Short Stories Derryl G. Berry, 2021-07-06 The genre and style of Derryl G Berry's *Short Stories* is quite varied Some are straightforward first or third persons POV Some are off the wall perspectives and musings Some are circular in that they begin and end pretty much at the same point e.g. Let's Act Normal

Many of Derryl's short stories began as an idea that came to him while hiking and were fleshed out later e.g. Five Shots and The Empty Hook Others were triggered by a passing comment e.g. Who in the World Is Jimmy Kent A few have a touch of biographical near reality Others are plain fantasy e.g. Misspelled and Kong Is Dead A few are retellings of biblical stories Others Derryl doesn't know from where the ideas came

Peter Hoffman knew he lost a big part of his life But he found a new meaning and a new reason to look forward to each day when he unearthed letters sent to him by his then girlfriend Doris In this release the author captures his and his beloved wife's story through more letters and photographs Included in this volume are letters written between 1943 and 1946 It covers his wife's illness with Alzheimers spanning from 2002 to 2009 When my wife passed away I had totally forgotten the content of the letters and now they were adding emotion and enjoyment to my life Each evening I look forward to retiring to my den and reading some of her letters What a wonderful legacy she left me with When she wrote those letters she couldn't possibly have known how much enjoyment I would get from them over sixty-five years after they were written I have read them more times than you can count on your fingers The letters gave me a new feeling about my memoir It is really more of a true love story than a memoir The letters reminded me of what a wonderful person Doris was and how strong our love was Hoffman shares From first page to the last The Wink of an Eye Volume II will fascinate readers with a true love story lasting over six decades
