Holy Baptism A Guide For Parents And Godparents:

Holy Baptism John H. Westerhoff, III, 2002-11 This informative guidebook helps parents and godparents sharpen their focus on the significance and importance of faithful preparation for the blessed sacrament of Holy Baptism as it is celebrated in the Episcopal Church Westerhoff draws on church history and personal experience as he outlines developments that have impacted and transformed how we celebrate baptism today An in depth reflection on the baptismal rite as it is found in The Book of Common Prayer guides participants through the service and strengthens their understanding of what they are promising and affirming as sponsors bringing a child into the community of faith *Holy Baptism* John H. Westerhoff, 1996

Holy baptism, 19?? The ^AOxford Guide to ^IThe Book of Common Prayer^R Charles Hefling, Cynthia Shattuck, 2006-07-01 The Book of Common Prayer runs like a golden thread through the history of the Church of England and the worldwide Anglican Communion The Oxford Guide to the Book of Common Prayer is the first comprehensive guide to the history and usage of the original Book of Common Prayer and its numerous descendants throughout the world It shows how a seminal text for Christian worship and devotion has inspired a varied family of religious resources that have had an influence far beyond their use in the churches of a single tradition The Living Church, 1942 Christ's Own Forever Mary Lee Wile, 2003-07 The Leader s Guide combines practical exercises with inspiring reflections on the experiences of individuals involved with baptism Clergy and lay people will find a wealth of ideas tips and discussion starters to help parents and godparents make informed and committed choices on behalf of their infant or young child Christ s Own Forever is a unique resource developed with the varying needs of Episcopal communities of all sizes in mind Flexible session plans are ideal for both one on one conversations with parents or meetings that include several families together Includes background on baptism and Christian initiation as well as guidance on preparation for baptism in the Episcopal Church today Guidance is provided for preparation and follow up with parents who are parish members and those who are unchurched *Guide for Celebrating Infant Baptism, Second Edition* Timothy A. Johnston (Liturgist), Paul Turner, Paul Radkowski, 2020-01-03 Celebrating Baptism well has the potential to evangelize and transform a parish community so that their faith will be stirred deepened and renewed This second edition provides pastoral guidance for preparing joyful and communal celebrations of infant Baptism within or outside Mass according to the newly translated Order of Baptism of Children It provides guidance for selecting Scripture readings prayer texts and music arranging the environment scheduling ministers and preparing liturgies that engage and evangelize **A Guide for Godparents** Peter C. Garrison, 1991-10 A Guide For Godparents is an aid for pastors who deal with ministering to a parade in our constantly moving parish populations Often godparents arrive from out of town or state The parents themselves move more often today than ever before in our society With this book you will cover the theological basics of baptism and the spiritual life in a way that is simple and friendly without being simplistic or condescending The spiritual basis of the book is suited to the busy couples that the church sees coming for their spiritual

nurture and the baptism of their children The content of this book will not scare off these couples parents and godparents returning to their church Peter C Garrison is pastor of Good Shepherd Lutheran Church in Burlingame California His previously published CSS books are Pastoral Pitfalls and Witnesses To The Cross Living Faithfully as a Prayer Book People John H. Westerhoff,2005-01-01 Episcopalians consider themselves to be people whose individual and corporate lives are shaped by the Book of Common Prayer but aside from worship on Sunday morning few know what fills its nearly 1 000 pages John Westerhoff Episcopal priest and Christian educator walks readers through the ways in which the contents of the Prayer Book can and should shape the lives of those who call themselves Episcopalians An excellent resource for parish study or reading in advance of seminary training Westerhoff explores a brief history of the Prayer Book and the ways in which it shapes us as pilgrims and prayerful people How Episcopalians live into their baptism live a Eucharistic and reconciling life as well as a life of wholeness and health are explored in detail All of this as Westerhoff writes helps us lead a holy life and one day to a holy death Will Our Children Have Faith? John H. Westerhoff,2012-08-01 This classic critique of Christian education is revised expanded and includes Westerhoff s overview on the state Christian education over the past forty years According to Westerhoff instead of guiding faith formation within the family the church and the school we relegate religious education to Sunday morning classes There children learn the facts about religion but how will they learn or experience faith How can we nourish and nurture the faith of children instead of only teaching the facts **Living Water** , Klara Tammany is a professional Christian educator who goes about her calling with a joyous urgency This book demonstrates her impassioned approach to religious instruction She starts with the premise that ongoing Christian education must be central to a life of faith and then proceeds from the corollary that baptism must be central to all Christian education Eight group sessions focus repeatedly on water first as a natural element necessary to life then as a symbolic element necessary to spirituality Gradually through prayer song scripture silence poetry visual arts storytelling group discussion and personal reflection water as baptismal element gains ascendancy No longer mere occasional refreshment Living Water inundates becomes life s very medium This text makes for excellent catechumenal preparation but is intended for use by all Christians those who are years into their journeys as well as those who are beginning Designed for small groups of adult Episcopalians the program is easily adaptable to other denominations to one on one spiritual mentoring to children young adult or intergenerational groups and even to individuals for private meditation **A Deacon's Guide to Baptizing Children** Deacon Paul Covino,2021-12 This book considers the deacon s relationship to Baptism his relationship to the ritual and his relationship to the families of the children whom he baptizes The resource will help the deacon better understand how Baptism calls its recipients to discipleship the symbols and the gestures of the ritual and ways to stimulate faith among families who bring their children to be baptized This resource also will address practical issues such as suggestions for the homily a checklist to prepare for Baptisms when a deacon may baptize and how to navigate through the ritual when many children are being baptized

Preparing for Baptism in the Episcopal Church Anne E. Kitch, 2015-07-01 A primer or refresher on the sacrament of Baptism for new parents, new members and godparents. This book is about preparing for Christian baptism in the Episcopal Church. While we may hear people say "I was baptized a Methodist" or "I was baptized Catholic" or "I was baptized Episcopalian," people are not baptized into a denomination; they are baptized into the Christian faith. While various Christian denominations differ both their theology of baptism as it is understood and practiced in the Episcopal Church following the rite found in the Book of Common Prayer 1979. This short book is full of helpful information, solid history, sound theology and thoughtful reflection. It is the perfect book to give to adults or to parents of young children seeking baptism through the Episcopal Church. I am happy that I will be able to offer this book to my students for their future use when guiding baptismal candidates. A truly welcome resource.

The Reverend Dr. Nathan Jennings, associate professor of liturgics and Anglican studies, Seminary of the Southwest.

A Guide to Pentecostal Movements for Lutherans Sarah Hinlicky Wilson, 2016-07-06 In just over a century, Pentecostalism has rocketed from its humble beginnings in an interracial congregation on Azusa Street in Los Angeles to a global movement counting more than six hundred million members. Confronted with the bewildering array of Pentecostal, Charismatic and Neoevangelical beliefs and practices, Lutherans are often at a loss as to how to think about Pentecostals, much less how to engage them in positive ways that build up the whole body of Christ. In this guide, Lutherans will find tools for just such an engagement. Building on a foundation of Pentecostalism's history and varieties, Wilson undertakes an in-depth survey of biblical teaching on baptism, the Holy Spirit and spiritual gifts. The guide then brings innovative new lenses to bear on the questions at stake: the use of church history in defending denominational borders; right and wrong approaches to prosperity; the power of the Spirit and corruptions of power; and the role of experience in theological discernment. Written in a style accessible to laity and clergy alike, this guide will strengthen Lutherans' appreciation of their own tradition while enabling them to encounter Pentecostals as fellow believers in the salvation given by the triune God.

Fostering the faith of young adolescents involves helping them to make connections between the Catholic faith and everyday life.
