Text Me from Manhattan Maurice P. Fortune, 2019-09-26 There is always a lot of Press about life in New York City and what it s like to live and work in the Big Apple People cannot seem to get enough about the hustle and bustle and the rat race that as city dwellers engulf us almost daily It is a life that is not always full of glamour and excitement I believe there is another side that begs to be told That side is the story that is deeper and more meaningful than the front page tales of glamour and occasional mayhem It can be the story of a kind next door neighbor a friend or a co worker It can also be the sad tale of someone on a public conveyance who needs help and is always there asking for a hand out Someone you always give a helping hand to no matter how many times you vow to ignore I have lived and worked here for many years and I still enjoy what the city has to offer its residents and its visitors I believe that the true attraction of this city is not so much its streets its avenues or its monuments but the stories of its people Maurice P Fortune

Embodied Hope Veronice Miles, 2021-12-29 Embodied Hope explores implications of an embodied theology of hope for preachers ability to nurture imaginative abundance and purposeful hope filled action in the most chaotic of times Embodied hope is grounded in a theological anthropology that foregrounds humanity s inherent identity as imago Dei and capacity to live as a nondistorting nondestructive reflection of God s presence in the earth The conceptual metaphor embodied Hope represents that which creates within each of us yearning for wholeness and well being the always speaking voice of God s Spirit assuring us of God s power faithfulness and redemptive presence and calling us toward loving just and restorative action in our world today Humans possess the capacity to imagine and live toward a qualitatively better state of existence for all creation but overwhelmed by the despairing realities of life we often feel despondent and drained of imaginative potential Preaching amplifies the voice of Hope bearing witness and inviting us to imagine the possibility and efficacy of a new reality grounded in Jesus s gospel proclamation Embodied Hope invites us to stand at the intersection of Hope and despair as we explore the contours and possibilities of living with Hope in times such as the present
