AK2902 Aces High Magazine Issue 2, Aces High is a new specialized magazine for scale aircraft modellers The magazine is divided into several articles which guide the reader step by step through the processes of building amazing models Within our articles we illustrate the perfect techniques for painting and weathering etc and include a little of the history that surrounds the theme In commemoration of the centenary of the beginning of World War I our second issue is dedicated to this bitter and bloody conflict with the addition of five characteristic models of aircraft of that era in both 1/32 and 1/48 scales as well as figures and vehicles that are perfect companions to any aircraft diorama It is available in English AK 2902 and Spanish AK 2903 language

AK2904 Aces High Magazine Issue 3, The third issue of Aces High Magazine takes you on a journey to the Far East We give in depth coverage to models depicting Japanese aircraft used during World War Two including the legendary Zero in two of its best known variants a 1/32 A6M5 and 1/72 A6M2 These two key aircraft are complemented by the excellent renditions of another two famous fighters the J2M3 Raiden and Ki 61 Hien both in 1/32 scale and a rarely seen 1/48 Ki 51 Sonia in a very original camouflage scheme The obvious subject for our figure painting article is a Kamikaze pilot To end this issue we include a 1/48 Type 95 Kurogane light utility vehicle

Treasure Ships James Bennett, Russell Keltly (Art historian), 2014 A highlight for the Art Gallery of South Australia in June will be the much anticipated Treasure Ships Art

in the Age of Spices which is the first exhibition in Australia to present the complex artistic and cultural interactions between Europe and Asia from the sixteenth to the nineteenth centuries a period known as the Age of Spices **To Risk It All**

Admiral James Stavridis, USN, 2022-05-24 From one of the great naval leaders of our time a master class in decision making under pressure through the stories of nine famous acts of leadership in battle drawn from the history of the United States Navy with outcomes both glorious and notorious At the heart of Admiral James Stavridis's training as a naval officer was the preparation to lead sailors in combat to face the decisive moment in battle whenever it might arise In *To Risk it All* he offers up nine of the most useful and enthralling stories from the US Navy's nearly 250 year history and draws from them a set of insights that we can all put to use when confronted with fateful choices Conflict Crisis Risk These words have a distinct meaning in a military context that we hope will never apply identically in our own lives But at the same time as Admiral Stavridis shows with great clarity many lessons are universal *To Risk it All* is filled with thrilling and heroic exploits but it is anything but a shallow exercise in myth burnishing Every leader in this book has real flaws as all humans do and the stories of failure or at least the decisions that have been defined as such are as crucial as the stories of success In the end when this master class is concluded we will be better armed for hard decisions both expected and not *The Common Good and*

Ecological Integrity Laura Westra, Janice Gray, Antonio D'Aloia, 2016-05-20 Proponents of the concept of ecological integrity argue that it is a necessary component of global governance on which the sustainable future of the planet and its inhabitants depends This book presents the latest research and current thinking on the role of ecological integrity in support of life on Earth and the importance of governance for the common good or the benefit of all The book considers whether present forms of governance support the common good or whether they are endangering its very foundations It explores the connection between consumerism and capitalism the destruction of natural resources and with it the elimination of many of the ecosystem services that support life in general and human life in particular Chapters focus on the defence of human rights and in particular the rights to key resources such as food water and general health wellbeing as well as energy and security Topics covered include climate change biodiversity migration and conflict resolution with approaches from various perspectives such as politics ethics sociology and law Overall the book provides a stimulating insight into the multifaceted debates surrounding ecological integrity global governance and sustainability **Hollywood in Crisis or: The Collapse of**

the Real Wheeler Winston Dixon, 2016-08-13 This book discusses the collapse and transformation of the Hollywood movie machine in the twenty first century and the concomitant social collapse being felt in nearly every aspect of society Wheeler Winston Dixon examines key works in cinema from the era of late stage capitalists analyzing Hollywood films and the current wave of cinema developed outside of the Hollywood system alike Dixon illustrates how movies and television programs across these spaces have adopted reflected and generated a society in crisis and with it a crisis for the cinematic industry itself

Sebastian Masuda Yuniya Kawamura, 2025-10-14 This book is the first biographical account of Sebastian Masuda written

in English Sebastian Masuda is a Japanese creator and artist who is globally known as the king of Japanese Kawaii cute subculture which originated in Harajuku His continuous pursuit of the concept of kawaii is his lifetime passion and mission and his work is always characterized by bright neon colors that led to the emergence of Decora fashion He wears several hats in the field of fashion art and entertainment and uses colorful and kawaii elements as his creative foundation He treats kawaii styles as explicit non violent forms of rebellion and resistance like many other youth subcultures in Japan that express themselves in unconventional fashion One needs courage to walk down the street wearing bright flashy clothes and accessories from head to toe As an artist Masuda has created prominent art pieces such as a giant Hello Kitty sculpture in New York and a giant Doraemon statue made out of fluffy yarn in Singapore As a designer he has designed the decor of Kawaii Monster Caf in Harajuku and Sushidelic a sushi restaurant in New York He also runs a store 6%DokiDoki which has its own clothing line As an entertainment producer he has collaborated with Kyary Pamyu Pamyu a Japanese singer and pop culture icon and produced her first music video This book traces a strong impact of Masuda's difficult and lonely childhood and upbringing and complex family background on his creative endeavors that attract millions of youngsters that are also going through personal hardships Masuda went through his teenage years spending time alone in the library reading books which made him observant and perceptive This book also delves into his deep understanding of kawaii with intricate layers of interpretations which are often misunderstood and misconstrued as simply being cute girly and infantile Kawaii is not just an adjective but a lifestyle philosophy and ideology
