Making Feminist Politics Transnational Alliances Between Women And Labor:

Making Feminist Politics Suzanne Franzway, Mary Margaret Fonow, 2011-02-17 In this timely and detailed examination of the intersections of feminism labor politics and global studies Suzanne Franzway and Mary Margaret Fonow reveal the ways in which women across the world are transforming labor unions in the contemporary era Situating specific case studies within broad feminist topics Franzway and Fonow concentrate on union feminists mobilizing at multiple sites issues of wages and equity child care campaigns work life balance and queer organizing demonstrating how unions around the world are broadening their focuses from contractual details to empowerment and family and feminist issues By connecting the diversity of women s experiences around the world both inside and outside the home and highlighting the innovative ways women workers attain their common goals Making Feminist Politics lays the groundwork for recognition of the total individual in the future of feminist politics within global union movements Publisher description [The Sexual Politics of Gendered Violence and Women's Citizenship](#)

Suzanne Franzway, Nicole Moulding, Sarah Wendt, Carole Zufferey, Donna Chung, 2019-10-09 The challenge of violence against women should be recognised as an issue for the state citizenship and the whole community This book examines how responses by the state sanction violence against women and shape a woman s citizenship long after she has escaped from a violent partner Drawing from a long term study of women s lives in Australia including before and after a relationship with a violent partner it investigates the effects of intimate partner violence on aspects of everyday life including housing employment mental health and social participation The book contributes to theoretical explanations of violence against women by reframing it through the lens of sexual politics Finally it offers critical insights for the development of social policy and practice **Global Women's Work** Beth English, Mary E. Frederickson, Olga

Sanmiguel-Valderrama, 2018-12-07 This volume considers how women are shaping the global economic landscape through their labor activism and multiple discourses about work Bringing together an interdisciplinary group of international scholars the book offers a gendered examination of work in the global economy and analyses the effects of the 2008 downturn on women s labor force participation and workplace activism The book addresses three key themes exploitation versus opportunity women s agency within the context of changing economic options and women s negotiations and renegotiations of unpaid social reproductive labor This uniquely interdisciplinary and comparative analysis will be crucial reading for anyone with an interest in gender and the post crisis world **Sexual Orientation at Work** Fiona Colgan, Nick

Rumens, 2014-06-13 Sexual Orientation at Work Contemporary Issues and Perspectives brings together contemporary international research on sexual orientation and draws out its implications for lesbian gay bisexual trans and heterosexual employees and managers It provides new empirical and theoretical insights into sexual orientation employment discrimination and equality work in countries such as South Africa Turkey Australia Austria Canada US and the UK This book is novel in its focus on how sexual orientation intersects with other aspects of difference such as age class ethnicity and

disability It adopts new theoretical perspectives e g queer theory to analyze the rise of new gay friendly organizations and examines important methodological issues in collecting socio economic data about sexual minorities Providing an accessible account of key issues and perspectives on sexual orientation in the workplace Sexual Orientation at Work caters to a wide range of readers across business feminist and LGBT Queer Studies fields

Challenging Knowledge, Sex and Power

Julie E. Mills, Suzanne Franzway, Judith Gill, Rhonda Sharp, 2013-07-18 Women in the developed world expect to work in the labour force over the course of their lives On finishing school more girls are entering universities and undertaking professional training for careers than ever before Males and females enter many high status professions in roughly equal numbers However engineering stands out as a profession that remains obstinately male dominated Despite efforts to change little progress has been made in attracting and retaining women in engineering This book analyses the outcomes of a decade long investigation into this phenomenon framed by two questions Why are there so few women in engineering And why is this so difficult to change The study includes data from two major surveys accounts from female engineers in a range of locations and engineering fields and case studies of three large engineering corporations The authors explore the history and politics of several organisations related to women in engineering and conclude with an analysis of a range of campaigns that have been waged to address the issue of women s minority status in engineering Challenging Knowledge Sex and Power will be of great interest to students of feminist economics and is also relevant to researchers in women s studies and engineering education

Gender Raewyn Connell, 2020-11-10 How can we understand gender in the contemporary world What psychological differences now exist between women and men How are masculinities and femininities made And how is gender entwined in global politics and debates over trans issues Raewyn Connell one of the world's leading scholars in the field answers these questions and more Her book provides a sophisticated yet accessible introduction to modern gender studies covering empirical research from all parts of the world in addition to theory and politics As well as introducing the field *Gender* provides a powerful contemporary framework for gender analysis with a strong and distinctive global awareness Highlighting the multidimensional character of gender relations Connell shows how to link personal life with large scale organizational structures and how gender politics changes its form in changing situations The fourth edition of this influential book brings

the statistical picture of gender inequalities up to date and offers new close focus case studies of gender research Like previous editions it examines gender politics and global power relations but with added discussion around contemporary issues of intersectionality populism gender based violence trans struggles and environmental change It also speaks at the intimate level about embodied gender and personal relationships Gender moves from personal experience to global problems offering a unique perspective on gender issues today

Gender Equality in Public Services Hazel Conley, Margaret Page, 2014-11-13 The provision of state funded and democratically accountable care services represents one of the most potentially transformative advances in gendered social relations and equality for women by defamilizing care and providing paid work But the cost of providing these services which women have access to them and how they should be provided are always at the forefront of debate especially during economic crises Socially funded and publicly accountable care services are therefore a key site of feminist activity but also the frontline for spending cuts and reform during times of austerity *Gender Equality in Public Services* analyses how gender equality work in British public services is changing in response to factors including equality legislation the erosion of local democracy privatisation of public services and new forms of feminist activism and leadership It also assesses the challenges and opportunities for promoting women s equality in producing and using public services Impacting upon developed and developing economies the arguments in this challenging book explore the potential of equality and feminist activism and leadership for radical and transformational change It will appeal to advanced students researchers and practitioners interested in social policy feminist organization theory equal opportunities and gender mainstreaming practice

Myths about Women's Rights Feryal M. Cherif, 2015 How where and why do women s rights advance This book rigorously examines the implications of competing explanations and shows that conventional wisdom is often incomplete or incorrect It argues instead that advances in core rights are key to improving gender equality across the globe

What is Work? Raffaella Sarti, Anna Bellavitis, Manuela Martini, 2018-09-21 Every society throughout history has defined what counts as work and what doesn t And more often than not those lines of demarcation are inextricable from considerations of gender What Is Work offers a multi disciplinary approach to understanding labor within the highly gendered realm of household economies Drawing from scholarship on gender history economic sociology family history civil law and feminist economics these essays explore the changing and often contested boundaries between what was and is considered work in different Euro American contexts over several centuries with an eye to the ambiguities and biases that have shaped mainstream conceptions of work across all social sectors

Towards a Global History of Domestic and Caregiving Workers, 2015-05-26 Domestic and caregiving work has been at the core of human existence throughout history Poorly paid or even unpaid this work has been assigned to women in most societies and occasionally to men often as enslaved indentured adopted workers While some use domestic service as training for their own future independent households others are confined to it for life and try to avoid damage to their identities Part One
