## **Gods Hiddenness In Combat Toward Christian Reflection On Battle:**

**God's Hiddenness in Combat** Preston Jones, Cody Beckman, 2009-02-18 The primary question at the heart of this book is Where is God for the person in combat According to one well known saying there are no atheists in foxholes Yet it is difficult for believers in a personal and caring God to locate God s place in the world of war Another common saying that war is hell seems more accurate if one accepts the basic definition of hell as God s absence The complication here is that some combatants do sense God s presence This study draws from numerous interviews memoirs letters and archival materials and reflecting on the crucifixion of Christ to consider how God can be both present in and absent from the world of war

**Armor of God** Daniel Boehm, 2017-03-23 You're in a war fighting a battle and you may not even know the battle is for your mind This is a study guide to teach you about the armor of God how it works to protect and strengthen you and how to put it on It teaches that you are in a strategic battle that is raging all around you and me and everyone else The book states that you don't have to be afraid you can become prepared for not only helping yourself but others To help those who don't yet know they are in a battle for their very lives and those who are afraid to stand for themselves This is not about religion or religious interpretation It is about the truth that can only come from spiritual awakening

God of War, Arise! Archbishop Gloria Grace, 2017-01-21 The strategies of the enemy in battles against the people of God over the years have been similar He is threatened by the people and the nations that belong to God He is also threatened by those who declare the will and the counsel of God on Earth through the preaching of the gospel of the Lord Jesus Christ So he attacks enslaves intimidates terrorizes and also tries to kill them In all these ways he never stops until God intervenes for His people when they cry out to Him in prayers The Lord did not leave us at the mercy of the enemy in any battle He is the captain our warfare and He has all the needed strategies for us to undertake in every battle Each battle has a needed strategy from the Lord with which we can win our victory In the old times the Lord gave His people peculiar strategy for each battle and as the people of God follow divine instruction for each battle they had overwhelming victory This book looks into various battles the through which the Lord led His people and how following divine battle plans led them to vast victories The same principle applies to us today It is only when we seek the Lord for victory in our battles and align ourselves to His battle plans that we have great victories

The Battle is the Lords Tony Evans, 2008-09-01 Do you want to be challenged to deepen your understanding of the characteristics and requirements of Almighty God The Understanding God Series contains the bulk of Pastor Tony Evans compelling and hard hitting resources on the essentials about God Jesus Christ the Holy Spirit Spiritual Warfare and prophecy Now available in paperback readers will not want to be without a single book in the series by this popular and powerful speaker and author Just because many of us ignore spiritual warfare does not mean we're not in an intense battle Tony Evans tackles this difficult and theologically complex issue with the intensity skill and biblical foundation readers have come to expect He systematically reveals Satan's strategies and helps readers fight back

**The Lord is a Man of War** Dr. D. K. Olukoya, 2016-03-18 The reason why many people have lived as spineless weaklings

who always run away whenever there is little threat from the camp of the enemy could be traced to their ignorance of God's power. Nobody can truly know God as a man of war and fail to experience victory in life's battles. Get to see the Lord as a man of war. *Battle Cry* Bruce Dillender, 2019-07-23 When it comes to God and spirituality we all have our personal opinions and beliefs. If you believe in God, open your heart and mind because there's so much more to discover and learn. If you don't believe in God but would at least agree there has to be more to life than what meets the eye, why not explore the possibility of God? What do you have to lose? What might you gain? Considering how often we are shocked, disgusted, sickened, and horrified by another mass shooting, the existence of evil can no longer be denied. Even law enforcement and the media refers to these horrific acts as acts of pure evil. Then when we look at the condition of our personal lives, the lives of those we care about, our family, our communities, our cities, and the nation, we can no longer ignore the evidence of the battle that exists between good and evil. We are in desperate need of a spiritual awakening. Our awareness and acknowledgment of the Spirit is the difference between living a life of spiritual defeat or spiritual victory. Our spirituality and our dependence on the Spirit affects our personal health and spiritual development. Based on what you are experiencing in your personal life, are you in need of a spiritual awakening? Then *Battle Cry* could be exactly what you need at precisely the right time. When it comes to God, nothing is by chance, so by virtue of the fact you are in possession of this book, you are one of the countless reasons why it was written.

Discover what God has said to Pierce about the upcoming period and learn how to prosper through strategic intercession, worship, warfare, and a powerful new weapon of intercession: the four watches of the night. *Battle Wisdoms* Marie Broussard Nutter, 2017-01-17 You will discover the seven God-given prime directives to keenly observe while going through any conflict.
