I.S. Bach Cello Suites Transcribed and Edited for Solo Trumpet David Cooper, 2008-09-01 Because the modern trumpet is a rather recent invention mid 1800s there is a real lack of literature written specifically for the instrument by many of historys most important composers or past masters Current scholars and trumpet enthusiasts are actively adapting early concerti or sonatas for the trumpet that were originally written for other instruments like violin flute oboe and recorder There are many trumpet etude books available today but there simply is no substitute for working on the music of a master Two Performance CDs are included with this book allowing the player to hear a complete professional performance of the Selected Movements for Solo Trumpet Transcribed from the Cello Suites, Selected Movements for Solo Trumpet music transcribed from the Cello Suites presents a carefully curated selection of twelve movements from Bach s Six Suites for Solo Violoncello BWV 1007 1012 expertly transcribed for B flat trumpet by Jonathan Freeman Attwood who translates Bach s musical language in a compelling idiom for the instrument Selected to be suitable for intermediate to advanced level players this edition also includes a detailed Preface Critical Commentary and Further Reading This selection offers trumpet players an accessible entry point into Bach's iconic Cello Suites featuring pieces that can be approached with relative ease by those developing technical proficiency and musical assurance Guide to the Euphonium Repertoire R. Winston Morris, Lloyd E. Bone, Jr., Eric Paull, 2007-03-01 Guide to the Euphonium Repertoire is the most definitive publication on the status of the euphonium in the history of this often misunderstood and frequently under appreciated instrument This volume documents the rich history the wealth of repertoire and the incredible discography of the euphonium Music educators composers arrangers instrument historians performers on other instruments and students of the euphonium baritone horn tenor tuba etc will find the exhaustive research evident in this volume s pages to be compelling and comprehensive Contributors are Lloyd Bone Brian L Bowman Neal Corwell Adam Frey Marc Dickman Bryce Edwards Seth D Fletcher Carroll Gotcher Atticus Hensley Lisa M Hocking Sharon Huff Kenneth R Kroesche R Winston Morris John Mueller Michael B O Connor Eric Paull Joseph Skillen Kelly Thomas Demondrae Thurman Matthew J Tropman and Mark J Walker The Cello Suites Eric Siblin, 2011-01-04 An award winning journey through Johann Sebastian Bach's six cello suites and the brilliant musician who revealed their lasting genius One fateful evening journalist and pop music critic Eric Siblin attended a recital of Johann Sebastian Bach's Cello Suites an experience that set him on an epic quest to uncover the mysterious history of the entrancing compositions and their miraculous reemergence nearly two hundred years later In pursuit of his musicological obsession Siblin would unravel three centuries of intrigue politics and passion Winner of the Mavis Gallant Prize for Non fiction and the McAuslan First Book Prize The Cello Suites weaves together three dramatic narratives the disappearance of Bach s manuscript in the eighteenth century Pablo Casals s discovery and popularization of the music in Spain in the late nineteenth century and Siblin's infatuation with the suites in the present day The search led Siblin to Barcelona where Casals just

thirteen and in possession of his first cello roamed the backstreets with his father in search of sheet music and found Bach s lost suites tucked in a dark corner of a store Casals played them every day for twelve years before finally performing them in public Siblin sheds new light on the mysteries that continue to haunt this music more than 250 years after its composer s death Why did Bach compose the suites for the cello then considered a lowly instrument What happened to the original manuscript A seamless blend of biography and music history The Cello Suites is a true life journey of discovery fueled by the power of these musical masterpieces The ironies of artistic genius and public taste are subtly explored in this winding entertaining tale of a musical masterpiece Publishers Weekly Siblin's writing is most inspired when describing the life of Casals showing a genuine affection for the cellist who used his instrument and the suites as weapons of protest and pleas for peace Booklist starred review Bach's Cello Suites, Volumes 1 and 2 Allen Winold, 2007-05-10 J S Bach's Suites for Unaccompanied Cello are among the most cherished and frequently played works in the entire literature of music and yet they have never been the subject of a full length music analytical study.
