The Silver Lining: A Practical Guide for Christian Grandmothers Nancy Wilson, 2016-11-16 At last a practical Christian guide for grandmothers and for younger women preparing for that stage of life Since our culture is in love with immaturity advice written for older women can tend to focus on changes empty nests new priorities grown children getting married etc But the Bible tells us to focus on the things that don t change In all seasons of life God has good works prepared in advance for us to walk in And whether you re a young woman married unmarried widowed middle aged or a great grandma you never quit exercising that faith in Christ Grandkids and getting older dinners and hospitality mentorship and being an in law all come with their own stretches of bumpy road but faith and joy and a little of Nancy Wilson s practical advice go a long way Women travelling through this season should be thinking in terms of family legacy and in terms of eternity as they seek godly wisdom great joy and a silver haired crown of glory

Ageing, Spirituality, and Well-being Albert Jewell, 2004 Using selected conference material this text explores how well being among the elderly does not depend solely on physical health but also on having purpose in life and ongoing spiritual growth and offers guidance on meeting the spiritual needs of this age group and providing meaningful care and support

The New Big Book of Christian Mysticism Carl McColman, 2023-08-29 This revised and expanded edition offers a big possibility the hope of achieving real experiential union with God The Christian of the future will be a mystic or will not exist This word of warning from theologian Karl Rahner was uttered half a century ago and today Christianity is indeed in crisis Is mysticism necessary for the survival of Christianity What exactly is Christian mysticism How can it be relevant in our crisis ridden world Questions like these inspire The New Big Book of Christian Mysticism a newly updated edition from beloved spiritual teacher and bestselling author Carl McColman The New Big Book of Christian Mysticism serves as both introduction and practical instruction for a living contemplative practice today In addition to the overview of mysticism spiritual and prayer practices in mysticism the various types of mysticism in Christian tradition and influential mystics through the millennia this second edition offers an embodied understanding of the mystic life with a more diverse range of voices and perspectives from Howard Thurman to Pauli Murray It also includes new chapters and themes that address embodied mysticism contemplation and social justice and the ongoing relevance of Jesus s message of radical equality and inclusivity This bigger book introduces both Christians and non Christians to the contemplative tradition within Christianity a tradition that has often been marginalized or cloistered to the church s detriment As a practice oriented book this is an invitation to embrace the mystical element within Christianity a practice that

can equip faithful persons with a joyful sense of divine intimacy not just for personal benefit but as a foundation to a life of service and activism in the interest of justice McColman's overview of mysticism shows how it has been practiced and lived through the centuries and will prove inspirational for today's seekers regardless of their faith tradition At its heart Christian mysticism is an ancient practice that incorporates meditation contemplation worship philosophy the quest for enlightenment the thirst for a better world and the experience of divine presence

Collins, 1988-10-06 This proven guide in pastoral counseling has been extensively expanded and revised by the author to include recent developments and research new resources and attention to newly urgent needs such as AIDS eating disorders homosexuality and violence Written with clarity and sensitivity this volume builds on biblical foundations and the best resources of professional psychology It reflects the insights the author has gained from many years of Christian counseling New Sections include The Legal Ethical and Moral Issues in Counseling The Multicultural Multiracial Issues in Counseling Conflict and Relationships Dealing with Death and Grief Alcoholism and Other Substance Abuse Crises and Trauma Counseling and Terrorism

Sin Bravely Mark Ellingsen, 2009-04-01 Mark Ellingsen dares you to go ahead and sin bravely In this refreshing and unique book he challenges the religious legalism pervasive throughout American evangelicalism today and encourages a new understanding of what it means to be both a Christian and a human being Equipped with the joyful rebellious vision of Martin Luther father of the Protestant reformation

and the latest in neuroscientific research Ellingsen offers a new approach for healthy living one opposed to the duty oriented selfish and stifling conception of faith that has gained such a strong foothold in contemporary American culture It is an approach that fully embraces the active role that God s grace plays in each person s life and the fun and freedom one gains from it Beginning with the first theological analysis of Rick Warren s brand of Christianity this book exposes the burdens and narcissism that purpose driven and duty bound living encourages and includes the purveyors of the Prosperity Gospel taught by such influential preachers like Joel Osteen in his critique Ellingsen writes that brave sinners aware of God s grace in their lives instead say no to narcissism and yes to healthy risk taking that gets beyond selfish desires to the desire to help one another When people sin bravely acknowledging that everything done is done in sin with God s saving grace acting upon them people can learn to recognize God This awareness leads to freedom and joy since the pressure is now removed to do and be good In addition total dependence on God entails a self forgetfulness that leads to happiness The more boldly someone acknowledges their sin in failing to take credit for the good they have done the more focused on God the individual becomes Correspondingly this self forgetful lifestyle is a promising counter cultural alternative to the cultural narcissism which so dominate in many segments of contemporary American society This book demonstrates both how and why brave sinning leads to joy and in so doing offers readers practical advice on living this way Ellingsen also cites recent neurobiological findings showing that when people forget themselves in order to focus on bigger projects the pleasure centers of the brain are stimulated and people become happier and more content It is this joyous risk taking that he suggests brings people closer together closer to God and closer to a better understanding of themselves Sin Bravely dares to be that joyful alternative to the purpose driven life

A Practical Guide to Mental Health Law in Hong Kong Sherlynn G.

Chan,2019-06-05 How can we best serve the interest of a family member who becomes mentally incapacitated because of ageing How can parents of children with autism or Down syndrome arrange their affairs so their children will be taken care of even when they are gone In light of the ageing population and increased life expectancy these problems are likely to increase A Practical Guide to Mental Health Law in Hong Kong will be a good starting point for preparing for the upcoming challenges before it is too late This book is divided into three parts Part I consists of twelve modified case studies based on real life scenarios which provide an introduction to the relevant mental health law in Hong Kong Part II highlights the legal procedures and practical considerations for managing the property and affairs of persons suffering from mental incapacitation MIPs Part III addresses alternative planning tools such as wills enduring powers of attorney continuing powers of attorney and advance medical directives The book ends with a discussion of the way forward for Hong Kong with reference to the mental health law and legal practices in other common law jurisdictions pertinent to the protection of the interests of MIPs Family members caregivers for MIPs and professionals who are in disciplines relevant to the care of the MIPs will find this book a highly informative resource It will also be useful for legal practitioners who are not familiar with this area of law

It is opportune for a book on mental health law in Hong Kong to be published. Sherlynn G Chan's work represents a substantial contribution to the promotion of sound and proper engagement of the legal process in this area. It provides useful and up to date guidance to practitioners in this field. I would highly recommend it to lawyers and students. The Honourable Mr Justice Johnson Lam Man Hon Vice President of the Court of Appeal of the High Court. Sherlynn G Chan is a recognized expert in the management of the affairs of mentally incapacitated persons and this new book of hers is a generous sharing of her wealth of experience in this unique field of the law. The Pilgrim's Guide David Mills, 1999. Published in the centenary year of Lewis's birth. The Pilgrim's Guide offers a study of Lewis's witness to the truth of Christianity especially in his works of fiction and popular apologetics. Written by nineteen leading Lewis scholars and authors, these essays examine Lewis's character and the way he engaged the challenges of the Christian mind, vision, imagination and understanding in the twentieth century. The studies range from discussions of specific Lewis works to critical interpretations of Lewis's most important theological themes. Also included is a guide to the best books and other resources on Lewis, a timeline that places Lewis's life in the context of history and a note on the source for Lewis's use of the phrase 'mere Christianity'. Contributors: Harry Blamires, Stratford Caldecott, Colin Duriez, Bruce Edwards, Leslie Fairfield, Sheridan Gilley, Diana Pavlac Glyer, Kendall Harmon, Thomas Howard, Michael Macdonald, David Mills, Christopher Mitchell, Doris T. Myers, James Patrick, Thomas Peters, Jerry Root, Mark Shea, Stephen Smith, Kallistos Ware. Highly recommended for general readers and all academic levels. Choice

The Quest of the Absolute Louis Dupré, 2013-09-30. This eagerly awaited study brings to completion Louis Dupré's planned trilogy on European culture during the modern epoch. Demonstrating remarkable erudition and sweeping breadth, *The Quest of the Absolute* analyzes Romanticism as a unique cultural phenomenon and a spiritual revolution. Dupré philosophically reflects on its attempts to recapture the past and transform the present in a movement that is partly a return to premodern culture and partly a violent protest against it. Following an introduction on the historical origins of the Romantic Movement, Dupré examines the principal Romantic poets of England: Wordsworth, Coleridge, Shelley, Keats; Germany: Goethe, Schiller, Novalis; H. I. derlin; and France: Lamartine, de Vigny, Hugo, all of whom from different perspectives pursued an absolute ideal. In the chapters of the second part, he concentrates on the critical principles of Romantic aesthetics, the Romantic image of the person as reflected in the novel, and Romantic ethical and political theories. In the chapters of the third, more speculative part, he investigates the comprehensive syntheses of Romantic thought in history, philosophy, and theology. *The Quest of the Absolute* is an important work both as the culmination of Dupré's ongoing project and as a classic in its own right. The book will meet the expectations of the specialist as well as appeal to more general readers with philosophical, cultural, and religious interests.

Fruit of the Vine Mark G. Boyer, 2017-05-23. *Fruit of the Vine: A Biblical Spirituality of Wine* is designed to help the reader grow in spirituality through reflecting on biblical vineyard stories, wine making, and wine as a metaphor for life. A spirituality of wine categorized as a spirit connects the spirit

in wine to the universal spirit all share Wine appeals to all five senses Its bouquet can be smelled its complexity often compared to fruit can be tasted its shades of red designating its body can be seen as it clings to or quickly runs down the inside of a glass One can hear the pop as the cork leaves the bottle s neck and the gurgle of the wine leaving the bottle as it is poured into a glass Wine is a major sign of transformation in the process of growth from blossom sunlight and water to grapes which are in turn broken apart integrated into a whole and fermented into alcohol While the wine is aged it undergoes even more transformation People are transformed when they share this already multiple times transformed beverage The vineyard and all it produces can reveal the divine if a person but opens his or her eyes to see
