Gods Beauty A Call To Justice:

God's Beauty Patrick T. McCormick, 2012 What if we began our study of Christian ethics not with an examination of our moral duties but with an exploration of the call of beauty For like justice beauty generates a call to a larger more generous self In Gods Beauty Patrick McCormick asks How does the beauty of the righteous community manifest the glory of God How can we imitate and improve this beauty by reforming our own societies What fundamental need and right do all of us especially the poor have to experience and create beauty in our lives and communities Why is it also essential to our own humanity that we recognize and treasure the beauty of the stranger alien and foe and resist every effort to render these unrecognized neighbors ugly McCormick offers a fresh positive approach to moral arguments calling us to work for social justice Instead of laying out the evils of failing to work for justice protect human rights overcome alienation and hostility or tend to the earth Gods Beauty focuses on the calling of divine beauty summoning us to be tenders and creators of beauty

Moral and Aesthetic Formation in Augustine's Thought Sarah Stewart-Kroeker, 2017-07-26 Augustine s dominant image for the human life is peregrinatio which signifies at once a journey to the homeland a pilgrimage and the condition of exile from the homeland For Augustine all human beings are in the earthly life exiles from their true homeland heaven Some but not all become pilgrims seeking a way back to the heavenly homeland a return mediated by the incarnate Christ Becoming a pilgrim begins with attraction to beauty The return journey therefore involves formation both moral and aesthetic in loving rightly This image has occasioned a lot of angst in ethical thought in the last century Augustine s vision of Christian life as a pilgrimage his critics allege casts a pall of groaning and longing over this life in favor of happiness in the next Augustine s eschatological orientation robs the world of beauty and ethics of urgency In **Pilgrimage as Moral and Aesthetic Formation in Augustine's Thought** Sarah Stewart Kroeker responds to Augustine s critics by elaborating the Christological continuity between the earthly journey and the eschatological home Through this cohesive account of pilgrimage as a journey toward the right ordering of the desire for beauty and love for God and neighbour Stewart Kroeker reveals the integrity of Augustine s vision of moral and aesthetic vision From the human desire for beauty to the embodied practice of Christian sacraments Stewart Kroeker develops an account of the relationship between beauty and morality as the linchpin of an Augustinian moral theology **The Justice Calling** Bethany Hanke Hoang, Kristen Deede Johnson, 2017-03-14 Christianity Today Book

Ravished by Beauty Belden C. Lane, 2011-04-21 In this novel exploration of Reformed spirituality Belden C. Lane uncovers a green theology that celebrates a community of jubilant creatures of all languages and species Lane reveals an ecologically sensitive Calvin who spoke of himself as ravished by the earth's beauty He speaks of Puritans who fostered a lusty spirituality in which Christ figured as a lover who encouraged meditation on the wonders of creation He presents a Jonathan Edwards who urged a sensuous enjoyment of God's beauty as the only real way of knowing God Lane argues for the double irony of Reformed spirituality showing that Calvinists who often seem prudish and proper are in fact a people of passionate desire Similarly Reformed Christians who appear totally focused on divine transcendence turn out at times to be closet nature mystics exulting in God's glory everywhere Lane also demonstrates however that a spirituality of desire can be derailed ending in sexual excess and pantheism Ecologically holy longing can be redirected from a contemplation of God's splendor in the earth's beauty to a craving for land itself resulting in disastrous misuse of its resources Between the major chapters of the book are engaging personal essays drawn from the author's own love of nature as a Reformed Christian and providing a thoughtful discussion of contemporary issues of species diversity and the honoring of an earth community

God Revised Galen Guengerich, 2013-05-28 Over the past few decades the ever expanding scientific knowledge of the universe and the human condition combined with the evolution from religion based to personal morality has led to a mass crisis of faith Leaders of most Protestant and Catholic religious traditions which include nearly 80 percent of Americans have watched their memberships stagnate or dwindle Over the years philosophers and scientists have argued that science has in fact killed God and that if we believe the facts science has presented we must also accept that God is fiction Others holding fast to their long standing doctrines attempt to justify their beliefs by using God to explain gaps in scientific knowledge Having left an upbringing in a family of Mennonite preachers to discover his own experience of God Galen Guengerich understands the

modern American struggle to combine modern world views with outdated religious dogma Drawing upon his own experiences he proposes that just as humanity has had to evolve its conception of the universe to coincide with new scientific discoveries we are long overdue in evolving our concept of God Gone are the days of the magical supernatural deity in the sky who visits wrath upon those who have not followed his word Especially in a scientific age we need an experience of a God we can believe in an experience that grounds our morality unites us in community and engages us with a world that still holds more mystery than answers Handbook of Catholic Dogmatics 2 Matthias Joseph Scheeben,2022-02-08 Volume 2 of Matthias Joseph Scheeben s Handbook of Catholic Dogmatics treats the Doctrine about God It consists of perennially important topics such as the natural knowledge of God analogical discourse about God the divine perfections and the trinitarian nature of God Especially notable is Scheeben s identification of God s absolute beauty as a discrete attribute His treatment of the divine life intellect and will is similarly rewarding and serves as the transition point to the Trinity of persons Scheeben s treatise on the Trinity begins with an overview of Magisterial definitions as well as a survey of the development of the doctrine of the Trinity in the Ante Nicene Patristic tradition What follows is another noteworthy aspect of Scheeben s theology proper His careful treatment of the Spirit s procession enables a fruitful attempt at reconciling the divergent Western and Eastern Patristic conceptions thereof that underlie later disputes about the Filioque **Called to Be Saints** Gordon T. Smith,2013-12-06 Theologies of justification are too numerous to count In this book Gordon Smith synthesizes a lifetime of writing on calling conversion discernment and spiritual formation in a comprehensive and compelling theology of sanctification Smith presents holiness in its christological sapiential vocational social and emotional dimensions

Preaching God's Transforming Justice Ronald J. Allen,Dale P. Andrews,Dawn Ottoni-Wilhelm,2013-01-01 This is the final volume in a unique new commentary series that helps the preacher identify and reflect on the social implications of the biblical readings in the Revised Common Lectionary The essays concentrate on the themes of social justice in the weekly texts and how those themes can be teachable moments for preaching social justice in the church In addition to the lectionary days there are essays for twenty two Holy Days of Justice including Martin Luther King Day Earth Day World AIDS Day and Children s Sabbath These days are intended to enlarge the church s awareness of God s call for justice and of the many ways that call comes to the church and world today *Kingdom Calling* Amy L. Sherman,2011-11-18 Amy Sherman unpacks Proverbs 11 10 When the righteous prosper the city rejoices to develop a theology and program of vocational stewardship Here is practical help for churches ministries and other faith communities to navigate the complex process of following Jesus in those places where we happen to prosper *Evil and the Justice of God* N. T. Wright,2013-03-21 N T Wright explores all aspects of evil and how it presents itself in society today Fully grounded in the story of the Old and New Testaments this presentation is provocative and hopeful a fascinating analysis of and response to the fundamental question of evil and justice that faces believers *God's Beauty-in-Act* Stephen M. Garrett,2013-07-24 Jurgen Moltmann and others contend that

Christian theology and the church face a dual crisis one of relevance and the other of identity Despite making this pronouncement nearly forty years ago the church in the West continues to struggle with this crisis Several proposals have been espoused from the way of wisdom to the way of ecclesial praxis Yet little attention is given in Protestant theological discourse to the role God's beauty plays in bringing theology and ethics together By neglecting God's beauty for theological discourse we risk diminishing Christian worship witness and wisdom God's Beauty in Act addresses these issues in part by arguing that the redemptive creative suffering and glorious resurrection of Christ are the nexus of God's being beauty and Christian living God's beauty understood as the fittingness of the incarnate Son's actions in the Spirit to the Father's will radiates God's glory and draws perceivers into the dramatic movements of God's triune life These movements serve as the patterns that shape the imagination enabling participants to perform their parts creatively and fittingly in God's drama of redemption In doing so human beings flourish as they jettison false identities and realities of their own making that are incommensurate with God's purpose found in Christ by the Spirit

Justice Calling Palmer Chinchin, 2016-06-14 Calls on Christians in the Western world to follow Christ more fully and focus on more than personal piety by engaging in the cause of global justice

Beyond Justice Varunaj Churnai, 2018-07-31 In recent decades scholars have tended to interpret what Job says about death in one of two ways They interpret it either as part of the broader reading of death in the Old Testament or by imposing Ancient Near Eastern mythological concepts upon the text disregarding its nature as part of the Old Testament's wisdom tradition Varunaj Churnai attempts to redress the latter interpretation and treats the book of Job and its development and understanding of death contextually Churnai specifically looks at how Job presents the two faces of God God's wrathful face and God's gracious face *Beyond Justice* demonstrates that the retribution principle allows humans to know the hidden God as it illuminates the relationship between individual and Creator Through Job's experiences and heartfelt outpouring of his soul before both God's wrathful face and God's gracious face we can know

God more fully Churnai shows how these faces of God are reconciled in the two divine speeches of YHWH which invite both Job and the reader to move beyond retribution theology to trust in the graciousness of God *The Christian Century* ,1927
