A CHRISTOLOGY *for* DISCIPLES

JONATHAN R. WILSON

God So Loved The World A Christology For Disciples Paperback

Jonathan R. Wilson

God So Loved The World A Christology For Disciples Paperback:

God So Loved the World Jonathan R. Wilson, 2001-06-01 Explores how Jesus Christ demonstrates the love of God in the stories images and practices of the New Testament

A Primer for Christian Doctrine Jonathan R. Wilson, 2005-05-02 Penned by a Christian teacher who has led thousands of students through the unfamiliar terrain of systematic theology *A Primer for Christian Doctrine* serves as a friendly guide to theology's topics debates and terminology Telling you what you need to know as you begin your study of theology or doctrine the book is an ideal companion to more comprehensive texts After a brief introduction defending the continued need for doctrine Jonathan Wilson clearly and concisely maps out each of the main topics of Christian belief in separate chapters He also traces the differing emphases of theologians while suggesting reasons for their differences Whether as a first taste of theology or as a readable summary of its present state Wilson's *Primer for Christian Doctrine* will be an invaluable resource for students and small groups pursuing a deeper knowledge of what Christians believe

The Interface of Science, Theology, and Religion Dennis Ngien, 2019-03-07 In celebration of Alister E McGrath's sixty fifth birthday in 2018 this Festschrift aims to highlight him as a lauded scholar who exemplifies an interface of science theology and religion It comprises works by McGrath's theological allies and colleagues from diverse ecclesial homes including Graham Ward Oliver Crisp Tony Lane Sung Wook Chung Randall Zachman Veli Matti Kärkkäinen Jonathan Wilson Jeffrey P Greenman Robert Kolb Sister Benedicta Ward Michael Lloyd Bethany Sollereder and Patrick Franklin Critical but appreciative is the posture with which these contributors engage the wide range of McGrath's own scholarly pursuits and publications This volume edited by Dennis Ngien covers these themes that are central to the life and witness of the church atonement Christology Trinity eschatology mission Reformation science nature culture evangelism and theodicy there is much to ponder and reap here Readers will join with the contributors and pay tribute to McGrath who has risen to a life of significance as a scientist turned theologian professor author Christian apologist and churchman

Lord Jesus Christ Daniel Treier, 2023-10-31 A study of the doctrine of Christ that is biblical and historical evangelical and ecumenical conceptually clear and contextually relevant *Lord Jesus Christ* expounds the doctrine of Christ by focusing upon theological interpretation of Scripture regarding Jesus's identity The book's structure traces a Christological arc from the eternal communion of the Triune God through creation covenants Incarnation passion and exaltation all the way to the consummation of redemptive history This arc identifies Jesus as the divine Lord who assumed human flesh for our salvation The book expounds and defends a classically Reformed Christology in relation to contemporary contexts and challenges engaging both philosophical and global concerns Each chapter begins with the theological interpretation of a key Scripture text before expounding key concepts of orthodox Protestant Christology *Lord Jesus Christ* is a unique example of writing dogmatic theology by way of theological exegesis The result is a volume that engages the numerous scholarly volumes on Christology that have appeared within the last couple of decades but provides a contemporary account of a traditional view

About the Series New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal Following in the tradition of G C Berkouwer s Studies in Dogmatics this series will provide thoughtful concise and readable treatments of major theological topics expressing the biblical creedal and confessional shape of Christian doctrine for a contemporary evangelical audience The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church s historic understanding of the Word of God as professed in its creeds councils and confessions and by its most trusted teachers

God's Good World Jonathan R. Wilson, 2013-04-15 The doctrine of creation has often been neglected in Christian theology Distinguished evangelical theologian Jonathan Wilson exposes what has been missing in current theological discourse and offers an original constructive work on this doctrine The book unites creation and redemption showing the significance of God s work of creation for understanding the good news of redemption in Jesus Christ Wilson develops a trinitarian account of the life of the world and sets forth how to live wisely hopefully peaceably joyfully and generously in that world He also shows how a mature doctrine of creation can help the church think practically about contemporary issues including creation care sexuality technology food and water and more **Scripture: A Very Theological Proposal** Angus

Paddison, 2009-10-10 To identify the biblical texts as Scripture is to make a series of specific claims about this text that it is drawn into the activity of the triune God of Israel that its ultimate destination is the worshipping church and that it has a ministry in shaping Christian thinking and acting Scripture A Very Theological Proposal advances that the resources for reading Scripture understanding its claims and acting upon them will be found by looking to the church s life and doctrines Reading Scripture with a host of theologians Paddison proposes a hermeneutic appropriate to reading Scripture both as divine address and the book of the church The book positions itself by resisting accounts in which Scripture s relationship to God and its life within the church are understood competitively as if the more we attend to one the less we are attending to the other Chapters further explore a doctrine of Scripture and the relationship of ethics doctrine and preaching to Scripture A final chapter asks can or should Scripture be read in the university *Kingdom Come* Jason Byassee, Jeremy

Kidwell, Jonathan Wilson-Hartgrove, Leah Wilson-Hartgrove, 2022-09-19 For four decades the Rev Dr Jonathan R Wilson has cultivated an imagination for kingdom realism as a pastor teacher theologian and friend To celebrate his seventieth birthday Kingdom Come has gathered reflections from fellow theologians popular authors poets and practitioners to mark both the range of Wilson s influence on the Christian church and the consistency of his prayer and work for God s kingdom to come here on earth as it is in heaven **What Does it Mean to Be Saved?** John G. Stackhouse, 2019-07-11 Since the birth of

evangelicalism in the eighteenth century it has defined itself as a movement keenly interested in salvation What however has the evangelical understanding of salvation been What is it today What should it be What Does It Mean to Be Saved marshals leading evangelical scholars to probe these questions with the goal of encouraging a more holistic understanding of salvation

Each chapter introduces a distinctive point of view on an aspect of redemption. Issues addressed in the volume include individual and corporate salvation, salvation with regard to women, the poor, the oppressed, and the natural world. **Talking the Walk** Marva J. Dawn, 2018-01-04. Experience in the classroom at Nebraska Wesleyan and Wesleyan Universities has shown that there is need for an edition of the documents constituting the main sources of the Hexateuch. It is impossible to teach the Old Testament historically without frequent reference to J E and P. Students become interested in the problem and wish to read sources only to discover that the desired documents are not available. *The Sources of the Hexateuch* is an attempt to supply this need by editing the documents J E and P according to the consensus of English, Scotch, Dutch, German, French, Swiss, and American. **Christology in Paul and John** Robin Scroggs, 2004-11-22. Christology should be reflections on the experience of the believer. Unless the believer has experienced something in the depth of her being, she has nothing to think about. 1. How true. And how good it is to have clear insights into the Christology of two early believers, Paul and John. Parish-based preachers compelled to preach on texts from the Gospel of John and the Letters of Paul are helped by Scroggs in their study for and preparation of sermons. Scroggs' commentary provides the opportunity first of all to grasp and understand the Christ as Paul proclaimed him in his writings. The second part of the book details the Christology of John. While the two respective Christologies are different and not dependent upon one another, put together they do give us rich insight into the question of who Jesus is and what he means for faith. In the comparison, it becomes clear that Paul used legal metaphors to describe the new world made possible through the cross, while John saw Jesus as the revelation of divine reality coming from the realm of God the Father into this world of darkness. Following the discussion of the differences between Paul and John, like wrestling with two angels, 105 the author seeks to clarify some essential and underlying similarities in the Christologies of Paul and John. This relationship is discussed under three headings: Creation, The Vision of the Fallen World, and Jesus Christ as Revealer. The last three pages of the book comprise an important word to theological discussions within the church. They point out the importance of theology being Christocentric. The Christian, just as Paul and John, has experienced God through Jesus Christ and thus cannot speak about God without speaking about Jesus Christ. 111. Christology in Paul and John should be in every working pastor's library. **American Book Publishing Record**, 2001. **Wisdom Christology in the Gospel of John** Dustin R. Smith, 2024-04-18. This volume contends that the Gospel of John presents the most thorough and robust Wisdom Christology of all the New Testament books. Wisdom Christology, the christological concept that applies the roles, characteristics, and functions of God's personified wisdom to the man Jesus Christ, is displayed to be skillfully interwoven throughout all twenty-one chapters of the Fourth Gospel, starting with the famous prologue. In response to the prevailing tendency among interpreters to project postbiblical understandings of Jesus from the fourth and fifth century church councils back into the Gospel of John, this volume shows that a more fitting context emerges from Jewish Wisdom literature. By situating the Johannine Jesus in his first-century Jewish context, readers can appreciate John's

commitment to monotheism and Jesus role as the Father's highly empowered human agent fully embodying Lady Wisdom

Reading the Gospel of John's Christology as Jewish Messianism Benjamin Reynolds, Gabriele Boccaccini, 2018-07-17 The essays in *Reading the Gospel of John's Christology as Jewish Messianism* Royal Prophetic and Divine Messiahs seek to interpret John's Jesus as part of Second Temple Jewish messianic expectations The Fourth Gospel is rarely considered part of the world of early Judaism While many have noted John's Jewishness most have not understood John's Messiah as a Jewish messiah The Johannine Jesus who descends from heaven is declared the Word made flesh and claims oneness with the Father is no less Jewish than other messiahs depicted in early Judaism John's Jesus is at home on the spectrum of early Judaism's royal prophetic and divine messiahs *For God So Loved the World*, 1980 A booklet of full color pictures depicting the Savior's teachings anciently and today The Walther League Messenger, 1925 **Jousting with John** Adele Reinhartz, 2024-12-30 The Gospel of John is a book that tantalizes and disturbs in equal measure Its sublime imagery makes spirits soar Its positive portrayal of women such as the Samaritan woman the Bethany sisters and Mary Magdalene tickle the imagination when it comes to the roles of women in the early church Its disparagement of the Jews however reverberates through the long history of anti Judaism and antisemitism to this very day Adele Reinhartz has been one of the foremost interpreters of the Gospel of John for the past thirty years and more This volume contains a selection of her essays on the Fourth Gospel originally published from 1991 to 2020 The collection focuses on four major themes Essays on Gender consider the Gospel's portrayal of female characters its christological use of female imagery and the possibility of reading social history into or out of the Fourth Gospel Essays on the Jews explore the representation of the ioudaioi and respond to approaches employed by scholars to address the fraught question of anti Judaism The section on Method includes essays that apply different approaches such as trauma theory postcolonial theory and literary and rhetorical criticism to issues in Johannine studies The final section on Ethics considers ethics from two perspectives the ethical stance's that a reader brings to her reading of John and the question of whether the Gospel portrays Jesus as an ethical actor **The Essential Bible Companion** John H. Walton, Mark L. Strauss, Ted Cooper, Jr., 2025-04-29 Discover profound insights with ease The Essential Bible Companion is your indispensable guide to unlocking and truly understanding the core teachings of the Bible Developed by world renowned biblical scholars this compact reference tool presents the key information about every book in the Bible in an easy to digest format The Essential Bible Companion is a visual guide to Scripture's key concepts and teachings that empowers you with Background information that uncovers the purpose key terms concepts and teachings about God in each Bible book A user friendly timeline featuring key events for each book A who's who of essential Biblical figures to know Must read verses illustrative maps and enlightening historical introductions Ideal for those seeking greater understanding of the Bible without getting lost in overbearing detail The Essential Bible Companion strikes the perfect balance of informative yet manageable content that enhances not detracts from the biblical text Embark on a journey towards a well grounded and
