Gods Economy The Tithe And New Testament Giving:

God's Economy Jeff Farris, 2011-06-01 This work is the most thorough treatment on the topic of tithes and Christian giving you will find It provides truthful answers from God s Word for this highly controversial subject Here you will learn the real origin of the Biblical tithe You will learn detailed information such as the items that were tithed those responsible for providing the tithe those who were exempted from tithing the recipients of the tithe and how the tithe was put to use in order to multiply the blessings of God among His people You will also learn God s plan for giving in the church today according to the teachings of Jesus Christ and His apostles You will be amazed to learn that much of what is taught today in regard to giving has nothing in common with God s original purpose in provision as revealed in His Holy Word The information in this book will arm you with the truth and set you free from the doctrines of human tradition that have engulfed every denomination as well as nondenominational churches Finally you will be challenged to allow Christ to work in you and through you as you focus on glorifying Him in every aspect of your life and learn to let go of the temporal things you must leave behind as you mature and transform into His likeness

Kleptomaniac: Who's Really Robbing God Anyway?

Frank Chase Jr, 2016-06-14 **KLEPTOMANIAC** Who s Really Robbing God Anyway is a trek through the pages of the Bible to find the untwisted truth about the centuries old teachings on tithes and offerings Every page of this book has information that will make you become an analyst in getting to the bottom line of what tithing is in the Old and New Testament It takes you on a journey to first define the word tithe and then breaks down the differences between giving and tithing as the Bible instructs The author attempts to expose what most people believe as fact to bring them to what the Bible actually teaches when it comes to true giving Are the arguments put forth today about tithing fact or fiction This book tackles tough questions like did God ever require a tithe of money Was the contents of the tithe always money in the Bible Who is really robbing God today Did God change the tithe at some point in biblical history Are first fruits money Is the tithe food money or both Is the church the storehouse Did Jesus Paul and the Disciples tithe Did the early church honor a money tithe system Are Christians really cursed for not tithing ten percent of their income These questions will be answered based on scholarship the land the language and the literature of the original Biblical people Not only will questions be answered for those confused about whether or not they are required to pay ten percent of their income to any religious institution they will learn what the Bible really teaches about money and stewardship The author meticulously examines the word tithe in both the Hebrew and Greek language To understand every Bible verse that contains the word tithe the author gives context and definitive definitions for clarity of the text This book also explains the concept of giving from a New Testament perspective without the mandate of ten percent and explains why the Apostle Paul never mentioned tithing to any of the New Testament congregations From Genesis to Revelation this book is about how to properly interpret biblical terms to arrive at the proper interpretation of a biblical text that refers to money or tithing Because there are pros and cons about tithing the author examines both tithing and non

tithing theological camps and presents analysis and conclusions so that the reader can make an informed choice as to how they will give in the future Since money is vital in every part of society and the church this book spends a considerable amount of time detailing how money was used in the Bible to help readers know the difference between tithes and money The tithing phenomenon has been around for centuries and this book is an expose into the how the current doctrine came into existence and who the culprits were who played a major role in what churches teach today Whether you agree or disagree with tithing as a viable doctrine KLEPTOMANIAC is a back to the past look at Israel s history and how they practiced tithing in a theocracy This book also questions how tithing practices of today affect people financially and how those practices are unlike tithing practices of yesterday Not only does this book challenge the accepted definitions of the tithe it also questions the sustainability of the current practices especially when economic times get tough for people who may not be able to give much From the very beginning to the end of the book everything is supported by Scripture and research You will know from the onset why the author Dr Frank Chase Jr wrote the book and learn about his personal story of what happened as a result of embracing New Covenant giving principles from the New Testament Not only does the book cover the Old Testament tithe it also unveils what the New Testament teaches about giving by analyzing some of the epistles of Apostle Paul concerning his views and instructions on charitable giving

IS TITHING GOD'S ECONOMIC PRINCIPLE FOR CHRISTIANS? Dr Innocent Alozie, 2017-04-11 The issue of tithing is a critical issue amongst believers The first tithe payer in the Bible was Abraham In Genesis 14 18 20 the scriptures says Then Melchizedek king of Salem brought out bread and wine he was the Priest of God Most High And he blessed him and said Blessed be Abram of the Most High Possessor of Heaven and earth and blessed be God Most High who has delivered your enemies into your hand And he Abraham gave him Melchizedek tithe of all The tithe was paid from the goods he gathered after the defeat of the four kings led by Chedorlaomer king of Elam This first recorded tithe payment was hundreds of years before Moses was born and by extension before the Law was given through Moses From this we know that tithing Pre dates the Law

God's Guarantees for Giving Ron Knott, 2002 Many Christians are either confused or deceived about the subject of giving This book takes a look at the Biblical view of giving to the church

The Tithe James DeFazio, 2007-07 Prosperity theology is questionable at best yet many church leaders teach and some even demand the tithe of the Old Covenant as a method of giving This volume explains how to free oneself from the legalism of law and to give with the freedom and liberty of grace as led by the Holy Spirit

Social Issues The God Who Gives Kelly M. Kopic, 2018-06-12 Many Christians wonder what the Christian life is all about They hear about grace but struggle to rightly understand it much less live it They are taught about God but their vision of him does not always reflect the full biblical portrait of the Father Son and Holy Spirit When this happens Christians struggle to know the ways of God and how to joyfully participate in his work The God Who Gives provides a compelling vision of Christian faith and life helping readers discover the uniqueness of the gospel that God's kingdom comes not by taking but by giving God gives Himself We are invited into the fullness of life that can only come through the gift of God's divine generosity Taking readers through the grand biblical narrative of creation fall redemption and kingdom author Kelly M Kopic helps us see our story in and through the story of Scripture He shows that everything belongs to God and yet because of our turning and taking from him we experience a kind of suffocating bondage to sin So how does God reclaim us God gives again The God who gave in creation restores by recreating us through his Son and by his Spirit The kingdom of God is an overflowing measure of divine generosity that we are invited to participate in The God Who Gives calls readers to discover that the whole Christian story is founded upon the Triune God's self giving and our belonging to God Fully embracing this truth changes how we view God ourselves and the world Living in God's gifts we are freed to give ourselves and truly experience life

s call on his life a call that tore him out of his corner office at one of America's most prestigious corporations to walk with the poorest of the poor in our world Stearns's compelling story demonstrates that the whole gospel was always meant to be a world changing social revolution a revolution that begins with each one of us With more than 260 000 copies sold this revised and updated edition will be part of World Vision's 75th anniversary **Why Christians Should Not Tithe** James D.

Quiggle,2009-08-01 The premise of Why Christians Should Not Tithe is simple God having freed his people from the Law through faith in Jesus Christ does not place on them a burden from the Law The thesis is equally as simple Christian giving is not a tithe Christ challenges the believer to give himself and his possessions to the gospel cause but the tithe fixes a limit and implies nothing more is needed Why Christians Should Not Tithe is a thorough discussion of the four tithes in Moses Law Jesus comments on tithing and the twenty one principles of giving developed by the apostles in Acts and the epistles Included is a brief review of the history of tithing from post apostolic times to the present The book concludes with a new paradigm for giving not based on the tithe but on the apostles doctrine of Christian giving Should Christians tithe to support the gospel
