Your Wilderness Is Not a Waste Dustin Crowe, 2025-10-07 The wilderness is often the place where God grows our faith and proves His faithfulness But to grow we must be intentional about listening and leaning into His provision Looking to wilderness stories of the Bible including Hagar Moses David Eijah and Jesus pastor Dustin Crowe shows who God is and how He s at work Readers will find encouragement in His good purposes as they experience God s sustaining and shaping grace in their lives The wilderness has a dual nature with both threats to our faith and opportunities to grow in faith As we depend on God we discover how to worship in our wilderness rather than waste it Whether you re in a season of significant transition spiritual apathy heartbreak waiting or a time of trial and testing God invites you to come close to experience His provision and power Your Wilderness Is Not a Waste shows us how

"Right Makes Might" Wolfgang Mieder, 2019-04-04 A powerful and timely addition to the literature of rhetoric and folklore Choice In 1860 Abraham Lincoln employed the proverb Right makes might opposite of the more aggressive Might makes right in his famed Cooper Union address While Lincoln did not originate the proverb his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century In this collection famed scholar of proverbs Wolfgang Mieder explores the multifaceted use and function of proverbs through the history of the United States from their early beginnings up through their use by such modern day politicians as Barack Obama Hillary Rodham Clinton and Bernie Sanders Building on previous publications and unpublished research Mieder explores sociopolitical aspects of the American worldview as expressed through the use of proverbs in politics women s rights and the civil rights movement and by looking at the use of proverbial phrases Mieder demonstrates how one traditional phrase can take on numerous expressive roles over time and how they continue to play a key role in our contemporary moment

otherwise compromised and marginalized TFAM tells its people you are one of God's creations. In *Filled with the Spirit* Ellen Lewin gives us a deeply empathetic ethnography of the worship and community central to TFAM, telling the story of how the doctrine of radical inclusivity has expanded beyond those it originally sought to serve to encompass people of all races, genders, sexualities, and religious backgrounds. Lewin examines the seemingly paradoxical relationship between TFAM and traditional black churches, focusing on how congregations and individual members reclaim the worship practices of these churches and simultaneously challenge their authority. The book looks closely at how TFAM worship is legitimated and enhanced by its use of gospel music and considers the images of food and African American culture that are central to liturgical imagery, as well as how understandings of personal authenticity tie into the desire to be filled with the Holy Spirit. Throughout, Lewin takes up what has been mostly missing from our discussions of race, gender, and sexuality: close attention to spirituality and faith.
