Jacques Molai Grand Maitre Templiers:

Jacques de Molay Philippe Josserand, 2019 English summary Even today Jacques de Molay continues to fascinate Of the twenty three Grand Masters who succeeded each other as head of the Order of the Temple from 1120 to 1312 he is undoubtedly the only one still recalled by history buffs Maurice Druon's book *Les Rois maudits* immortalized him and recent works from the *Da Vinci Code* to *Assassin's Creed* have spread his name throughout the world Although he may be rooted in myth Jacques de Molay has hardly captivated historians He is an unknown celebrity typically disparaged about whom much is still uncertain even his key dates his birth election and even his death Traces of his actions however are far from sparse It is these sources that the author has systematically studied and compared to various existing memoirs which promise to throw new light on the Grand Master rid of stereotypes Jacques de Molay can finally emerge from the shadows This book is divided into three parts The first deals with representations of the dignitary revealing how from the early 19th century on an archetype of him as a tragic hero came about The second beyond the character focuses on the man and explores the path of his life to establish how he became the leader of the Temple with whose fate from the Holy Land to the jails of Philippe le Bel he identified Lastly Jacques de Molay's commitments form the core of the third part His support of the Latin East and the defense of his Order which he strove to adapt as best he could to a situation fraught with perils were the priorities of a staunch and enterprising man one very unlike the inept person that too many authors describe Thus even through the torment of the Temple trial he tried to ward off risk in order to safeguard his institution and once the latter's destruction was decided and decreed to preserve its memory as he confronted the judges and death He did this on March 11 1314 retracting some of the confessions that had been extracted from him while under torture six and one half years earlier prepared to face being burned at the stake and to make this ultimate sacrifice of his life for which posterity avenged him by seeing in his death with the passing centuries the compelling case of a martyr Philippe Josserand who holds an agregation in History and is a former member of *Ecole Normale Supérieure* is today a senior lecturer in the History of the Middle Ages at *Université de Nantes* A recognized expert in the Crusades and military orders he coordinated with Nicole Beriou *Prier et combattre Dictionnaire européen des ordres militaires au Moyen Age* Fayard 2009 and recently co directed *The Templars and their Sources* Routledge 2017 *Entre horizons terrestres et marins Sociétés campagnes et littoraux de l'Ouest atlantique* PUR 2017 and *A la rencontre de l'Autre au Moyen Age* PUR 2017 French description Jacques de Molay fascine Parmi les vingt trois grands maitres qui se sont succede a la tete de l'ordre du Temple entre 1120 et 1312 il est sans doute le seul dont le public conserve la memoire *Les Rois maudits* de Maurice Druon l'ont immortalise et de recents supports du *Da Vinci Code* a *Assassin's Creed* ont repandu son nom dans le monde entier Pourtant s'il est ancre dans le mythe Jacques de Molay n'a guere captive les historiens Il est un inconnu celebre d'ordinaire deprecie sur lequel bien des incertitudes persistent jusque pour ses dates essentielles sa naissance son election ou meme sa mort Les traces de son action toutefois sont loin d'etre

indigentes Ce sont ces sources étudiées de façon systématique et confrontées aux différentes mémoires existantes qui offrent de jeter un nouvel éclairage sur le grand maître débarrassé des stéréotypes Jacques de Molay peut enfin sortir de l'ombre Trois parties structurent le livre La première traite des images du dignitaire révélant comment à partir du début du XIX^e siècle un archétype du héros tragique s'est mis en place La seconde par delà le personnage s'attache à l'homme et elle analyse son parcours pour établir la manière dont il s'est élevé jusqu'au sommet du Temple au sort duquel de la Terre sainte aux geôles de Philippe le Bel il s'est identifié Les engagements de Jacques de Molay enfin sont au cœur de la troisième partie Le soutien à l'Orient latin et la défense de son ordre qu'il s'est efforcé d'adapter au mieux à une conjoncture lourde de périls ont été les priorités d'un homme ferme et entreprenant bien loin de l'incapable que trop d'auteurs décrivent Ainsi jusque dans la tourmente du procès du Temple il a cherché à parer au risque à sauvegarder son institution et une fois résolue puis arrêtée la perte de celle-ci à en préserver la mémoire face aux juges et à la mort il le fit le 11 mars 1314 en retractant des aveux arrachés six ans et demi plus tôt par la torture prêt à affronter le bûcher et à réaliser ce sacrifice ultime de sa vie dont la postérité l'a vengé en y trouvant au fil des siècles l'assurance croissante du martyr
