Judgment And Decision Making In Accounting

Theresa Libby, Linda Thorne

Judgment And Decision Making In Accounting:

Judgment and Decision Making in Accounting Sarah E. Bonner, 2008 This unique first edition is the only book on the market that delivers a contemporary synthesis of both psychology and accounting literature related to judgment and decision making Judgment and Decision Making in Accounting is structured around an innovative framework that provides a unique way of thinking about JDM projects and organizing JDM research Developed based on many years of teaching and research on accounting JDM this unique framework succinctly describes the key issues in accounting JDM research enabling readers to more quickly assimilate the vast material related to those issues The framework also provides a basis to help readers evaluate their own current JDM research ideas as well as generate further research questions **Judgment and**

Decision-Making Research in Accounting and Auditing Robert H. Ashton, Alison Hubbard Ashton, 1995-09-29 A timely and comprehensive study on behavioural decision making within the field of accounting *Blackwell Handbook of Judgment and Decision Making* Derek J. Koehler, Nigel Harvey, 2008-04-15 The Blackwell Handbook of Judgment and Decision Making is a state of the art overview of current topics and research in the study of how people make evaluations draw inferences and make decisions under conditions of uncertainty and conflict Contains contributions by experts from various disciplines that reflect current trends and controversies on judgment and decision making Provides a glimpse at the many approaches that have been taken in the study of judgment and decision making and portrays the major findings in the field Presents examinations of the broader roles of social emotional and cultural influences on decision making Explores applications of judgment and decision making research to important problems in a variety of professional contexts including finance accounting medicine public policy and the law **The Wiley Blackwell Handbook of Judgment and Decision Making,**

2 Volume Set Gideon Keren, George Wu, 2016-02-16 A comprehensive up to date examination of the most important theory concepts methodological approaches and applications in the burgeoning field of judgment and decision making JDM Emphasizes the growth of JDM applications with chapters devoted to medical decision making decision making and the law consumer behavior and more Addresses controversial topics from multiple perspectives such as choice from description versus choice from experience and contrasts between empirical methodologies employed in behavioral economics and psychology Brings together a multi disciplinary group of contributors from across the social sciences including psychology economics marketing finance public policy sociology and philosophy 2 Volumes Neuroeconomics, Judgment, and Decision Making Evan A. Wilhelms, Valerie F. Reyna, 2014-07-11 This volume explores how and why people make judgments and decisions that have economic consequences and what the implications are for human well being It provides an integrated review of the latest research from many different disciplines including social cognitive and developmental psychology neuroscience and neurobiology and economics and business The book has six areas of focus historical foundations cognitive consistency and inconsistency heuristics and biases neuroeconomics and neurobiology developmental and individual

differences and improving decisions Throughout the contributors draw out implications from traditional behavioral research as well as evidence from neuroscience In recent years neuroscientific methods have matured beyond being simply correlational and descriptive into theoretical prediction and explanation and this has opened up many new areas of discovery about economic behavior that are reviewed in the book In the final part there are applications of the research to cognitive development individual differences and the improving of decisions The book takes a broad perspective and is written in an accessible way so as to reach a wide audience of advanced students and researchers interested in behavioral economics and related areas This includes neuroscientists neuropsychologists clinicians psychologists developmental social and cognitive economists and other social scientists legal scholars and criminologists professionals in public health and medicine educators evidence based practitioners and policy makers

Judgment and Decision-Making Nancy S. Kim, 2017-10-19 How do we make the judgments that inform our lives Is there any way of consciously removing bias from the choices we make What do our everyday personal decisions have in common with those made by groups companies and even nations In this engaging and innovative textbook Nancy Kim presents a multidisciplinary introduction to the dynamic field of judgment and decision making This lucidly written text delivers insights from cognitive psychology aptly combining with interdependent findings from fields as diverse as neuropsychology behavioural economics social developmental and clinical psychology and philosophy Offering not only a comprehensive explanation of the neurological structures and cognitive processes that underlie how we make decisions and form judgments in our everyday lives readers can expect to learn the implications of these decisions upon an individual's prospects for health and longevity Understanding behaviour is a central aspect of inquiry in the psychology discipline and as such this book is an essential companion for students taking undergraduate psychology cognitive psychology and cognitive neuroscience courses particularly those which include a module in judgment and decision making This text may also be helpful for undergraduate and postgraduate business courses on the subject

Judgment and Decision Making in Accounting Sarah E. Bonner, 2011 *Judgment and Decision Making* David Hardman, 2009-02-09 Judgment and Decision Making is a refreshingly accessible text that explores the wide variety of ways people make judgments It examines assessments of probability frequency and causation as well as how decisions are rendered under conditions of risk and uncertainty Topics covered include dynamic everyday and group decision making individual differences and the nature of mind and brain in relation to judgment and decision making Offering up to date theoretical coverage including perspectives from evolutionary psychology and neuroscience this volume has everything a psychology student needs for BPS accreditation whilst drawing out the practical applications for non psychology students with plentiful examples from business economics sport law and medicine The latest addition to the BPS Textbooks in Psychology series this thorough text provides a succinct reader friendly account of the field of judgment and decision making

The Behavior of Assurance Professionals Olof P. G. Bik, 2010 The complexity of human behavior challenges our

explanatory powers Yet in this day and age we desperately try to manage and control the behavior of our corporate citizens through rules codes systems and procedures alike This study is an illustration that true human behavior cannot simply be controlled by more of such rules Instead it is driven by many psychological cultural contextual and environmental factors The focus of this study is the influence of cross national cultural differences in the context of the professional behavior of auditors based on the central question Is auditors professional behavior affected by crossnational cultural differences and if so how Being based on grounded theory in part validated within an international accounting organization this study is the first to provide a more profound in depth and contextualized analysis and understanding of the effect of cross national cultural differences on the behavior of professionals in general and that of auditors in particular

Emerging Perspectives on Judgment and Decision Research Sandra L. Schneider,James Shanteau,2003-06-16 Table of contents

Perspectives on Judgment and Decision Making Wing Hong Loke,1996 Stresses the connections between theory methodology and application The book is divided into six general sections general theory and applications cross culture medicine law groups and the evaluation of decision making

Achieving Global Convergence of Financial Reporting Standards Christopher Patel,Parmod Chand,2011-12-15 This research monograph examines whether International Financial Reporting Standards IFRS are interpreted and applied in a consistent manner within and across countries and questions the implicit assumption that accounting convergence will automatically lead to comparability in financial reporting

Research on Judgment and Decision Making William M. Goldstein,Robin M. Hogarth,1997-06-13 This book offers an overview of recent research on the psychology of judgment and decision making the field that investigates the processes by which people draw conclusions reach evaluations and make choices An introductory historically oriented chapter provides a way of viewing the overall structure of the field its recent trends and its possible directions Subsequent sections present significant recent papers by prominent researchers organized to reveal the currents connections and controversies that animate the field Current trends in the field are illustrated with papers from ongoing streams of research The papers on connections explore memory explanation and argument affect attitudes and motivation Finally a section on controversies presents problem representation domain knowledge content specificity rule governed versus rule described behavior and proposals for radical departures and new beginnings in the field Students and researchers in psychology who have an interest in cognitive processes will find this text to be rewarding reading

Problem Solving, Decision Making, and Professional Judgment Paul Brest,Linda Hamilton Krieger,2010-06-17 In Problem Solving Decision Making and Professional Judgment A Guide for Lawyers and Policymakers Paul Brest and Linda Hamilton Krieger prepare students and professionals to be creative problem solvers wise counselors and effective decision makers The authors provide readers with knowledge of decision theory probability and statistics social and cognitive psychology and arm them against common sources of judgment error The ultimate goal is to help readers get it right in their roles as professionals citizens and individuals

The Influence of Information Order Effects and Trait

Professional Skepticism on Auditors' Belief Revisions Kristina Yankova, 2015-02-10 Kristina Yankova addresses the question of what role professional skepticism plays in the context of cognitive biases the so called information order effects in auditor judgment Professional skepticism is a fundamental concept in auditing Despite its immense importance to audit practice and the voluminous literature on this issue professional skepticism is a topic which still involves more questions than answers The work provides important theoretical and empirical insights into the behavioral implications of professional skepticism in auditing

Judgment and Decision Making Accounting Research Natalia Kochetova, Steven Salterio, 2008 This chapter reviews the judgment and decision making research JDM that involves the production certification and use of accounting information We first outline the domain of accounting information and the roles of professional accountants and other users of accounting information We then provide a brief historical perspective on accounting JDM research We describe the current impact of JDM accounting research on accounting research more generally in the period 1995 2002 via an analysis of JDM accounting publications in top accounting journals We then turn to describing recent foci of JDM accounting research both quantitatively using the classifications in this Handbook and qualitatively by examining in some detail significant recent JDM accounting articles We conclude with some observations about the future of JDM accounting research

Judgments, Decisions, and Public Policy Mothakapalli Venkatappa Rajeev Gowda, Jeffrey C. Fox, 2002 Behavioral decision theory draws on experimental research in cognitive psychology to provide a descriptively accurate model of human behavior It shows that people systematically violate the normative assumptions of economic rationality by miscalculating probabilities and making choices based on one economic criteria Behavioral decision theory's ability to capture the complexity of human judgments and choices makes it a useful foundation for improving public policy analysis design and implementation This volume showcases the research of leading scholars who are working on applications of behavioral decision theory in diverse policy settings It is designed to give policy analysts and practitioners who are non psychologists a clearer understanding of the complexities of human judgment and choice and an idea of how to integrate behavioral decision theoretic insights into the policy sciences This interdisciplinary volume should be insightful and useful wherever people's judgments and choices matter for policy formulation acceptance and effectiveness

Persuasive Communication Richard O. Young, 2016-07-15 This updated and expanded edition of *Persuasive Communication* offers a comprehensive introduction to persuasion and real world decision making Drawing on empirical research from social psychology neuroscience business communication research cognitive science and behavioral economics Young reveals the thought processes of many different audiences from investors to CEOs to help students better understand why audiences make the decisions they make and how to influence them The book covers a broad range of communication techniques richly illustrated with compelling examples including resumes speeches and slide presentations to help students recognize persuasive methods that do and do not work A detailed analysis of the emotions and biases that go into decision making arms students with perceptive insights into human behavior and

helps them apply this understanding with various decision making aids Students will learn how to impact potential employers clients and other audiences essential to their success This book will prove fascinating to many and especially useful for students of persuasion rhetoric and business communication

The Routledge Handbook of Behavioural Accounting Research Theresa Libby,Linda Thorne,2025-04-29 The Routledge Handbook of Behavioural Accounting Research covers a full range of theoretical methodological and statistical approaches relied upon by behavioural accounting researchers giving the reader a good grounding in both theoretical perspectives and practical applications Behavioural research is broadly defined as research focused at the individual or small group level drawing mainly on theories from psychology It is well established in the social sciences and has flourished in the field of accounting in recent decades This updated edition maintains the structure of the original handbook and includes all the original chapters which have been revised to reflect the current and evolving emphasis on the theories and tools employed in behavioural research and applied to the research in the accounting domain In addition to the updated original chapters eight new chapters have been included reflecting the expansion of the topics theories and methodologies and presenting developmental advice for behavioural accounting researchers The new topic and theory chapters include chapters outlining our progress in research on the accounting for sustainability language effects in financial disclosures advances in policy related research in financial accounting the impact of algorithms and artificial intelligence and the role of data analytics and data visualization on decision making in accounting and auditing Two additional method chapters include a primer on Hayes PROCESS models in mediation and moderation as well as a new chapter outlining best practices in the design and implementation of experiential questionnaires Finally a chapter has been added providing guidance and advice on responding to reviewers comments to complement the first edition chapter on preparing a review This book is a vital introduction for advanced doctoral students in behavioural accounting research as well as a valuable resource for established behavioural accounting researchers providing a comprehensive guide to the development and implementation of a behavioural accounting research project

The Routledge Companion to Behavioural Accounting Research Theresa Libby,Linda Thorne,2017-11-06 Behavioural research is well established in the social sciences and has flourished in the field of accounting in recent decades This far reaching and reliable collection provides a definitive resource on current knowledge in this new approach as well as providing a guide to the development and implementation of a Behavioural Accounting Research project The Routledge Companion to Behavioural Accounting Research covers a full range of theoretical methodological and statistical approaches relied upon by behavioural accounting researchers giving the reader a good grounding in both theoretical perspectives and practical applications The perspectives cover a range of countries and contexts bringing in seminal chapters by an international selection of behavioural accounting scholars including Robert Libby and William R Kinney Jr This book is a vital introduction for Ph D students as well as a valuable resource for established behavioural accounting researchers

Judgment And Decision Making In Accounting Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Judgment And Decision Making In Accounting free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Judgment And Decision Making In Accounting free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading Judgment And Decision Making In Accounting free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Judgment And Decision Making In Accounting. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Judgment And Decision Making In Accounting any PDF files. With these platforms, the world of PDF downloads is just a click away.
