Goat Days:

Goat Days Benjamin, 2012-07-17 Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents grim and absurd into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end the lonely young man contrives a hazardous scheme to escape his desert prison. *Goat Days* was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature Benjamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

Goat Song Brad Kessler, 2009-06-23 Acclaimed novelist Brad Kessler lived in New York City but longed for a life on the land where he could grow his own food. After years of searching for a home he and his wife, photographer Dona Ann McAdams, found a mountain farmhouse on a dead-end road with seventy-five acres of land. One day when Dona returned home with fresh goat milk from a neighbor's farm Kessler made a fresh cheese and their life changed forever. They decided to raise dairy goats and make cheese. *Goat Song* tells about what it's like to live intimately with animals who directly feed you. As Kessler begins to live the life of a herder learning how to care for and breed and birth goats he encounters the pastoral roots of so many aspects of Western culture. Kessler reflects on the history and literature of herding and how our diet, our alphabet, our religions, poetry and economy all grew out of a pastoralist milieu among hoofed animals. Kessler and his wife adapt to a life governed by their goats and the rhythm of the seasons. And their goats give back in immeasurable ways as Kessler proves to be a remarkable cheesemaker with his first tome of goat cheese winning lavish praise from America's premier cheese restaurants. In the

tradition of Thoreau's Walden and Annie Dillard's Pilgrim at Tinker Creek Goat Song is both a spiritual quest and a compelling and beautiful chronicle of living by nature's rules **Year of the Goat** Margaret Hathaway, 2022-06-15 Many people dream of leaving the workaday world for a life of simplicity and freedom and Margaret Hathaway and her then boyfriend Karl did just that In The Year of the Goat the reader can jump in the goat mobile with them as they ditch their big city lifestyle to trek across forty three states in search of greener pastures and the perfect goat cheese Along the way the reader is introduced to a vivid cast of characters including farmers breeders cheese makers and world class chefs and discovers everything there is to know about goats and getting back to the land But readers beware When it comes to goat cheese it can be love at first bite
