Judges And Political Reform In Egypt Judges And Political Reform In Egypt:

Judges and Political Reform in Egypt Nathalie Bernard-Maugiron, 2008 If justice in the Arab world is often marked by a lack of autonomy of the judiciary toward the executive power one of the characteristic features of the Egyptian judiciary lies in its strength and activism in the defense of democratic values Judges have been struggling for years to enhance their independence from the executive power and exercise full supervision of the electoral process to achieve transparent elections Recent years have seen growing tensions in Egypt between the judiciary and the executive authority In order to gain concessions judges went as far as to threaten to boycott the supervision of the presidential and legislative elections in the fall of 2005 and to organize sit ins in the streets The struggle between the two powers was in full swing in the spring of 2006 when a conference convened in Cairo in early April on the theme of the role of judges in the process of political reform in Egypt and the Arab world The conference was organized by the Cairo Institute for Human Rights Studies CIHRS in cooperation with the Institut de Recherche pour le Développement IRD This book is a collection of papers from the conference dealing with Egypt They allow a better understanding of the role judges are playing in the process of democratic reform in Egypt as well as the limits of their struggle Contributors Nabil Abd al Fattah Ahmad Abd al Hafiz Maher Abu al Einein Hafez Abu Saada Hisham Al Bastawisi Nathalie Bernard Maugiron Negad Al Bora i Nathan Brown Nathan Mustapha Kamel al Sayyed Abdallah Khalil Mahmud Al Khudayri Mahmud Isabelle Lendrevie Tamir Moustafa Mohamed Al Sayed Said Atef Shahat Said Younis Sherif

Political and Social Protest in Egypt Nicholas S. Hopkins, 2009 Political and Social Protest in Egypt *Beyond the Facade: Political Reform in the Arab World* Marina Ottaway, 2008

Egypt and the Contradictions of Liberalism Dalia F. Fahmy, Daanish Faruqi, 2017-01-05 The liberatory sentiment that stoked the Arab Spring and saw the ousting of long time Egyptian dictator Hosni Mubarak seems a distant memory Democratically elected president Mohammad Morsi lasted only a year before he was forced from power to be replaced by precisely the kind of authoritarianism protestors had been railing against in January 2011 Paradoxically this turn of events was encouraged by the same liberal activists and intelligentsia who pushed for progressive reform under Mubarak This volume analyses how such a key contingent of Egyptian liberals came to develop outright illiberal tendencies Interdisciplinary in scope it brings together experts in Middle East studies political science philosophy Islamic studies and law to address the failure of Egyptian liberalism in a holistic manner from liberalism's relationship with the state to its role in cultivating civil society to the role of Islam and secularism in the cultivation of liberalism A work of impeccable scholarly rigour Egypt and the Contradictions of Liberalism reveals the contemporary ramifications of the state of liberalism in Egypt

Political and Constitutional Transitions in North Africa Justin Frosini, Francesco Biagi, 2014-12-05 The transformations which are taking place in the Arab world are dynamic processes characterised by a number of variables that one can refer to as actors and factors The implications of the Arab uprisings are important for the world at large the Arab world's successes and failures at this crucial

moment may well serve as a model for other nations Political and Constitutional Transitions in North Africa focuses on five Northern African countries Tunisia Egypt Morocco Libya and Algeria examining specific institutions and actors participating in the political upheavals in North Africa since 2011 and placing them in a comparative perspective in order to better understand the processes at work This book addresses issues pertinent to North African and Middle Eastern Studies comparative constitutional law political science and transitional studies and it contains contributions by experts in all these fields Providing a significant contribution to the understanding of events that followed the immolation of Mohamed Bouazizi in Tunisia this book is a valuable contribution to North African Studies Middle Eastern Studies Comparative Constitutional Law and Transitional Studies

Islamists and Secularists in Egypt Dina Shehata,2009-12-04 In a detailed analysis of the continued survival of authoritarian governments in the Arab world this book uses Egypt as a case study to address the timely and complex issue of democratization in the Middle East The author argues that their longevity is less to do with the strength of the regime but more closely related to the divisions and weakness of opposition groupings

Businessmen, Clientelism, and Authoritarianism in Egypt Safinaz El Tarouty,2016-04-29 After the ousting of former Egyptian President Hosni Mubarak in February 2011 much debate surrounded the reasons for the former regime s longevity and its collapse Here Safinaz El Tarouty provides an original contribution to the study of authoritarianism in Egypt by focusing on the role of businessmen in authoritarian survival As the regime intensified neoliberal economic reforms that led to social deprivation and frustration among increasing numbers of Egyptian citizens they co opted businessmen in order to defuse challenges and buttress the regime constructing a new political economy of authoritarianism Extending the existing literature on clientelism El Tarouty creates a typology of regime businessmen relations to describe the multiple mechanisms of co option in the context of economic liberalization Ultimately though these businessmen proved too narrow a constituency to provide legitimacy to the regime and in fact formed one of the reasons for its collapse

American Journal of Islamic Social Sciences 30:4 Abdelwahab El-Affendi,Abadir M. Ibrahim,Esmaeil Esfandiary ,Ali Aslan,Lyndall Herman,Amr G.E. Sabet,Stephen Cory ,Turan Kayaoglu,Sadek Hamid,Dale J. Correa,Ziauddin Sardar,Nader Hashmi ,Meriem El Haitami,Afif Pasuni ,Jay Willoughby ,2014-09-01 The American Journal of Islamic Social Sciences AJISS established in 1984 is a quarterly double blind peer reviewed and interdisciplinary journal published by the International Institute of Islamic Thought IIIT and distributed worldwide The journal showcases a wide variety of scholarly research on all facets of Islam and the Muslim world including subjects such as anthropology history philosophy and metaphysics politics psychology religious law and traditional Islam

Chronicles of the Egyptian Revolution and its Aftermath: 2011-2016 M. Cherif Bassiouni,2017 This book analyses Egypt s 2011 Revolution highlighting the struggle for freedom justice and human dignity in the face of economic and social problems and an on going military regime

Women Judges in the Muslim World ,2017-03-20 Women Judges in the Muslim World A Comparative Study of Discourse and Practice offers a socio legal account of public debates and judicial practices

surrounding the performance of women as judges in eight Muslim majority countries

The Dynamics of Opposition

Cooperation in the Arab World Hendrik Kraetzschmar, 2014-01-02 Within the democratisation literature opposition unity is widely seen as an important requisite to successfully pressure authoritarian rulers into liberalising reforms and in bringing about democratic change Taking up on this theme this book examines the myriad ways in which opposition groups across the Arab world have sought to coalesce into broader reform coalitions at the local national and transnational levels to challenge authoritarian incumbents and their policies Drawing on original case studies from the region it sheds light on the diverse nature and objectives of these reform coalitions and explores the challenges opposition groups face in Arab states in uniting behind a common reform agenda and in driving this agenda forward Be they electoral pacts local government coalitions broader opposition alliances or networks of resistance this book demonstrates that although widespread the record of collective opposition activism in the Arab world is mixed with many reform coalitions lacking the necessary cohesion and mass appeal to effectively mobilise for change This book was originally published as a special issue of British Journal of Middle Eastern Studies

Political and Institutional Transition in North Africa Silvia Colombo, 2018-06-13 The year 2011 will go down in history as a turning point for the Arab world The popular unrest that swept across the region and led to the toppling of the Ben Ali Mubarak and Qaddhafi regimes in Tunisia Egypt and Libya has fundamentally altered the social economic and political outlooks of these countries and the region as a whole This book assesses the transition processes unleashed by the uprisings that took place in Egypt and Tunisia in 2011 The wave of unrest and popular mobilisation that swept through these countries is treated as the point of departure of long and complex processes of change manipulation restructuring and entrenchment of the institutional structures and logics that defined politics The book explores the constitutive elements of institutional development namely processes of constitution making electoral politics the changing status and power of the judiciary and the interplay between the civilian and the military apparatuses in Egypt and Tunisia It also considers the extent to which these two countries have become more democratic as a result of their institutions being more legitimate accountable and responsive at the beginning of 2014 and from a comparative perspective The impact of temporal factors in shaping transition paths is highlighted throughout the book The book provides a comprehensive assessment of political and institutional transition processes in two key countries in North Africa and its conclusions shed light on similar processes that have taken place throughout the region since 2011 It will be a valuable resource for anyone studying Middle Eastern and North African politics area studies comparative institutional development and democratisation

Revisiting the Arab Uprisings Stéphane Lacroix, Jean-Pierre Filiu, 2018-12-15 Since 2013 the Middle East has experienced a double trend of chaos and civil war on the one hand and the return of authoritarianism on the other That convergence has eclipsed the political transitions that occurred in the countries whose regimes were toppled in 2011 as if they were merely footnotes to a narrative that naturally led from an Arab Spring to an Arab Winter This volume aims at

rehabilitating those transitions by considering them as expressions of a revolutionary moment whose outcome was never pre determined but depended on the choices of a large range of actors It brings together leading scholars of Arab politics to adopt a comparative approach to a few crucial aspects of those transitions constitutional debates the question of transitional justice the evolution of civil military relations and the role of specific actors both domestic and international

Bread and Freedom Mona El-Ghobashy, 2021-07-13 A multivocal account of why Egypt's defeated revolution remains a watershed in the country's political history Bread and Freedom offers a new account of Egypt's 2011 revolutionary mobilization based on a documentary record hidden in plain sight party manifestos military communiqués open letters constitutional contentions protest slogans parliamentary debates and court decisions A rich trove of political arguments the sources reveal a range of actors vying over the fundamental question in politics who holds ultimate political authority The revolution's tangled events engaged competing claims to sovereignty made by insurgent forces and entrenched interests alike a vital contest that was terminated by the 2013 military coup and its aftermath Now a decade after the 2011 Arab uprisings Mona El Ghobashy rethinks how we study revolutions looking past causes and consequences to train our sights on the collisions of revolutionary politics She moves beyond the simple judgments that once celebrated Egypt's revolution as an awe inspiring irruption of people power or now label it a tragic failure Revisiting the revolutionary interregnum of 2011-2013 Bread and Freedom takes seriously the political conflicts that developed after the ouster of President Hosni Mubarak an eventful thirty months when it was impossible to rule Egypt without the Egyptians

Law and Revolution Nimer Sultany, 2017 What is the effect of revolutions on legal systems What role do constitutions play in legitimating regimes How do constitutions and revolutions converge or clash Taking the Arab Spring as its case study this book explores the role of law and constitutions during societal upheavals and critically evaluates the different trajectories they could follow in a revolutionary setting The book urges a rethinking of major categories in political legal and constitutional theory in light of the Arab Spring The book is a novel and comprehensive examination of the constitutional order that preceded and followed the Arab Spring in Egypt Tunisia Libya Morocco Jordan Algeria Oman and Bahrain It also provides the first thorough discussion of the trials of former regime officials in Egypt and Tunisia Drawing on a wide range of primary sources including an in depth analysis of recent court rulings in several Arab countries the book illustrates the contradictory roles of law and constitutions The book also contrasts the Arab Spring with other revolutionary situations and demonstrates how the Arab Spring provides a laboratory for examining scholarly ideas about revolutions legitimacy legality continuity popular sovereignty and constituent power

The International Dimensions of Democratization in Egypt Gamal M. Selim, 2015-06-29 This book purports to examine the international dimensions of the democratization process in Egypt in the post Cold War era a theme which acquired significance at the academic and policy oriented levels in light of the growing internationalization of reform arrangements in the Arab world in post 9/11 and the greater involvement of external powers in Arab politics following the Arab Spring

uprisings During the second half of the twentieth century the mainstream scholarship presented the democratization process as the outcome of domestic conditions not significantly influenced by actors outside the nation state With the end of the Cold War this perspective was challenged as a result of the third wave of democratization and the subsequent growth of the good governance discourse on the agenda of the international development establishment The new perspective attached a more significant role to external factors in the democratization process than was originally conceptualized **Egypt** Azmi Bishara,2022-07-14 Azmi Bishara's seminal study of the 2011 Egyptian Revolution chronicles in granular detail the lead up to the momentous uprisings and the subsequent transition and coup The book critically investigates the social and economic conditions that formed the backdrop to the revolution and the complex challenges posed by the transition from authoritarianism to democracy Part One From July Coup to January Revolution goes back to what is called the 1952 revolution or the 1952 Coup d'état and traces events until 2011 when Hosni Mubarak stepped down as the president of Egypt after weeks of protest It highlights the relationship between the presidency and the army to show that contrary to popular belief the presidency grew gradually stronger at the expense of other institutions especially the army and reached its apogee under Mubarak Part Two From Revolution to Coup d'Etat covers the critical stages from when the military junta took over the governing of Egypt as the Supreme Council of the Armed Forces SCAF and the election of Morsi up until the coup to overthrow his presidency Using a democratic transition theory perspective Azmi Bishara explains the failure of the democratic transition and how it has impacted on Arab revolutions ever since Written while the revolutions were taking place this book conveys a sense of immediacy and urgency as Bishara makes wide ranging assessments with many of his forecasts corroborated in later years The book is renowned for its use of primary source material including interviews statistics and public opinion polls thus preserving the memory of the revolution and remaining one of the most comprehensive reference books on the subject to date Egypt After Mubarak Bruce K. Rutherford,2013-02-24 Egypt after Mubarak demonstrates that both secular and Islamist opponents of the regime are navigating a middle path that may result in a uniquely Islamic form of liberalism and perhaps democracy Essential reading on a subject of global importance Egypt after Mubarak draws upon in depth interviews with Egyptian judges lawyers Islamic activists politicians and businesspeople It also utilizes major court rulings political documents of the Muslim Brotherhood and the writings of Egypt's leading contemporary Islamic thinkers BOOK JACKET Africa 2016-2017 Francis Wiafe-Amoako,2016-07-28 The World Today Series Africa provides students with vital information on all countries on the African continent through a thorough and expert overview of political and economic histories current events and emerging trends Each country is examined through the following sections Basic Facts Land and People The Past Political and Economic History The Present Contemporary Issues and The Future In addition to country chapters the book features extended essays on Africa's Historical Background and the Colonial Period The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource

for researchers practitioners in international development media professionals government officials potential investors and students The content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets *Adjudicating Family Law in Muslim Courts* Elisa Giunchi, 2013-12-04 While there are many books on Islamic family law the literature on its enforcement is scarce This book focuses on how Islamic family law is interpreted and applied by judges in a range of Muslim countries Sunni and Shi'a as well as Arab and non Arab It thereby aids the understanding of shari'a law in practice in a number of different cultural and political settings It shows how the existence of differing views of what shari'a is as well as the presence of a vast body of legal material which judges can refer to make it possible for courts to interpret Islamic law in creative and innovative ways

Judges And Political Reform In Egypt Judges And Political Reform In Egypt Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Judges And Political Reform In Egypt Judges And Political Reform In Egypt PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Judges And Political Reform In Egypt Judges And

Political Reform In Egypt PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Judges And Political Reform In Egypt Judges And Political Reform In Egypt free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Judges And Political Reform In Egypt Judges And Political Reform In Egypt Books

What is a Judges And Political Reform In Egypt Judges And Political Reform In Egypt PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Judges And Political Reform In Egypt Judges And Political Reform In Egypt PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Judges And Political Reform In Egypt Judges And Political Reform In Egypt PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Judges And Political Reform In Egypt Judges And Political Reform In Egypt PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Judges And Political Reform In Egypt Judges And Political Reform In Egypt PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
