**Religion, Race, and Barack Obama's New Democratic Pluralism** Gast3n Espinosa, 2013 Annotation This edited volume demonstrates how Obama charted a new course for Democrats by staking out claims among moderate conservative faith communities and emerged victorious in the presidential contest in part by promoting a new Democratic racial ethnic and religious pluralism **The Faith of Barack Obama Revised and Updated** Stephen Mansfield, 2008-08-05 Get inside the mind and soul of Barack Obama In *The Faith of Barack Obama* New York Times bestselling author Stephen Mansfield takes readers inside the mind heart and soul of presidential hopeful Barack Obama as a person of faith as a man as an American and possibly as our future commander in chief America faces looming inflation climate change a national credit crisis war in the Middle East threats to security and liberty at home and skyrocketing oil and gas prices With all of these threats to our security prosperity and freedom on the horizon it has never been more important to choose the right leader for America If a man s faith is sincere it is the most important thing about him and it is impossible to understand who he is and how he will lead without first understanding the religious vision that informs his life writes Mansfield In *The Faith of Barack Obama* Mansfield holds back nothing to share that vision and explain its roots including Obama s upbringing in a non Christian home the influence on his life from his agnostic mother and Muslim father his remarkable turn to Christianity after working in the inner cities of Chicago his years at the controversial Trinity United Church of Christ his association to the radical teachings of Rev Jeremiah Wright the source of Obama s relentless optimism and hope for America Every American voter concerned to know more about Obama s beliefs both religious and political and how the two intertwine should read this book as should every thinking person who continues to shape and evolve his or her religious beliefs Barack Obama according to Mansfield is raising the banner of what he hopes will be the faith based politics of a new generation and he will carry that banner to whatever heights of power his God and the American people allow You must read this perceptive and well written

book Then you will know why Barack Obama has such a passion for justice and equity such a gift for filling people of different generations with a newfound hope that things can and will change for the better ARCHBISHOP DESMOND TUTU *Jesús y John Wayne* Kristin Kobes Du Mez,2023-01-30 Jesús y John Wayne es una amplia historia revisionista de los últimos setenta y cinco años del evangelismo blanco que revela cómo los evangélicos han trabajado para sustituir al Jesús de los Evangelios por un dolo de la masculinidad ruda y el nacionalismo cristiano o en palabras de un capellán moderno por un malote espiritual Como explica la aclamada académica Kristin Du Mez la clave para entender esta transformación es reconocer la centralidad de la cultura popular en el evangelismo estadounidense contemporáneo Muchos de los evangélicos de hoy pueden no ser teológicamente astutos pero conocen sus VeggieTales dibujos animados cristianos han leído Wild at Heart de John Eldredge aprendieron sobre la pureza antes de aprender sobre el sexo y tienen un anillo de plata para demostrarlo Los libros las películas la música la ropa y los productos evangélicos conforman las creencias de millones de personas Y la cultura evangélica está repleta de héroes musculosos guerreros míticos y soldados rudos hombres como Oliver North Ronald Reagan Mel Gibson y el clan Duck Dynasty que afirman el poder masculino blanco en defensa de la América cristiana La principal de estas leyendas evangélicas es John Wayne un ícono de una época perdida en la que los hombres no se acobardaban por la corrección política no temían decir las cosas como eran y hacían lo que había que hacer Desafiando la suposición comúnmente sostenida de que la mayoría moral apoya Donald Trump en 2016 y 2020 por razones puramente pragmáticas Du Mez revela que Trump de hecho representó el cumplimiento en lugar de la traición de los valores más profundamente arraigados de los evangélicos blancos el patriarcado el gobierno autoritario la política exterior agresiva el miedo al Islam la ambivalencia hacia el MeToo y la oposición a Black Lives Matter y la comunidad LGBTQ Una reexaminación muy necesaria de la subcultura más influyente de este país Jesús y John Wayne muestra que lejos de adherirse a los principios bíblicos los evangélicos blancos modernos han rehecho su fe con consecuencias duraderas para todos los estadounidenses **¡Power People! paragraphs for quick and easy cross referencing The source text is the Spanish language edition of Voice of America VOA The Spanish text has been translated into English for this dual language project The reader can choose between four formats Section 1 English to Spanish Section 2 Spanish to English Section 3 English Section 4 Spanish A methodology for getting the most out of this bilingual format is explained in the book s Foreword The primary purpose of this text is to equip a foreign language learner with the ability to start reading news in the particular foreign language to be able to read only in the foreign language and extract enough understanding to continue the language learning process fruitfully this way A reader might like to go back to reading dual language news for reinforcement and further development returning to foreign language only news with a deeper understanding By going back to the same old news you are going over words word patterns and passages with which you already have a certain familiarity The process of reinforcement learning or retaining of what is new and exposure to what is unfamiliar is much easier this way even though the news may seem a little dated The aim of informing the reader about actual news is secondary especially given that the content will become less current and less relevant over time If you are having trouble with the level of difficulty in the text a suggested path for learning languages is as follows Familiarise yourself with a basic language instruction book or re read the one you have Once a student has studied the basics a suitable book about basic grammar can be helpful The suggestion is that any grammar book be studied more with the intent of recognition and understanding rather than memorising and obsessive rote learning Go through as much of the grammar book you feel you can digest maybe even the whole book skipping over what is not easily understood After this read through a portion of text in a book called Spanish Sentences by 2LanguageBooks looking for examples of what you have picked up or gleaned in your hopefully not so arduous study of grammar Even repeatedly seeing a word that you remember seeing listed as a subject pronoun or a third person plural verb of some sort is a great help Then depending on your inclination return to the grammar book or your basic Spanish book or move on to lengthier bilingual text like in 2Language Books texts containing news or stories for example or find some suitable Spanish text a simple novel a Spanish news website etc Grammar books will likely have some verb charts However there are currently good on line resources that go further dictionaries with a verb conjugation search option Many basic language books offer some form of audio support Internet services primarily news based radio stations offer podcasts Audio from television is an additional resource and can be formatted for use on various digital platforms However if audio is an important component of your interest in languages electronic devices that support quality text to speech TTS will likely be appealing With a library card TTS technology in a device that supports the relevant content and the above mentioned resources an entire language learning system is available for not much more than a cup of coffee There is no substantial financial outlay to get you started Furthermore there are no additional ongoing fees and updates and there are no expiry dates on premium content and resources A Dual Language Book Project 2Language Books **Las primeras** Varios autores, Este libro recopila las biografías de más de un centenar de
