Get a behind the scenes glimpse of what it takes to be considered one of the worst figures in history with this second book in a brand new nonfiction series that focuses on the most nefarious historical figures. In 1888 London was terrorized by a mysterious man with a knife. Between the end of August and beginning of November this man committed five known murders possibly more. Then just as suddenly as they started the killings stopped. Dubbed Jack the Ripper by the press, he slipped through the dark foggy streets of London's Whitechapel district targeting women and leaving no witnesses and no clues as to his identity. The police were stumped. The press went wild. But no one could find Jack the Ripper. Even today Jack the Ripper continues to fascinate. Amateur detectives known as Ripperologists, books, movies, and walking tours all focus on one question: who was Jack the Ripper? Get a little closer to finding out with this biography that takes a deeper look at Jack the Ripper because while he may be one of history's worst people, his legend lives on.

The True Face of Jack the Ripper Melvin Harris, 1999 **The Big Book of Jack the Ripper** Otto Penzler, 2016-10-04

Edgar Award winning editor Otto Penzler's latest anthology takes its inspiration from the historical enigma whose name has become synonymous with fear: Jack the Ripper. Of the real-life serial killers whose gruesome acts have been splashed across headlines, none has reached the mythical status of Jack the Ripper. In the Ripper's wake, terror swept through the streets of London's East End in the fall of 1888. As quickly as his nightmarish reign came, Saucy Jack vanished without a trace, leaving future generations to speculate upon his identity and whereabouts. He was diabolical in a way never seen before: a killer who taunted the police, came up with his own legendary monikers, and ultimately got away with his heinous crimes. More than a century later, the man from hell continues to live on in the imaginations of readers everywhere and in some of the most spectacularly unnerving stories, both fiction and nonfiction, ever written. The Big
