You Are Not Alone Jermaine Jackson,2011-09-13 A profile of the late performing artist by his brother traces their shared childhoods Michael s meteoric rise to fame the scandals that overshadowed his career and the private dynamics behind his public persona and tragic early death Now I Know I Am Not Alone Frank Danza,2019-06-05 Frank Danza is an ordinary business executive As he approached his fiftieth birthday he lived what many might consider a charmed life great career happy marriage two beautiful and talented daughters and hopes for an early retirement In the blink of an eye that life was challenged with an unexpected diagnosis of a rare and deadly cancer After a deeply spiritual and personal encounter some six years after his diagnosis and surgery Frank began to wonder how he was able to thus far beat the odds Why was he still alive He realized that he had made some unusual decisions during the course of his life that might hold the answer to his questions How was it that he decided against his better judgment to pursue a career in healthcare consulting at a firm that he never intended to join Why did he make the unlikely decision to accept a position at a not for profit healthcare system where he learned about the cancer that would later invade his body months before it happened From the surgeon that would

eventually save his life How did he come to develop an unpredictable friendship with a healer who taught him how to be a better husband and father and that the mind can heal the body and who facilitated his deeply spiritual and personal encounter with our Blessed Mother In Now I Know I Am Not Alone Frank Danza makes the compelling case that through divine intervention he was inspired to make uncanny decisions throughout his life that prepared him for his cancer diagnosis surgery and treatment He shares six specific stories recounting events in his life that each culminated in what he describes as miracle inspired decisions These everyday miracles led him through a life path that would save his life decades after they began and make him a better husband father and friend The more we learn about his life the more we come to understand that miracle inspired decisions don t only happen to Frank they are gifts offered to all of us His stories require us all to ponder the profound gift of free will consider the reality of a superior being and embrace our innate ability to choose hope over despair even in the most dire of circumstances
