Gods Greater Glory The Exalted God Of Scripture And The Christian Faith:

God's Greater Glory Bruce A. Ware, 2004-11-11 Though in all things God's Word is the final authority our Christian tradition as inherited from centuries of careful reflection and endeavoring to be true to the teaching of Scripture can greatly enlighten us Nowhere is this blend of respectful listening to the wisdom of the past and faithfulness to the Bible more necessary than in our contemporary reformulations of the doctrine of God's person Bruce Ware believes that while tradition's emphasis on God's metaphysical perfection and His supremacy over the world is correct we must refine our understanding of the way in which He relates to us While retaining the deepest concerns of the historic tradition Ware offers a more rational view of God's dealings with His children a view that is reflected in Scripture's own testimony of Him Ware then applies this concept of real divine exaltation and real divine human relationship to the areas of our prayer life confidence in God and His guidance of us

Why God Must Do What is Best Justin J. Daeley, 2021-09-09 The idea that God understood as the most perfect being must create the best possible world is often underacknowledged by contemporary theologians and philosophers of religion This book clearly demonstrates the rationale for what Justin J Daeley calls Theistic Optimism and interacts with the existing literature in order to highlight its limitations While locating Theistic Optimism in the thought of Gottfried Leibniz Daeley argues that Theistic Optimism is consistent with divine freedom aseity gratitude and our typical modal intuitions By offering plausible solutions to each of the criticisms levelled against Theistic Optimism he also provides a vigorous and original defence against the charge that it deviates from the Christian tradition Engaging with both the Christian tradition and contemporary theologians and philosophers **Why God Must Do What is Best** positions the idea of Theistic Optimism firmly within the language of contemporary philosophy of religion

Young, Restless, No Longer Reformed Austin Fischer, 2014-01-13 Does it really matter Does it matter if we have free will Does it matter if Calvinism is true And does what you think about it matter No and yes No it doesn't matter because God is who he is and does what he does regardless of what we think of him just as the solar system keeps spinning around the sun even if we're convinced it spins around the earth Our opinions about God will not change God but they can change us And so yes it does matter because the conversations about free will and Calvinism confront us with perhaps the only question that really matters who is God This is a book about that question a book about the Bible black holes love sovereignty hell Romans 9 Jonathan Edwards John Piper C S Lewis Karl Barth and a little girl in a red coat You've heard arguments but here's a story Austin Fischer's story and his journey in and out of Calvinism on a trip to the center of the universe

To Save Sinners Michael Riccardi, 2023-04-12 The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity the very heart of the gospel Because of this one does not stray far from the heart of the Christian faith when he asks For whom has Christ accomplished so great a salvation Answers to that question have historically fallen in two broad categories Either Jesus died for all people without exception or he died only for those whom the Father has chosen to save Recently a mediating view has arisen arguing that we should not

choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone In this book Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism The book demonstrates that while the third way proposed is attractive at first blush beneath the surface it faces insurmountable biblical and theological problems including the redefinition of the nature of the atonement itself Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents

Salvation and Sovereignty Kenneth Keathley, 2010-01-01 A unique book exploring the issues of free will and God's sovereignty by comparing and contrasting the doctrines of Calvinism and Molinism favoring the latter

Reformed Systematic Theology, Volume 1 Joel Beeke, Paul M. Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God Middle Knowledge John D. Laing, 2019-03-21 Most Christians believe God is in control but they are unsure of how to reconcile that control with their struggles with sin the command to evangelize and the immense suffering in the world and their own lives Laing offers an introduction to the doctrine of providence based on the theory of middle knowledge first articulated in the sixteenth century This view describes how creatures have true free will and God has perfect knowledge of what each creature could and would do in any circumstance Middle knowledge helps answer the most perplexing theological questions predestination and salvation the existence of evil divine and human authorship of Scripture and science and the Christian faith Laing provides extensive biblical support as well as practical applications for this theology **Constructing a Mediating Theology** J. D. Kim, 2022-11-16 How does an almighty and all loving God respond to his beloved human creatures who are made in his image and yet implicated in sin and suffering What is the origin of human suffering Is it sin or the limitations of human beings Is God moved by our suffering If he sympathizes and co suffers with us can he deliver us out of our miseries Thousands and perhaps millions of people have asked these questions and are searching desperately for their answers Two major views have been advanced in the history of Christian theology to describe God's response to the suffering of the world divine impassibility and divine passibility More recently a third mediating position between impassibilism and passibilism has arisen which affirms both the impassibility and the passibility of God This position can be identified as modified classical theism an approach that grasps the perfect and relational nature of God Following this mediating position this book sets out its own constructive understanding of a mediating position with the help of a new way of understanding the way in which the eternal actions and corresponding passions of the divine persons condition one another the dynamic reciprocity model **40**

Bird, Scott Harrower, 2019-04-30 A defense of equality among the persons of the Trinity In response to those complementarian theologians who assert that the Son is eternally subordinate to the Father the contributors to *Trinity Without Hierarchy* contend that this view misconstrues the orthodox doctrine of the Trinity and reduces the Son to a lower level of glory and majesty than the Father Surveying Scripture church history and theology sixteen contributors present a defense of the full and equal authority of all three members of the Trinity while critiquing approaches that border on semi Arianism In particular the creedal confessions of Nicaea are upheld as the historical standard by which any proposed Trinitarian doctrine should be judged While some contributors hold complementarian and others egalitarian viewpoints all agree that Trinitarian relations are not a proper basis for understanding gender roles *Trinity Without Hierarchy* is indispensable reading for anyone interested in the current debate over the relationship between Trinitarian theology and the roles of men and women *Righteous Indignation* Gregory L. Invitation to Biblical Theology Jeremy M. Kimble, Ched Spellman, 2020-08-04 *Invitation to Biblical Theology* provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God s plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God s glory and mission The authors conclude with reflections

on how biblical theology can serve the church as well as the academy **Anyone Can Be Saved** David L. Allen, Eric Hankins, Adam Harwood, 2016-09-15 *Anyone Can Be Saved* articulates a biblical theological explanation of the doctrine of salvation in light of the rise of Calvinistic theology among Southern Baptist churches in the United States Ten scholars pastors and leaders advocate for the ten articles of the Traditional Statement by appealing to Scripture the Baptist Faith and Message and a variety of biblical theological and philosophical writings Although many books address the doctrine of salvation these authors consciously set aside the Calvinist Arminian presuppositions that have framed this discussion in western theology for centuries The contributors are unified in their conviction that any person who hears the gospel can be saved a view that was found among earlier Baptists as well as other Christian groups today This book is not meant to be the final word on Southern Baptist soteriology but is offered as a peaceable contribution to the wider conversation on the doctrine of salvation **Baptist Theology** James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal *The Doctrine of God* John C. Peckham, 2019-09-05 John C Peckham introduces and engages with major questions about God s nature and how God relates to the world Does God change Does God have emotions Can God do anything Does God know the future Does God always attain what God desires And is God entirely good This textbook provides a clear and concise overview of the issues involved in these and other questions exploring prominent contemporary approaches to the main issues relative to how to conceive of the God world relationship within Christian theology In so doing Peckham surveys a range of live options regarding each of the primary questions briefly considering where each falls within the spectrum of the Christian tradition and providing clear and readily understandable explanations

Once Loved Always Loved Andrew Hronich,2023-02-23 In this book Andrew Hronich endeavors to synthesize the many strands of orthodox doctrine into a single telos ultimate reconciliation While a great deal of ink has already been spilled on this subject this book addresses ponderances previously overlooked due to a lack of ecumenical dialogue between the differing streams of Christian tradition Ancient lights such as Origen Gregory of Nyssa and Clement of Alexandria are given a voice to speak again to the masses whilst contemporary thinkers such as Thomas Talbott David Bentley Hart and Eric Reitan are unleashed upon the unwitting world of Christian philosophy Stagnant tradition has hindered the church from abiding by its historic motto semper reformanda but with its ecumenical voice this book calls on Protestants Catholics and Orthodox adherents alike to acknowledge apokatastasis panton the salvation of all beings as the orthodoxy it always has been
