DiFranco,2024-01-08 If you feel your life is out of control and that you are depressed anxious unhappy and lost this book can show you a way out The only things that you control are things for which you are in some way responsible People spend a great deal of time telling themselves and others how their problems are not their fault If that is true then their circumstance can only change if and when the responsible entity decides to ease up on them which may never happen On the other hand if you are in some way responsible it is you who controls when you ease up When your unhappy circumstance is truly not your fault then you are a victim of whomever is in fact responsible Allowing for the fact that there exists no happy victims you are doomed to the consequences associated with being trapped in victimhood This book can lead you out of this form of torture and misery It can provide a pathway for taking control of your life and not shying away from the very thing you have always feared the thing that can free you from being a victim namely owning as much responsibility for your unhappy circumstances as possible The methods of thinking and perception encouraged in these pages can and likely will offer life changing relief from the depressing and anxiety provoking world to which your current method of dealing dooms you It's All Your Fault!
