Jordan Raynor,2023-09-26 Manage your time the way Jesus managed his with a biblical antidote to swamped to do lists and hurried schedules A highly practical road map Mark Batterson New York Times bestselling author and lead pastor of National Community Church Despite the overwhelming amount of resources for time management and work life balance the ability to cultivate the efficiency and equilibrium needed to manage all our worthy pursuits can often feel frustratingly out of reach The reason for our struggle is that productivity and time management systems focus on individual habits rather than more meaningful and lasting lifestyle changes But as it turns out there is a better way to reach our full potential We don t need just another approach to changing our habits What we need is an operating system that takes into account the full scope of our lives In these pages bestselling author Jordan Raynor presents this system using seven powerful time

management principles drawn from the example of how Jesus lived 1 Start with the Word Find meaningful connection with the author of time daily 2 Let Your Yes Be Yes Accept only the commitments you can fulfill 3 Dissent from the Kingdom of Noise Create room for silence stillness and reflection 4 Prioritize Your Yeses Confidently maintain your commitments 5 Accept Your Unipresence Focus on one important thing at a time 6 Embrace Productive Rest Live the God designed rhythms of rest which are productive for our goals and souls 7 Eliminate All Hurry Embrace productive busyness while ruthlessly eliminating hurry from our lives With these principles you ll see how Jesus managed his time on earth and how he responded to human constraints much like the ones you face today More than that you ll discover corresponding practices that will help you embrace the best most Christlike version of yourself possible purposeful present and wildly productive *Z'khut Rising* Jeanne G. free spirit Franco argues that in their more favorable attitude toward reason science and the Enlightenment these works mark a sharp departure from Nietzsche's earlier more romantic writings and differ in important ways from his later more prophetic writings beginning with *Thus Spoke Zarathustra*. The Nietzsche these works reveal is radically different from the popular image of him and even from the Nietzsche depicted in much of the secondary literature they reveal a rational Nietzsche one who preaches moderation instead of passionate excess and Dionysian frenzy. Franco concludes with a wide ranging examination of Nietzsche's later works tracking not only how his outlook changes from the middle period to the later but also how his commitment to reason and intellectual honesty in his middle works continues to inform his final writings.
