CAROLINE IHUGBA,2011-10 Whatever Happened to the Power of God? & It's Time to Rock the Boat Michael L. Brown, PhD,2012-06-01 Together for the first time in a single volume two of Dr Michael L Brown s groundbreaking works are ready to challenge a new generation of Christians to combat the status quo of a compromised church and a godless society Have you ever wondered why you rarely if ever see the kinds of miracles today that were so common in the Bible *Words of Power, Echoes of Praise* Lynnda Ell,2011-09-12 Praise for Changing Me Change the World Lynnda Ell pays a lovely homage to the timeless beauty and power of the Psalms in this first volume of prayers inspired by the book of Psalms Ell covers the first 41 Psalms accompanying each one with a personal prayer inspired by the words of the biblical psalmist Her offerings are deeply heartfelt often thought provoking and always encouraging This book is a challenge to each of us to make the Psalms more than just reading material but a personal conversation with God Katie W Discover the same thought provoking encouragement in volume two of the series Prayer Power Brent Patrick McDougal,2022-10-04 Prayer is the master key that opens the door to the blessings of God It opens the heart opens possibilities that are impossible by natural means and opens the door to God s presence Through a particular and persistent kind of prayer peace and power flow from God into our lives The problem is that many people have an experience of prayer that is dull unimaginative and lacking power Their prayer yields few answers and little peace Jesus s disciples said to Him Lord teach us to pray Hearing Jesus pray they knew that they

needed to learn how to pray on a deeper level in order to see the miracles and transformation of persistent prayer In the same way we need to learn the conditions of prayer that prevail so that we can walk in faith expect answers and give thanks even before prayer is answered In *Prayer Power 40 Days of Learning to Pray Like George Muller* author Brent Patrick McDougal invites you to take a forty day journey to discover that kind of prayer Each day features a teaching from Scripture and a story from the life of nineteenth century pastor George Muller one of the great heroes of our faith Over a lifetime of ministry Muller launched multiple orphanages that cared for more than 10 000 children But not once did he ever ask for donations Instead he prayed as each need arose *Prayer Power* teaches everyday people of faith how to pray with the faith of George Muller expecting answers because our good God is waiting to meet and reward those who seek Him *Moving Beyond Sunday* Allan Kircher, 2015-09-11 In every Christian there lies a powerful Spirit It is up to you the believer to enable the Spirit of God to move in the way God desires Him to move For God did not give us the Spirit of timidity but of power love and self control 2 Tim 1 7 Do you want to seek Gods guidance Do you yearn to remove the character defects in your life but have never been able to How do you know if you need to grow up Check the list below and ask yourself I have kept secrets about some of my faults and have hidden them from others Have I been avoiding Christian fellowship Do I feel frustrated that Im not closer to God Do I continue to take steps backwards in my Christian walk Why do some Christians have it together but I dont seem to have any Godly fire in my life Have I attempted to get stronger in my faith but keep coming up short Can I continue to be just an average Christian Am I not reading the Bible and failing to memorize Scripture Am I not meditating fasting or consistently witnessing How many of these apply to you Are you ready to explore the power of the Holy Spirit in your life through Jesus Christ If you apply the principles in this book and allow God to use the fire of His Word to refine your impurities you will become a fulfilled excited and humble believer in Christ Jesus Lets move beyond Sunday together

Learning to Pray Mother Mary Clare SLG, 2008-06-02 Fairacres Publication 12 One of our bestsellers for over forty years Mother Mary Clare s teaching on prayer has retained its freshness and challenge Her practical guidance dispels a common misconception that prayer is a passive alternative to engagement with the needs of the world and humanity instead she shows it to be an urgent and relevant task *The Path of Prayer* Samuel Chadwick, 2020-06-17 Samuel Chadwick 1860 1932 was a Wesleyan Methodist minister and a nonsense kind of preacher His works have endured long after his death and will doubtless continue to impact readers as his practical approach and straight forwards style make even the most complicated topic easy to grasp *The Power of Prayer* Bishop Eric A. Lambert, Jr, 2024-10-15 Do you want to pray more effectively Do you desire to pray according to the perfect will of God Would you like to deepen your relationship with the Lord through prayer If you answered yes to these questions then the book *The Power of Prayer Praying for Results* is for you In simple terms Bishop Eric Lambert teaches principles strategies and types of prayer to help you grow in your prayer life and develop intimacy with God Drawing on his more than thirty five years as a pastor Bishop Eric A Lambert Jr writes in everyday

language to share the advice that prayer is not about pomp and circumstance about flowery language or even about fully formed thoughts It s about a simple conversation with your Heavenly Father From that simplicity can come significant personal change *Missions* Howard Benjamin Grose,1923 *The Power of Passion* Brian M. Gazzard,2015-04-28 You cannot be a Christian if you are cool The world supposedly admires coolness and has made cool into a term of admiration Not so with Jesus Christ He is saying that unless your commitment is hot unless it is passionate it has no relationship to Him Elton Truebloods statement is compelling for Christians Only a passionate faith can confront the disturbing personal and social issues of our time Lukewarm lip service to the great promises of Scripture simply has no sustaining power and churches which adhere to a lukewarm faith will continue to decline Theologian Emil Brunner states The church exists by mission as a fire exists by burning How else can it grow The only way you know whether anything is on fire is whether it will start another fire The metaphor of fire is used to describe our relationship with Christ In the so called Gospel of Thomas found in the dry sands of Egypt Jesus says I came to cast fire upon the earth He who comes close to me comes close to the fire In this book Dr Gazzard seeks to inspire and empower individuals to grow into a passionate faith by sowing seeds of inspiration drawn from his **Ebenezer** Richard Kyambadde,2022-08-24 If there is one thing I desire it is that the Lord may use what I have written to make clear this one truth No burden is too heavy that God cannot carry This book unwraps divine secrets of hope faith and courage Presenting us with words of wisdom and biblical power tools for surviving everyday struggles and temptations This book will restore and strengthen your journey with God as you build and discover a solid foundation of faith and trust replacing fear and doubt with peace As you weather difficult personal storms this book will guide you on how to receive daily strength and encouragement Remember that there is no situation or circumstance that is impossible for God there is no problem he cannot overcome God has been through what you re facing And it is through him that true hope trust and faith is found that will empower you through your greatest difficulties of life and every longing of your heart The Power of Prayer ,2025-06-11 There is something unexplainable that happens when a heart cries out to God and heaven leans in to listen Prayer is not just a habit or a duty It is the lifeline between the soul and its Savior It is the holy ground where weak words touch Almighty strength It is the sacred place where the invisible becomes real and the impossible begins to move Prayer is where burdens are laid down and peace is picked up It is where confusion gives way to clarity It is where wounds begin to heal not because we fix them but because we finally give them to the One who can In prayer we trade our fear for His courage We exchange our sorrow for His joy We offer our small faith in return for His great power Every page of Scripture echoes the truth that God hears God answers God moves when His people pray Elijah called down fire Hannah poured out her soul through tears Daniel knelt to pray even when it was forbidden Jesus wept and prayed in Gethsemane before facing the cross The Word of God keeps proving that prayer is not a last resort It is the first and strongest move of faith If you have ever wondered if your prayers matter they do If you have questioned whether your voice

is heard it is If you have doubted whether heaven moves for someone like you this book was written for you The power of prayer is not in perfect words It is not in polished faith It is in a willing heart that dares to speak to the God who listens The same power that met saints of old still waits to meet you One person One prayer One God who never stops answering

The Power of Listening Lynne M. Baab, 2014-06-05 Listening skills and the perspective gained through careful listening are more important in congregations than ever Many factors make attentive listening a significant contributor to healthy congregations As we enter into a post Christendom culture the people coming into congregations as well as the people in the wider community are less likely to be operating from a shared set of assumptions With world wide migration reshaping our communities and congregations diverse perspectives coming from varied cultural backgrounds are also more common The breakdown of many support structures in society has created profound pastoral care needs making listening increasingly significant for both ministers and lay leaders Polarization over so many issues and the increasing emphasis on story telling in the journey of faith are two additional reasons why listening matters today Careful and loving listening nurtures care connection and depth which contribute to congregational life and health Listening to God is another aspect of listening which is gaining increased attention today Many congregational leaders have become weary of church as a business and are looking for authentic experiences of God's guidance Congregations are increasingly engaging in communal discernment Many listening skills used in human interactions are also building blocks for listening to God
