Jane Burns, 2014-07-09 Clothing was used in the Middle Ages to mark religious military and chivalric orders lepers and prostitutes The ostentatious display of luxury dress more specifically served as a means of self definition for members of the ruling elite and the courtly lovers among them In Courtly Love Undressed E Jane Burns unfolds the rich display of costly garments worn by amorous partners in literary texts and other cultural documents in the French High Middle Ages Burns reads through clothes in lyric romance and didactic literary works vernacular sermons and sumptuary laws to show how courtly attire is used to negotiate desire sexuality and symbolic space as well as social class Reading through clothes reveals that the expression of female desire so often effaced in courtly lyric and romance can be registered in the poetic deployment of fabric and adornment and that gender is often configured along a sartorial continuum rather than in terms of naturally derived categories of woman and man The symbolic identification of the court itself as a hybrid crossing place between Europe and the East also emerges through Burns s reading of literary allusions to the trade travel and pilgrimage that brought luxury cloth to France **The Death of the Hat: A Brief History of Poetry in 50 Objects** Paul B. Cathcart, 2021-03-16 Heartbeat of the Soul Real Love alters life on a molecular level that we cannot see or feel Though this seems nonexistent to us its actual impact is miraculous power There are frequencies which define love s boundaries precisely These parameters allow Real Love to measure the purity within you There is a greater purpose for us Planet Earth and human beings were designed to work with frequencies It s one of God s many gifts to creation The most surprising gift is the frequency of Love 110 **Christian Treasury** ,1869 "Leather" ,1920 Where the Mesquite Tree Grows Al Garcia, 2018-11-20 Where the Mesquite Tree Grows is a poignant and riveting journey through the thoughts and recollections of a Mexican American young man who like others of his generation searched for purpose meaning and self

discovery The journey begins in the cotton fields along the Rio Grande and follows the author through the 1960s cultural revolution into the jungles of Vietnam and finally to his return to his roots and his legacy along the Rio Grande It is a compilation of memories thoughts and even nightmares blended into a kaleidoscopic work that will make you laugh make you cry and make you think The author examines and reveals in passionate writing his emotions and his sentiments about the past and current culture of his heritage and the social evolution within that culture revealing his life experiences in words that define not only him but his generation
