*You Can Hear the Voice of God* Steve Sampson, 2015-03-10 When you talk to God do you ever feel as if you are not getting through You're not alone At some point most believers find themselves grappling with difficult questions like Would God really talk to me personally and How do I know it's truly God talking and not my own thoughts But here's the good news Hearing God is simpler than you think It's possible to have a relationship with God that involves both speaking and listening In fact it's God's desire He wants to talk to you In this revised and expanded edition of a classic work author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice but expecting to hear it Sampson's uncomplicated practical perspective will help you cultivate the two way conversation with God you've always longed for Before long you'll hear Him speaking into your circumstances and relationships expressing His love for you and showing you the next steps to take in your life Don't settle for a one sided conversation with God Break through this barrier and develop a sensitive heart that hears and responds to God's still small voice With clarity and humor Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing Bishop Mark J Chironna M A Ph D Church on the Living Edge Orlando Florida

**When God Speaks...** Writer For The King, Writer for the King, 2012-02      **100 Ways God Speaks to You** Robert A. Avila, 2021-12-10 Call out the voice asserted This direction edged into my brain and flooded my mental realm God can speak to any of us anytime but how do we hear Him Christian author Robert Avila didn't always recognize God speaking to him until he discovered a pattern In a collection of short stories from his life Avila shares specific moments he acted upon promptings from a still small voice saw the outcome and noticed God using him as a vehicle to carry out tiny and sometimes enormous miracles But how did Robert know it wasn't just his own thoughts In this collection of interactions with God told in short story form he explains how God breaks the chains of religious indoctrination and sets us on the narrow path He teaches us the techniques God uses to draw us nearer to Him and guide us toward our life's purposes Perhaps God is speaking to you but you don't recognize His voice Just like there are hundreds of radio waves some producing clear sounds others inaudible there are more than 100 ways God communicates In this book Robert Avila teaches you how to transform your faith tune in and hear Him      When God Speaks Fran Myers, 2022-04-07 Listening to the voice of God directs us toward a life of joy contentment and trust in God in all circumstances God is always with us When we take the time to pray listen to reflect to block out the noise of the world we can experience God's presence Through the pages of this book you will come to understand the many ways that God speaks to all of us As we open our minds and hearts cultivate the time to be aware and listen and develop our prayer journey we draw closer to the heart of God The author highlights stories from various people who in their ordinary lives discerned His voice and His love for them Sometimes God's voice was audible other times it was through Scripture or a divine revelation No matter what form God chose to communicate it was every bit as meaningful One person shares how he listened to God's voice through divine intervention guiding him to make a life changing decision for his family Another heard the voice of God through a series of events as she visited patients in hospitals and nursing homes Still another meets God through the beauty of nature God spoke to the saints and prophets of the past and He continues to speak to us today Not all voices are from God It is important to discern that which brings peace and that which divides and causes

unrest When God Speaks is a series of uplifting and personal stories that will help the reader to discern the difference The author s hope is that you will recall similar occurrences of unexplainable joy in your own lives or a strong passion calling you to service This book can be used by small faith groups in churches and by book clubs It would appeal to youth groups senior groups Cursillo or Emmaus groups pastors and those wanting to deepen their prayerful relationship with God What Language Does God Speak? Michael Glass,2012-04-01 This book is actually 2 books in 1 The first is a 6 chapter 180 page instructional book that lays the foundation of how we can tune in to the ways God speaks to every person every day Most books that deal with hearing God are general and theoretical merely dealing with the various ways in which He speaks and who He spoke to This book however will not only teach you how to recognize the ways God speaks to you individually in your own language but also to discern what He actually says to you personally and specifically on a daily basis You will learn how to be sensitive to recognize the many ways God uses everyday observations and events to communicate spiritual truths to you just as Jesus communicated deep truth and insights to His disciples simply by making observations about people animals food nature clothing and even the weather You will learn to identify and correct 10 hindrances to hearing God such as ignorance insecurity unworthiness fear and others You will also see from Scripture 8 wrong steps in the form of beliefs and judgments that people take that hinder and prevent hearing the voice of God and how to get back on the right track It also has a section on interpreting dreams and visions from a Biblical perspective The second book is a 52 chapter 220 page devotional book laid out as a weekly topical study with each week s subject based on a testimonial anecdote about how God spoke to the author through simple everyday events Along with each weekly anecdote are 7 daily Scriptures that relate to that specific topic for study and meditation In addition it includes a weekly personal study journal to assist you in recognizing how and when God speaks to you as well as a method to translate what He specifically says to you each and every day into your own language Your faith will be greatly encouraged to know that God speaks to you personally every day and by using these simple methods you will develop your own ears to hear what God says to you *When God Speaks...Will You Hear?*
