*J.R.R. Tolkien* Tom Shippey, 2014-02-21 The definitive Tolkien companion an indispensable guide to *The Hobbit* *The Lord of the Rings* and more from the author of *The Road to Middle earth* This highly erudite celebration and exploration of Tolkien's works is enormous fun declared the *Houston Chronicle* and Tom Shippey a prominent medievalist and scholar of fantasy deepens your understanding without making you forget your initial purely instinctive response to Middle earth and hobbits In a clear and accessible style Shippey offers a new approach to Tolkien to fantasy and to the importance of language in literature He breaks down *The Lord of the Rings* as a linguistic feast for the senses and as a response to the human instinct for myth Elsewhere he examines *The Hobbit*'s counterintuitive relationship to the heroic world of Middle earth demonstrates the significance of *The Silmarillion* to Tolkien's canon and takes an illuminating look at lesser known works in connection with Tolkien's life Furthermore he ties all these strands together in a continuing tradition that traces its roots back through *Grimms Fairy Tales* to *Beowulf* Shippey's commentary is the best so far in elucidating Tolkien's lovely myth wrote *Harper's Magazine* *J R R Tolkien Author of the Century* is a triumph *Chicago Sun Times* that not only gives readers a deeper understanding of Tolkien and his work but also serves as an entertaining introduction to some of the most influential novels ever written *J.R.R. Tolkien* T. A. Shippey, 2002 Analyzes Tolkien's *The Hobbit* *The Lord of the Rings* *The Silmarillion* and his lesser works and explains how his works tie into storytelling tradition dating back to *Grimms fairy tales* and *Beowulf*

**J.R.R. Tolkien: Author of the Century** T. A. Shippey, 2002-09-01 The definitive critical study of Tolkien's greatest works and a timely companion to the world of Middle earth The core of the book examines Tolkien's novels as linguistic maps with meaning and myth and products of Tolkien's experiences as a combat veteran and artist **The Lord of the Rings** Harold Bloom, 2008 Presents a collection of critical essays discussing Tolkien's epic fantasy *Tolkien in the Twenty-First Century* Nick Groom, 2023-09-05 An original and thought provoking reassessment of J R R Tolkien's world revealing how his visionary creation of Middle Earth is more relevant now than ever before What is it about Middle Earth and its inhabitants that has captured the imagination of millions of people around the world And why does Tolkien's visionary creation continue to fascinate and inspire us eighty five years after its first publication Beginning with Tolkien's earliest influence and drawing on key moments from his life *Tolkien in the Twenty First Century* is an engaging and vibrant reinterpretation of the beloved author's work Not only does it trace the genesis and inspiration for the original books but the narrative also explores the later film and literary adaptations that have cemented his reputation as a cultural phenomenon Delving deep into topics such as friendship failure the environment diversity and Tolkien's place in a post Covid age Nick Groom takes us on an unexpected journey through Tolkien's world revealing how it is more relevant now than perhaps Tolkien himself ever envisioned

**Tolkien in the New Century** John Wm. Houghton, Janet Brennan Croft, Nancy Martsch, 2014-06-04 Widely considered one of the leading experts on the works of J R R Tolkien Thomas Alan Shippey has informed and enlightened a generation of

Tolkien scholars and fans In this collection friends and colleagues honor Shippey with 15 essays that reflect their mentor's research interests methods of literary criticism and attention to Tolkien's shorter works In a wide ranging consideration of Tolkien's oeuvre the contributors explore the influence of 19th and 20th century book illustrations on Tolkien's work utopia and fantasy in Tolkien's Middle earth the Silmarils the Arkenstone and the One Ring as thematic vehicles the pattern of decline in Middle earth as reflected in the diminishing power of language Tolkien's interest in medieval genres the heroism of secondary characters and numerous other topics Also included are brief memoirs by Shippey's colleagues and friends in academia and fandom and a bibliography of Shippey's work *J.R.R. Tolkien , Tolkien's Intellectual Landscape* E.L. Ridsen, 2015-03-18 The work of J R R Tolkien has had a profound effect on contemporary fiction and filmmaking Often disparaged by critics Tolkien's fiction created a market for the fantasy trilogy and his academic work represents an innovative contribution to the field of philology In the 20th century his fiction bridged the gap between learned and popular readerships Today the fantasy genre continues to grow even as publishers cut back on creative fiction moving energetically into film gaming and online fan fiction This book describes how Tolkien's imaginative landscape continues to entertain and inspire drawing new generations to Middle earth **How to Misunderstand Tolkien** Bruno Bacelli, 2022-09-17 J R R Tolkien is an author beloved by many but people forget the hostile reception of his work from several literary critics who despised and some who continue to despise him and his readers Other intellectuals and critics have a more positive opinion of his work but some read aspects of his books or his beliefs to fit their own agendas Over the decades scholars have claimed that Tolkien represents a myriad of sometimes contradictory political positions Whether these scholars act out of disdain for Tolkien or from a simple misread of his works the outcome is a muddled distortion of who Tolkien really was This book peels back the discourse in an attempt to reveal the true nature of an author who so often defies categorization Using all possible nuance chapters explore the villains of Lord of the Rings its female heroines and its moral compass as well as its definitions of heroism and failure This book hopes to provide a uniquely accurate and objective assessment of one of the most misunderstood writers of our time *The Road Goes Ever On and On* Jeb Smith, 2023-04-12 Engrossing Tolkien's principles patriotism Medievalism localism Catholicism are certainly out of fashion today And yet they're the foundation for all his books which have sold hundreds of millions of copies Mr Smith does a wonderful job of explaining why modern readers are so enthralled by Tolkien's reactionary vision Whether you're a casual Lord of the Rings fan or a serious Tolkien scholar every page of Mr Smith's book will delight and fascinate And if anyone ever tells you that fairy tales are only for children hand him this book Tolkien ought to be regarded as one of the great social critics of our time as Mr Smith so masterfully demonstrates Michael Warren Davis is an editor for Sophia Institute Press and the author of *The Reactionary Mind Why Conservative Isn't Enough* You can find him on his blog *The Common Man* As the popularity of Tolkien's work continues to endure the importance of Jeb Smith's work continues to grow This is because of a prolonged siege against Tolkien's work the attempt to

dislodge it from its Christian and Biblical foundations Jeb Smith's insights are immensely helpful to this and future generations of Tolkien admirers Scott L Smith author of *Lord of the Rings and the Eucharist* J R R Tolkien's Middle earth has captured the imaginations of millions of readers around the world for generations He is considered the father of modern fantasy but few understand how Tolkien's worldview impacted his mythology *The Road Goes Ever On and On* is the first book of its kind to place Tolkien within his proper context giving the reader a deeper understanding of Tolkien and Middle earth Smith takes us on a quest through a wide range of Tolkien's writings to unlock Tolkien's perspective a perspective that like the elves who have sailed into the West leaving Middle earth has faded away from our world You will gain an in depth knowledge of Tolkien's views on politics environmentalism religion and much more From the Valar to Hobbits the free peoples closely follow Tolkien's sentiments In contrast forces under the Shadow represent what Tolkien believed was immoral Covering a wide range of topics *The Road Goes Ever On and On* is filled with breathtaking illustrations bringing Middle earth to life like never before making this the one book to rule them all **As If** Michael Saler,2012-01-09 Many people throughout the world inhabit imaginary worlds communally and persistently parsing Harry Potter and exploring online universes These activities might seem irresponsibly escapist but history tells another story Beginning in the late nineteenth century when Sherlock Holmes became the world's first virtual reality character readers began to colonize imaginary worlds debating serious issues and viewing reality in provisional as if terms rather than through essentialist just so perspectives From Lovecraft's Cthulhu Mythos and Tolkien's Middle earth to the World of Warcraft and Second Life *As If* provides a cultural history that reveals how we can remain enchanted but not deluded in an age where fantasy and reality increasingly intertwine *From Homer to Harry Potter* Matthew T. Dickerson,David O'Hara,2006-05 Drawing from a viewpoint informed by C S Lewis and J R R Tolkien Matthew Dickerson and David O Hara explore the influence and importance of ancient biblical narrative Greek mythology Arthurian legend and other works of Faerie on our literary culture They discuss how myth and fantasy offer profound insights into truth and provide sound assessment of modern authors such as Philip Pullman Walter Wangerin and J K Rowling **BOOK JACKET** **International Companion Encyclopedia of Children's Literature** Peter Hunt,2004-08-02 Children's publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization **New Zealand Medievalism** Anna Czarnowus,Janet M. Wilson,2024-04-30 This volume maps the phenomenon of medievalism in Aotearoa initially as an import by the early white settler society and as a form of nation building that would reinforce Britishness and ancestral belonging This colonial narrative underpins the volume's focus on the imperial relationship in chapters on the academic study of the Middle Ages on medievalism in film and music in manuscript and book collections and colonial stained glass and architecture Through the alternative 21st century frameworks of a global Middle Ages and Aotearoa's bicultural nationalism the volume also introduces Maori understandings of the ancestral past

that parallel the European epoch and at the opposite end of the spectrum the phenomenon of global right wing medievalism as evidenced in the Alt right extremism underpinning the Christchurch mosque attack of 2019 The 11 chapters trace the transcultural moves and networks that comprise the shift from the 20th century study of the Middle Ages as an historical period to manifestations of medievalism as the reception and interpretation of the medieval past in postmedieval times Collectively these are viewed as indications of the changing public perception about the meaning and practice of the European heritage from the colonial to contemporary era The volume will appeal to educationists scholars and students interested in the academic history of the Middle Ages in New Zealand enthusiasts of film music and performance of the medieval members of the public interested in Aotearoa s history and popular culture and all who enjoy the colourful reinventions of medievalism

**The Europa Directory of Literary Awards and Prizes** Europa,2015 Error and the Academic Self Seth Lerer,2003-03-17 How and why did the academic style of writing with its emphasis on criticism and correctness develop Seth Lerer suggests that the answer lies in medieval and Renaissance philology and more specifically in mistakes For Lerer erring is not simply being wrong but being errant and this book illuminates the wanderings of exiles migr s dissenters and the socially estranged as they helped form the modern university disciplines of philology and rhetoric literary criticism and literary theory Examining a diverse group that includes Thomas More Stephen Greenblatt George Hickes Seamus Heaney George Eliot and Paul de Man Error and the Academic Self argues that this critical abstraction from society and retreat into ivory towers allowed estranged individuals to gain both a sense of private worth and the public legitimacy of a professional identity *Narnia, Middle-Earth and The Kingdom of God* Mark Worthing,2016-12-29 *Narnia Middle Earth and the Kingdom of God* tells the story of fantasy literature within the context of its complex relationship with the Christian tradition In this book Worthing looks at early influences on the genre including European fairy tales and folklore Northern and classical mythology and Christian allegory He also explores the contours of a variety of fantasy worlds from MacDonald s Faerie Lewis Narnia and Tolkien s Middle Earth to LeGuin s Earthsea Pratchett s Discworld and Rowling s world of Hogwarts In these worlds and many more we discover themes such as the battle between good and evil the question of the existence of God and the problem of suffering Fantasy fans of all religious persuasions will find in this book a delightful and informative exploration of the rich history and profound themes of the fantasy genre

**Presentations of the 29th Annual SW/Texas Regional Meeting of the Popular Culture and American Culture Association** Gypsy Elaine Teague,2008-12-18 Gender is an often misunderstood subject area even within the discipline even to those who teach and write about it One of my presenters when she first approached me to present at the conference asked What does my paper really have to do with gender To me the answer was obvious everything has to do with gender Gender is everywhere from the cradle to the grave What color blanket are we given at birth What clothes are we laid out in at death We are bombarded with advertisements specifically targeted at our gender either male female or somewhere in between We are judged by our

gender which is often synonymous with our sex although in many of the presentations through the years it is becoming evident that more and more people understand the difference Our clothing food entertainment and reading material are all tied to gender in one form or another Gender is like the air It is all around us seldom thought of but always present In an area that spans literature politics sex religion and personal choices it is hard to get finite and clear cut delineations The contributors are the main focus here and I have just been the ringmaster of this incredible circus of ideas Without them this could never have gone to press and it is all our hopes that you enjoy the volume and take something away from it that you did not anticipate

**Song of the Vikings** Nancy Marie Brown, 2012-10-30 A wonderfully evocative biography of the 13th century Icelandic writer and chieftain who wrote the immortal stories of Thor Odin Valhalla and Ragnar k Guardian UK Much like Greek and Roman mythology Norse myths are still with us Famous storytellers from JRR Tolkien to Neil Gaiman have drawn their inspiration from the long haired mead drinking marauding and pillaging Vikings But few of us know much about the creator of these immortal heroes a thirteenth century Icelandic chieftain by the name of Snorri Sturluson Like Homer Snorri was a bard writing down and embellishing the folklore and pagan legends of medieval Scandinavia Unlike Homer Snorri was a man of the world a wily political power player one of the richest men in Iceland who came close to ruling it and even closer to betraying it In Song of the Vikings award winning author Nancy Marie Brown brings Snorri Sturluson s story to life in a richly textured narrative that draws on newly available sources

Confronting Tyranny Toivo Koivukoski, David Tabachnick, 2005-12-22 Motivated by the reentry of tyranny into political discourse and political action this new collection of essays compares ancient and contemporary accounts of tyranny in an effort to find responses to current political dilemmas and enduring truths Identified by Plato and Aristotle as the worst kind of regime the concept of tyranny was called into question during the Enlightenment and finally rejected in the 20th century as questions of good and evil were separated from facts the proper domain for political science However in our globally interconnected world tyrants are no longer dangerous solely to their subjects and neighbors but to all Confronting Tyranny brings together distinguished scholars to explore the lessons of classical political philosophy for the present political crisis of understanding and action
