth Norton, Ruth M. Alexander, 2007 Designed to encourage critical thinking about history the Major Problems series introduces students to both primary sources and analytical essays on important topics in U S history Major Problems in American Women's History is the leading reader for courses on the history of American women covering the subject's entire chronological span While attentive to the roles of women and the details of women's lives the authors are especially concerned with issues of historical interpretation and historiography The Fourth Edition features greater coverage of the experiences of women in the Midwest and the West immigrant women and more voices of women of color Key pedagogical elements of the Major Problems format have been retained 14 to 15 chapters per volume chapter introductions headnotes and suggested readings New In Chapter 1 an exclusive essay by Kate Haulman examines the evolution of the field of women's history and the state of women's history today New Chapter 2 now focuses on Native American women while a new Chapter 3 covers witches and their accusers in New England and the Salem witch trials New Chapter 6 draws on recent scholarship on the roles of ordinary and elite women in the numerous reform movements of the Early Republic Revised Chapter 7 rethinks and refocuses the text's coverage of women's roles in slavery and the Civil War and more directly addresses the lives of African American women during and after slavery New Post 1960 coverage in Chapters 15 16 has been thoroughly revised to highlight the women's movement women's health recent immigration and economic changes affecting women American Paradox Since 1945 and Griffith Major Problems in American History, Second Edition Steven M. Gillon, 2003-03-01 **Major Problems in American Colonial History** Karen Ordahl Kupperman, 1993 **Major Problems in American Foreign Relations** Thomas G. Paterson, Dennis Merrill, 1995 *Major Problems in the History of World War II* Mark A. Stoler, Melanie S. Gustafson, 2003 This text presents a carefully selected group of readings that allow students to evaluate primary sources test the interpretations of distinguished historians and draw their own conclusions The volume covers World War II from the homefront and the battlefield examining both the military and social impact of the war Major Problems in American History: Since 1865 Elizabeth Cobbs Hoffman, Jon Gjerde, 2006 Designed to encourage critical thinking about history this book introduces students to both primary sources and analytical essays on important topics in US history It contains primary documents secondary sources chapter introductions separate introductions to documents and essays in every chapter

bibliographies and documentation of sources *Major Problems in American History 1920 to 1945 and Major Problems in World War 1* Gordon,1999-01-01 **Major Problems in the Gilded Age and the Progressive Era** Leon Fink,1993 This text presents a carefully selected group of readings on topics such as American capitalism and the Great War that allow students to evaluate primary sources test the interpretations of distinguished historians and draw their own conclusions

From publisher s description *Modern Motherhood* Jodi Vandenberg-Daves,2014-05-26 How did mothers transform from parents of secondary importance in the colonies to having their multiple and complex roles connected to the well being of the nation In the first comprehensive history of motherhood in the United States Jodi Vandenberg Daves explores how tensions over the maternal role have been part and parcel of the development of American society *Modern Motherhood* travels through redefinitions of motherhood over time as mothers encountered a growing cadre of medical and psychological experts increased their labor force participation gained the right to vote agitated for more resources to perform their maternal duties and demonstrated their vast resourcefulness in providing for and nurturing their families Navigating rigid gender role prescriptions and a crescendo of mother blame by the middle of the twentieth century mothers continued to innovate new ways to combine labor force participation and domestic responsibilities By the 1960s they were poised to challenge male expertise in areas ranging from welfare and abortion rights to childbirth practices and the confinement of women to maternal roles In the twenty first century Americans continue to struggle with maternal contradictions as we pit an idealized role for mothers in children s development against the social and economic realities of privatized caregiving a paltry public policy structure and mothers extensive employment outside the home Building on decades of scholarship and spanning a wide range of topics Vandenberg Daves tells an inclusive tale of African American Native American Asian American working class rural and other hitherto ignored families exploring sources ranging from sermons medical advice diaries and letters to the speeches of impassioned maternal activists Chapter topics include inventing a new role for mothers contradictions of moral motherhood medicalizing the maternal body science expertise and advice to mothers uplifting and controlling mothers modern reproduction mothers resilience and adaptation the middle class wife and mother mother power and mother angst and mothers changing lives and continuous caregiving While the discussion has been part of all eras of American history the discussion of the meaning of modern motherhood is far from over *American Patriotism, American Protest* Simon Hall,2011-06-06 During the 1970s and beyond political causes both left and right the gay rights movement second wave feminism the protests against busing to desegregate schools the tax revolt and the anti abortion struggle drew inspiration from the protest movements of the 1960s Indeed in their enthusiasm for direct action tactics their use of street theater and their engagement in grassroots organizing activists in all these movements can be considered children of the Sixties Invocations of America s founding ideals of liberty and justice and other forms of patriotic protest have also featured prominently in the rhetoric and image of these movements Appeals to the Declaration of Independence and the Bill of Rights

have been made forcefully by gay rights activists and feminists for instance while participants in the antibusing movement the tax revolt and the campaign against abortion rights have waved the American flag and claimed the support of the nation's founders In tracing the continuation of quintessentially Sixties forms of protest and ideas into the last three decades of the twentieth century and in emphasizing their legacy for conservatives as well as those on the left American Patriotism American Protest shows that the activism of the civil rights New Left and anti Vietnam War movements has shaped America's modern political culture in decisive ways As well as providing a refreshing alternative to the rise and fall narrative through which the Sixties are often viewed Simon Hall's focus on the shared commitment to patriotic protest among a diverse range of activists across the political spectrum also challenges claims that in recent decades patriotism has become the preserve of the political right Full of original and insightful observations and based on extensive archival research American Patriotism American Protest transforms our understanding of the Sixties and their aftermath

The Stevensons Jean H. Baker, 1997-06 Presents a portrait of four generations of the Stevenson family in America from the first Scotch Irish immigrants to the life and career of the noted liberal politician Adlai Stevenson

The Blitz Companion Mark Clapson, 2019-04-02 The Blitz Companion offers a unique overview of a century of aerial warfare its impact on cities and the people who lived in them It tells the story of aerial warfare from the earliest bombing raids and in World War 1 through to the London Blitz and Allied bombings of Europe and Japan These are compared with more recent American air campaigns over Cambodia and Vietnam in the 1960s and 1970s the NATO bombings during the Balkan Wars of the 1990s and subsequent bombings in the aftermath of 9 11 Beginning with the premonitions and predictions of air warfare and its terrible consequences the book focuses on air raids precautions evacuation and preparations for total war and resilience both of citizens and of cities The legacies of air raids from reconstruction to commemoration are also discussed While a key theme of the book is the futility of many air campaigns care is taken to situate them in their historical context The Blitz Companion also includes a guide to documentary and visual resources for students and general readers Uniquely accessible comparative and broad in scope this book draws key conclusions about civilian experience in the twentieth century and what these might mean for military engagement and civil reconstruction processes once conflicts have been resolved

The Age of Great Dreams David Farber, 2025-10-16 In this book David Farber grounds our understanding of the extraordinary history of the 1960s by linking the events of that era to our country's grand projects of previous decades Farber's important study based on years of research in archives and oral histories as well as in historical literature explores Vietnam the Civil Rights Act the War on Poverty the entertainment business the drug culture and much more

Reelpolitik Ideologies in American Political Film Beverly Merrill Kelley, 2012-03-22 In Reelpolitik Ideologies in American Political Film Beverly Merrill Kelley examines more than a century of political movie history providing a thorough historical background for diametrically opposed political ideologies in order to facilitate debate and dialectical learning Kelley explores 185 American political movies

categorized by ideological themes and presented in chronological order in order to illustrate the history of film as well as the history of the specific political ideology Each chapter includes a case study which provides an in depth analysis of the single film that best illustrates the ideology at hand including The Candidate populism Wall Street elitism The Godfather fascism All the President s Men anti fascism Patton interventionism and M A S H isolationism Reelpolitik Ideologies in American Political Film establishes a paradigmatic analysis of political films that details the cyclical nature of ideological dialectic throughout American history and identifies the values attitudes and beliefs of the voters who choose not to affiliate with Republicans and Democrats and who often determine the outcomes of elections The text also includes an extensive ideological filmology spanning more than 100 years of American cinema This study represents a bold investigation of the political and social values of American film and is an essential text in the study of the relationship between culture and politics

Well Beings James Riley,2024-03-28 James Riley author of the cult hit The Bad Trip Dark Omens New Worlds and the End of the Sixties returns with another incisive and thought provoking cultural history turning his trenchant eye to the wellness industry that emerged in the 1970s Concepts such as wellness and self care may feel like distinctly twenty first century ideas but they first gained traction as part of the New Age health movements that began to flourish in the wake of the 1960s Riley dives into this strange and hypnotic world of panoramic coastal retreats and darkened floatation tanks blending a page turning narrative with illuminating explorations of the era s music film art and literature Well Beings delves deep into the mind of the seventies its popular culture its radical philosophies its approach to health and its sense of social crisis It tells the story of what was sought what was found and how these explorations helped the Me Decade find itself In so doing it questions what good health means today and reveals what the seventies can teach us about the strange art of being well

Politics on a Human Scale Jeff Taylor,2013-09-27 Featuring a foreword by Congressman Glen Browder Politics on a Human Scale examines political decentralization in the United States from the founding of the republic to the present Part of the desirable equilibrium is a sense of proportionality Some sizes some amounts some levels are more appropriate than others Decentralism is the best political tool to ensure equilibrium to promote proportionality and to obtain appropriate scale Power distribution should be as wide as possible Government functions should be as close to the people as practicable In this way individual human beings are not swallowed by a monstrous Leviathan Persons are not at the mercy of an impersonal bureaucracy led by the far away few Decentralism gives us politics on a human scale It gives us more democracy within the framework of a republic The longest chapters in the book deal with crucial turning points in U S history specifically when decentralists lost the upper hand in the two major political parties Decentralism in our nation runs deep both intellectually and historically It also has considerable popular support Yet today it is a virtual political orphan In Washington neither major political party is serious about dispersing power to lower levels of government or to the people themselves Still there are dissident politicians and political movements that remain committed to the decentralist principle Power needs to be held in

check partly through decentralization because power holds a great and dangerous attraction for humans Recognition of this human tendency is the first step in guarding against it and getting back on a better path **Jamaica's Foreign Policy**

Stephen Vasciannie, Lisa Vasciannie, 2024-06-21 In the years since Independence in 1962 Jamaica's foreign policy has reflected the flux and reflux of international affairs There has been continuity in the midst of change and while the country has sought to deepen its traditional friendships and widen its network of allies it has also experienced occasions of externally determined crisis and major disagreement both within the Caribbean and in the wider world Bearing in mind the profound changes which have taken place in the international sphere since independence this book examines some of the main initiatives and responses which have characterised Jamaican foreign policy over the last sixty years

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Major Problems In American History Since 1945 Major Problems In American History full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Major Problems In American History Since 1945 Major Problems In American History eBooks, including some popular titles.

FAQs About Major Problems In American History Since 1945 Major Problems In American History Books

What is a Major Problems In American History Since 1945 Major Problems In American History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Major Problems In American History Since 1945 Major Problems In American History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Major Problems In American History Since 1945 Major Problems In American History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Major Problems In American History Since 1945 Major Problems In American History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Major Problems In American History Since 1945 Major Problems In American History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to

restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
