Maintenance Planning Coordination And Scheduling By Don Nyman 1 Jun 2010 Hardcover:

Maintenance Planning, Coordination and Scheduling Don Nyman, Joel Levitt, 2010 This book thus deals specifically with preparatory tasks that lead to effective utilization and application of maintenance resources in order to achieve the level of reliability essential to an organization's business objectives. It comprehensively examines the job preparation process from job scoping and planning to determination of material requirements, estimation of labor requirements and job duration, coordination of all involved parties and job scheduling. Related metrics are included. *Maintenance Planning, Scheduling, and Coordination* Don Nyman, Joel Levitt, 2001 Well planned, properly scheduled and effectively communicated jobs accomplish more work more efficiently and at a lower cost. This work will disturb operations less frequently and be accomplished with higher quality, greater job satisfaction and higher organizational morale than jobs performed without proper preparation. Maintenance Planning Scheduling Coordination focuses on and deals specifically with the preparatory tasks that lead to effective utilization and application of maintenance resources. It is a vital training document for planners, an educational document for those to whom planners are responsible and a valuable guide for those who interface with the planning and scheduling function and are dependent upon the many contributions of planning and scheduling operational excellence.
