Magpie Michael James:

Magpie Michael James, 2015-12-09 Magpies have an eye for shiny things They search for bright bits of meaning amongst the dirt and filth of their world Living in a small town on the outskirts of Saskatoon with his emotionally distant and alcoholic father Ben struggles with his increasingly somber view of society He is haunted by the death of his older brother and the mysteries of his mother's suicide Unable to live life like the other magpies around him he slips deeper into the darkness of his own mind Deciding that everything wrong in his world can be traced back to the drug dealer Faran Bird Ben travels to Saskatoon to kill Faran In one long and lonely day Ben starts out on the dusty gravel roads of his hometown and continues on to the dirt and grime of the worst parts of Saskatoon **A Magpie's Tale** Anna Odland Portisch, 2023-01-13 Telling the

story of the author's time living with a Kazakh family in a small village in western Mongolia this book contextualizes the family's personal stories within the broader history of the region It looks at the position of the Kazakh over time in relation to Tsarist Russian Soviet Chinese and Mongolian rule and influence These are stories of migration across generations bride kidnappings and marriage domestic violence and alcoholism adoption and family and how people have coped in the face of political and economic crisis poverty and loss and perhaps most enduringly how love and family persist through all of this

Kootenai Indians In 1875 the tribes had supported themselves through hunting especially buffalo and gathering Thirty five years later cattle herds and farming were the foundation of their economy Providing for the People tells the story of this transformation Author Robert J Bigart describes how the Salish and Kootenai tribes overcame daunting odds to maintain their independence and integrity through this dramatic transition how relying on their own initiatives and labor they managed to adjust and adapt to a new political and economic order Major changes in the Flathead Reservation economy were accompanied by the growing power of the Flathead Indian Agent Tribal members neither sought nor desired the new order of things but as Bigart makes clear they never stopped fighting to maintain their economic independence and self support The tribes did not receive general rations and did not allow the government to take control of their food supply Instead most government aid was bartered in exchange for products used in running the agency Providing for the People presents a deeply researched finely detailed account of the economic and diplomatic strategies that distinguished the Flathead Reservation Indians at a time of overwhelming and complex challenges to Native American tribes and traditions
