American most often Cherokee Formed in the Smoky Mountains of Tennessee the Carolinas and southwestern Virginia sometime between 1780 and 1800 This tradition originated as a result of marriages or family unions between the predominantly Celtic settlers and the Cherokee residents Religious Experience in Modern Poetry Ewa Panecka, 2019-10-17 This study on religious experience in modern poetry features innovatory and accessible close readings of some of the most beloved authors of English verse In today s seemingly secular age religion still remains a highly contested subject The selection of texts analysed here is representative of a wide spectrum of attitudes including a sharply critical refusal to acknowledge Christianity as the basis of civilization Some poets see national religion as a framework for cultural identity while others worship nature as the omnipotent Force of Life trying to create their own gods Rather than reducing poetry to a background for philosophical analysis or theological deliberation this book presents diverse modes of the poetic endeavor to capture and convey the divine The chapters provide a range of perspectives on individual experience rendered into poetry as a subtle relationship between faith perception and language The text will be of interest to anyone looking for new ways of reading poetry as a spiritual quest **Defying Shadows** Jessica Settergren, 2025-02-21 *Defying Shadows* is a
