information or limited information on the enslaved African Americans on these plantations What happened to these individuals after slavery during Reconstruction and after My African American roots go back to Surry County Virginia My ancestors were enslaved on the Mount Pleasant Swann s Point and Four Mile Tree located four miles from Jamestown Plantations These plantations were settled by the English in 1630s After exhausting the land in Surry the planters moved upriver for fertile farming land in the late 1700s and early 1800s I am providing information on the lives of these enslaved African Americans during slavery the ex slaves during Reconstruction and their descendants after Reconstruction After many years of researching the reliability of the oral histories and comparing this information with archival documents I am presenting findings that are valid and worthy of publishing The year 2019 marked the four hundredth anniversary of people of African descent arriving in English North America Now is an appropriate time to acknowledge their contributions to this country

Journey to the Edge of the Woods Christine Graef,2015-04-20 The prophet Jeremiah mourning his people in the city of Zion spoke of the balm that could heal them He foresaw the physician and he asked Why then is not the health of the daughter of my people recovered The message of Jesus has been in North America for centuries yet past history with the first nations of the land has left many native people thinking they have to choose either to be an Indian or to believe in Jesus Jeremiah said The harvest is past the summer is ended and we are not saved How then do we bring the balm of Gilead to the most oppressed group on the continent where women and children are suffering the highest rates of violence When Jesus forgave a prostitute when he offered living waters to the woman at the well who had six failed relationships and when he healed a crippled woman he showed us how he would build his church from the brokenhearted among all people Journey to the Edge of the Woods visits women sharing concern over the degradation of our daughters sisters mothers and friends in a world of intensifying confusion of the creation of male and female identities

The Nature of the Journey Carole A. Cobb,Cobb,2009-03 As with any journey it cannot be completed alone God longs to help us support us and clarify our visions as we thirst for and grow closer to Him Patience is the bridge that gets us from the will of God to the promises of God therefore wait on Him and never make a long term decision based on short term pain God promises that we will be blessed beyond measure for following the instructions in His Word Go with God doubting nothing He wants us to learn and grow from our experiences and not just go through them Paul gently reminds us in Romans 5 3 4 that we also glory in tribulations knowing that tribulation produces perseverance and perseverance character and character hope The Father has given each of us gifts manage them well so that His generosity can flow through us then give Him the glory Use what He has given you to get what He has promised you It s in you and has been since before birth but you must believe and then respond with faith corresponding action If you get off course the Holy Spirit will redirect you back to what God has already given you The WORD Carole is not only a gifted writer she is an accomplished educator and a scholar She received her Bachelor of Science from Kentucky State University and both her Masters and Ph D from Wayne State University The driving force in Carole s life

is her passion to please God therefore she strives to serve with a spirit of excellence in all that she does Her favorite Scripture is Luke 12 48b For unto whomsoever much is given of him shall much be required Carole encourages you to make a divine imprint in the lives of others to reach beyond yourself and serve *Take the Journey* James Percoco,2023-10-10 In *Take the Journey Teaching American History Through Place Based Learning* author historian and educator James Percoco invites you and your students to the places where many events in American history happened The Journey Through Hallowed Ground is a 180 mile National Heritage area encompassing such historic sites as the Gettysburg battlefield and Thomas Jefferson s home Monticello Though it might prove difficult to visit these particular sites with your students Percoco argues that every community has a story that can be connected to larger themes in American history and that placed based history education can be made a part of every classroom from Nevada to Washington to Pennsylvania Filled with students voices and an enthusiasm for American history *Take the Journey* offers the following Practical and easy to implement lessons Classroom tested materials Specific directions for employing place based best practices in the classroom Ways to meet state standards without sacrificing teacher creativity or hands on learning Lists of resources and primary source materials So bring your students along and let them discover the twists and turns offered by history and the Journey Through Hallowed Ground
