Reflections On The Infinite Goodness Of God Frank W. Wey,2017-08-11 Reflections on the Infinite Goodness of God is a succinct and thought provoking collection of essays and poems about God love the evolution of the world toward goodness and the friction between Christian dogma and the teachings of Jesus Christ Written by a lifelong Catholic whose faith remained strong despite his disappointment with the incongruities of organized Christian religions this book will uplift and affirm the reader as a much loved child of God

God Logically Steven F Chandler,2019-08-07 Are you thinking about God again Do you have questions about the Christian faith but cannot find answers that satisfy Or do you just want to understand God and His ways deeper Then God Logically was written for you Discover and be confident in the bible based truths this book gives to the questions that people of every generation ask Questions like Is there really a God Did God create the Universe and how does He create it out of nothing Can we personally know and understand God Does God really care about us Can we be sure of God s forgiveness Is there a heaven and can we know that our soul lives on when our body dies Can we be confident in God s promises In God Logically Christian apologist Steven Chandler goes beyond trite explanations and reveals the how what and why in his deep bible based solutions He also tackles the hard questions like Can it be proven that Jesus Christ is the Jewish Messiah How are we saved what is grace and what truly happens the moment faith begins Do we really have freewill God Logically will help you to know God and understand His ways and know and be confident in the promises He has for you The Bible does have the answers God Logically reveals them

The Magnificent Goodness of God and How It Will Transform Your Life Timothy Rowe,2012-07-10 The goodness of God is one of the most revolutionary truths of the Bible but our generation has lost faith in the goodness of God The image you carry in your heart of God and what He is like will dramatically affect your life character and destiny Do you believe God can be your hero Do you believe God has a good heart Do you believe that God can transform you into the type of Christian that you always wanted to be When we begin to understand and believe what it means when the Bible boldly declares that God is good always our lives will begin a breathtaking transformation as we rise up to be a mighty witness for our Lord Anyone who has been touched with the goodness of God cannot come away the same The goodness of God encompasses everything that God is and is a

perfect representation of all His characteristics The goodness of God is the foundation of all His works plans and purposes If we are to understand what God is like we must first know that He is good and not evil The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world and marshals all of his forces to cause confusion about the true character of our God The goodness of God is the pinnacle point of the spiritual battle that rages all around us Understanding the goodness of God is first and foremost in spiritual warfare because without this you can never stand for God faithfully

The Existence and Attributes of God, Volume 7 of 50 Greatest Christian Classics, 2 Volumes in 1 Stephen

Charnock, 2008-09 The Existence and Attributes of God comprises the first two volumes of the works of Stephen Charnock 1628-1680 an English puritan divine who was highly skilled in philosophy patristics Reformed theology and Biblical languages These volumes are his abiding monument They are worthy of being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it secondly the study of God's attributes is not dry as dust theology but is practical that it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God's existence and attributes Charnock displays God's attributes not as impersonal abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible The substance of his doctrine is characteristically Puritan and representatively Reformed Dr James I Packer in The Encyclopedia of Christianity Volume II p 410 The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before To know Him better is to love Him more

Does God Exist? Roger Ball, 2023-08-30 Who made who Did we create God or did He create us Can God's existence really be proven Could other explanations be equally plausible In the New Testament we find the claim that God has clearly made Himself known to mankind through the created order and that all are without excuse Romans 1:19-20 But how far can we take this Has God really proven His own existence Can we know that He exists with absolute certainty Does this also mean that no other explanations are possible In easy to understand language this brief eye opening essay demonstrates that the existence of God the Christian God can be proven with certainty **God's Love** R. C.

W. Tozer, 2007-02-14 The most important question For A W Tozer no question is more important than What is God like The desire to know God consumed his entire life and ministry That's why those who read him come to know God more intimately Originally preached as sermons at Southside Alliance Church in Chicago this first volume of *The Attributes of God* examines ten attributes of God It also includes a study guide for an in depth look at each attribute Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you If a sermon can be compared to light then A W Tozer released a laser beam from the pulpit a beam that penetrated the heart Warren Wiersbe former pastor of The Moody Church

God Infinite and Reason: Concerning the Attributes of God William J. Brosnan, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work Knowing the Unknowable God James R. Lucas, 2010-05-19 Meet the God Who Is Greater Than Your Biggest Questions The Bible never shies away from seeming contradictions We are told both to resist our enemies and to love them and that our all knowing God can sometimes forget Unable to reconcile such biblical paradoxes some people abandon Christianity while others pretend that the seeming contradictions don't exist preferring to believe in an uncomplicated easy to comprehend God Yet countless others are hungry for new insight into the God behind the Bible's mysterious paradoxes Responding to this spiritual hunger James Lucas delves into the mysteries of Scripture demonstrating that biblical contradictions are actually exquisite paradoxes that enlarge our understanding of God With this book as your guide you can embrace the paradoxes of Scripture and pursue honest answers to your hardest questions The study of biblical paradox leads to greater devotion to the majestic God who makes himself known even while he surpasses human understanding Today you can begin Knowing the Unknowable God **Forever in My Goodness** Morgan Sugg, 2021-03 None Greater Matthew

Barrett, 2019-03-05 Matthew Barrett leads us to marvel at both how much and how little we know of God. Tim Challies, blogger at challies.com, author of *Visual Theology*. For too long Christians have domesticated God, bringing him down to our level as if he is a God who can be tamed. But he is a God who is high and lifted up, the Creator rather than the creature, someone than whom none greater can be conceived. If God is the most perfect, supreme being, infinite and incomprehensible, then certain perfect-making attributes must be true of him: Perfections like aseity, simplicity, immutability, impassibility, and eternity shield God from being crippled by creaturely limitations. At the same time, this all-powerful, all-knowing and all-wise God accommodates himself, exhibiting perfect holiness, mercy, and love as he makes known who he is and how he will save us. The attributes of God show us exactly why God is worthy of worship; there is none like him. Join Matthew Barrett as he rediscovers these divine perfections and finds himself surprised by the God he thought he knew. Matthew Barrett's excellent book lays out in clear, accessible terms what the biblical, historic, ecumenical doctrine of God is, why it matters, and why its abandonment by great swathes of the Protestant world is something that needs correction. Carl R. Trueman, professor, Grove City College, author of *Grace Alone*. Perhaps not since R. C. Sproul has there been a treatment of such deep theology with such careful devotion and accessibility. Read this book and stagger. Jared Wilson, director of content strategy, Midwestern Baptist Theological Seminary, managing editor for the Church, author of *The Gospel-Driven Church*. The knowledge of God is the soil in which Christian piety flourishes. I am grateful for the publication of *None Greater* and pray it will be a source of growth in godliness among those captivated by its vision of God's supremacy. Scott Swain, president, and James Woodrow Hassell, Professor of Systematic Theology, Reformed Theological Seminary, Orlando, author of *Reformed Catholicity*.
