of Gender Violence focuses on how a once visionary feminist project has folded itself into contemporary world affairs Combating violence against women and gender based violence constitutes a highly visible and powerful agenda enshrined in international governance and law and embedded in state violence and global securitization Case studies on Palestine Bangladesh Iran India Pakistan Israel and Turkey as well as on UN and US policies trace the silences and omissions along with the experiences of those subjected to violence to question the rhetoric that claims the agenda as a feminist success story Because religion and racialized ethnicity particularly the Muslim question run so deeply through the institutional structures of the agenda the contributions explore ways it may be affirming or enabling rationales and systems of power including civilizational hierarchies that harm the very people it seeks to protect Contributors Lila Abu Lughod Nina Berman Inderpal Grewal Rema Hammami Janet R Jakobsen Shenila Khoja Moolji Vasuki Nesiah Samira Shackle Sima Shakhsari Nadera Shalhoub Kevorkian Dina M Siddiqi Shahla Talebi Leti Volpp Rafia Zakaria *Diaries of Katherine Mansfield* Gerri Kimber, 2016-02-28 Resituates Katherine Mansfield as an observant diarist chronicler of her times and erudite reader of English and European literatures **Moore's Rural New-Yorker**, 1907 God, the Devil and Me Valerie Georgeson, 2022-02-25 A chronicle of lived experience this astonishing book is a biographical exposé its ultimate theme the great battle of the last days the final war between God and the Devil Drawing on her journals Valerie tells how at the height of a successful career as writer and actress she suddenly disappeared An innocent seeker of God unaware of the pitfalls or the unrelenting opposition of the devil Valerie had strayed into an Indian sect where its female guru learning of her vocation to write a book for God feared her as a potential whistleblower Vowing to stop Valerie writing she attacks her with magic and occult powers Now the writing of the book itself becomes the battlefield Converted to Catholicism and escaped to France Valerie is helped by an exorcist And God giving her the added vocation to pray for souls lost in sects comes to her in the Eucharist fighting alongside granting moments lifted into bliss and finally breaking the bondage Thirty years on the past erased experience with Valerie the inside story **Project Management: It's All Bollocks!** Susie Palmer-Trew, Peter Taylor, 2019-12-05 Welcome to Project Management It's All Bollocks where two people who vaguely know each other and barely like each other will pick over the sadly inadequate body of knowledge that is project management today and generally challenge just about everything eliminating that which you don't need to bother to learn about or should already know leaving you only with the parts that will give you the results you want This book is a shakedown of project management the profession the myths it creates and promotes its great ideas and ambitions and a few ropey bits that we're just not convinced about The project management profession continues to grow and mature but is at risk of excluding those who don't fit the mould There is a mystique out there that only certificated project managers can be project managers This is nonsense The project management skill set is accessible to anyone and how you choose to access it and put it to use should remain the decision of the individual There shouldn't be a right or wrong choice This book is targeted at those projects as usual project
