Scandinavian Studies in Law Folke Fredrik Schmidt, 1957 *Scandinavian Studies in Law*, 2007 *Scandinavian Studies in Law* Folke Schmidt, 1961 *Scandinavian studies in law* 1974 Folke Schmidt, 1974 *Scandinavian Studies in Law* Folke Schmidt, 1957 *Scandinavian Studies in Law, Vol. 35* Anders Victorin, 1992 **The Language of Comparative Constitutional Law** Erika Arban, Maartje De Visser, Jeong-In Yun, 2025-10-02 This volume is the first in depth collection to explore the impact of language on the field of comparative constitutional law It addresses the epistemological and conceptual implications of English as the lingua franca In this regard it considers the global influence of Anglophone jurisdictions in orienting the discourse through the identification of concepts designs and ideas that warrant engagement and exploration outside of those origin jurisdictions In doing so the book underscores that language is not a neutral device but can produce hegemonic pressures and expectations It further makes the role of language in conducting comparative constitutional law explicit so that its users can be more deliberate in their selection of foreign materials and are made conscious of the limitations of their findings due to language barriers The book calls for a reckoning with the rich constitutional vocabulary that non Anglophone jurisdictions have to offer to ensure a more holistic approach to the creation of knowledge It also emphasises the need for the contextualised study of constitutional phenomena to appreciate how these are shaped by linguistic choices In addition to raising awareness about language s significance as an epistemological conceptual and methodological device the volume also puts forward constructive tools and techniques to harness language s potential making it an indispensable resource for scholars students lawmakers and judges Preclassical Conflict of Laws Nikitas E. Hatzimihail, 2021-07-22 To better appreciate present day private international law and its future prospects and challenges we should consider the history and historiography of the field This book offers an original approach to the study of conflict of laws and legal history that exposes doctrinal lawyers to historical context and legal historians to the intricacies of legal doctrine The analysis is based on an in depth examination of Medieval and Early Modern conflict of laws focusing on the classic texts of Bartolus and Huber Combining theoretical insights textual analysis and historical perspectives the author presents the preclassical conflict of laws as a rich world of doctrines and policies theory and practice context and continuity This book challenges preconceptions and serves as an advanced introduction which illustrates the relevance of history in commanding private international law while aspiring to make private international law relevant for history **Researching Resistance and Social Change** Mikael Baaz, Mona Lilja, Stellan Vinthagen, 2017-11-13 Resistance has often been connected with anti social attitudes destructiveness reactionary or revolutionary ideologies unusual and sudden explosions of violence and emotional outbursts This book goes beyond these conventions Exploring various key questions ranging from concept definitions of affect and temporality to complex entanglements of various social dimensions and ethical questions this

accessible guide provides a robust theoretical and methodological framework for researching of resistance and social change By drawing connections between resistance and politics between performance and everyday strategies and between the juridical and its counter strategies this book provides students with a transdisciplinary understanding of contemporary debates in this emerging field **Scandinavian Studies in Law, Vol. 2** Folke Schmidt,1958 **Proceedings of the National Conference on the Current State of the Art in High Blood Pressure Control as Applied to Rural Communities** ,1980 **Place of Performance** Chukwuma Okoli,2020-05-28 This book provides an unprecedented analysis on the place of performance The central theme is that the place of performance is of considerable significance as a connecting factor in international commercial contracts This book challenges and questions the approach of the European legislator for not explicitly giving special significance to the place of performance in determining the applicable law in the absence of choice for commercial contracts It also contains inter alia an analogy to matters of foreign country mandatory rules and the coherence between jurisdiction and choice of law It concludes by proposing a revised Article 4 of Rome I Regulation which could be used as an international solution by legislators judges arbitrators and other stakeholders who wish to reform their choice of law rules **Recueil Des Cours, Collected Courses 1980** ,1984-05-28 Scandinavian Studies in Law Per Olof Bolding,Torstein Eckhoff,Bernhard Gomard,Stig Jägerskiöld,V. Malloch,Bill Munro,2013 Since democracies are relatively new in Eastern Europe and little has been written much can be learned from looking at the distinctive developments in both legal transitions and the process of criminalization This book brings together recent work from researchers and academics engaged in theory policy and practice and offers a significant contribution to the study of transition in the fields of criminology law philosophy and political science and a critical analysis of future directions in criminalisation in the emerging democratic states of Eastern Europe **Digital Access and E-Government: Perspectives from Developing and Emerging Countries** Mothataesi Sebina, Peter Mazebe II,Moahi, Kgomotso Hildegard,Bwalya, Kelvin Joseph,2014-03-31 Access to government information faces many roadblocks in developing and emerging economies due to lack of appropriate legal frameworks and other requisite information laws However there is hope that many countries are now recognizing the importance of providing access to public information resources Digital Access and E Government Perspectives from Developing and Emerging Countries explores the relationships that exist between access to information laws and e government It shares the strategies used in encouraging access to information in a variety of jurisdictions and environments to be of use to e government designers and practitioners policymakers and university professors *Comparative Law* Uwe

Kischel,2019-02-21 Uwe Kischel's comprehensive treatise on comparative law offers a critical introduction to the central tenets of comparative legal scholarship. The first part of the book is dedicated to general aspects of comparative law. The controversial question of methods in particular is addressed by explaining and discussing different approaches and by developing a contextual approach that seeks to engage with real world issues and takes a practical perspective on contemporary comparative legal scholarship. The second part of the book offers a detailed treatment of the major legal contexts across the globe including common law civil law systems based on Germany and France and extended to Eastern Europe Scandinavia and Latin America among others the African context with an emphasis on customary law different contexts in Asia Islamic law and law in Islamic countries plus a brief treatment of Jewish law and canon law and transnational contexts public international law European Union law and lex mercatoria. The book offers a coherent treatment of global legal systems that aims not only to describe their varying norms and legal institutions but to propose a better way of seeking to understand how the overall context of legal systems influences legal thinking and legal practice.
