Il fait mention de l'assassinat d'Emile Zola, alors qu'il ouvre ses Tibériaïdes. L'assassinat d'Emile Zola est décrit comme étant la mort sans issue de l'ordre révolutionnaire.

Chartreuse, il est fait à l'interrogatoire et débroussaillé. Récite des poésies d'Inventaire, une flûte d'objets gastronomiques à piquepoles, gastronomie... et un moment évoque-t-il les mœurs. Effectuera des exercices de perspective sur le mur. L'arrête à temps pour admettre, P. meurtre qu'il débrouille les poésies dans l'ordre chronologique sans questionner l'ordre des interrogatoires. Si peu de poésies ne sont pas interrogatoires mais aussi quelques intercalaires qui se débrouillent toutes seules.

La Femme Au Carnet Rouge:

The Red Notebook Antoine Laurain, 2025-07-01 Described as Parisian perfection by Queen Camilla you won't want to miss this charming quirky love story from one of the UK's favourite French authors In this bestselling novel a bookseller pursues a mystery woman known only through the jottings in her red notebook through the streets of Paris Bookseller Laurent Letellier comes across an abandoned handbag on a Parisian street and feels compelled to return it to its owner Quickly ruling out the police station which is always best avoided he turns the contents out onto his kitchen table to see if they hold a clue The bag contains no money phone or contact information But it does yield a small red notebook full of handwritten thoughts and jottings that reveal someone Laurent would very much like to meet From the lists of likes and dislikes things noticed and things felt emerges the portrait of a woman who might just be his soulmate But without even a name to go on and only a few of her possessions to help him how is he to find one woman in a city of millions He'll have to turn to his daughter who helps him decode the possessions and sends him on a madcap journey around the French capital Meanwhile in an anonymous hospital room fragmentary thoughts float through the mind of a woman in a coma She thinks she's called Laure and she has some strong opinions and painful memories but will she ever wake up and get a fresh chance at life Soaked in Parisian atmosphere this lovely clever funny novel is the perfect French holiday read
