

HOLT Physics

The background of the cover is a dark, abstract composition. It features several bundles of fiber optic cables, some of which are illuminated with a bright blue light, creating a sense of depth and movement. A large, glowing blue sine wave is visible in the lower right quadrant, suggesting the concept of waves in physics. The overall color palette is dominated by deep blues, purples, and a touch of yellow-green from the fiber optic bundles.
$$\sin \theta_c = \frac{n_t}{n_i}$$
