The Shawm William Batchelder Bradbury, George Frederick Root, 1853 *Signatures in the Book of Revelation* D. Wade Stockman, 2006 *A Revelation of Jesus Christ* J.B. Smith, 2004-05-10 From the Introduction by Merrill C Tenney This commentary is an attempt to make plain the meaning of Revelation With commendable reserve Dr Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible Dr Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period of judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of His kingdom In this regard he is in a long line of renowned commentators including Seiss Gaebelein Ottman and others The distinguishing feature of this commentary is its use of Biblical statistics and

comparisons The uses of important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text This commentary will probably be the mainstay of premillennial exposition for some years to come

Insights on the Book of Isaiah Alan B. Stringfellow,2019-12-03 For more than four decades Alan Stringfellow s Bible studies have brought greater insight into God s Word to thousands of believers Now the author of *Through the Bible in One Year* and *Great Characters of the Bible* leads readers on a chapter by chapter study of the book of Isaiah Stringfellow s in depth teaching will bring clarity and understanding to one of the most prophetic books in Scripture With this study readers will learn How to identify the major themes of Isaiah All the main doctrines and truths The importance and relevance of prophecy Essential context and background for the little known prophet Isaiah The role Isaiah plays in the coming of the Messiah By embarking on this journey believers will learn to better understand and appreciate the role of the prophet to foretell the future but also to speak truth to a lost and sinful generation Stringfellow makes powerful connections between the wealth and plenty of Isaiah s time and the abundance and decadence of our present world The true value of this prophecy is that it occupies us with a Person and not merely with events the person of our Lord Jesus Christ who came to suffer and will return to reign All of this is foretold by a great poetic genius whose gripping words and imagery could only have been inspired by the hand of God

Revelation by the Book Steve Davis,2022-11-23 The vast majority of Christians are confused and uncertain about the book of Revelation and it is no wonder Ten different Bible commentators can present twelve different points of view on Revelation Bible teachers just adopt the viewpoint of their favorite Bible commentator Pastors tend to preach to the view point they were taught in seminary by a respected professor Ninety nine percent of pastors and Bible teachers are not dogmatic about their view of Revelation and will profess that each of the various interpretations has merit but this is an unacceptable position Logically there can be only one correct interpretation of the book of Revelation The desire to find the one true interpretation of Revelation has been with me since I first began reading the Bible over twelve years ago After years of prayer study research and contemplation the fog of confusion began to clear The key is quite simple and yet difficult in that it is most elusive The key to unlocking Revelation is a complete trust in God

The Tree of Life Scott Lanier Jameson,2005-12 St John s account in the Book of Revelation is an accurate description of the future Great Tribulation Before the Rapture there will be an ultimate benediction to accept eternal life Christian *Through the Bible* Zac Poonen,2016-06-01 This monumental work of 1024 pages is a result of Zac Poonen s personal walk with God and his personal study of the Bible for over 50 years This is NOT a theological study but a Life application study Before studying God s Word we must understand why God gave it to us It is possible to study the Bible for

the wrong reasons and I think a lot of Christians do just that We must study the Scriptures for the same purpose that God gave it When I was considering this study through the whole Bible and was trying to look into the heart of God the verse that came to my mind was God so loved the world that He gave His Son that whoever believes in Him should never perish John 3 16 The primary purpose with which God gave us the Scriptures was that all people might know that He loves them so intensely that He sent His Son to save them from the grip of sin and bring them into fellowship with Him In God s heart there is a great desire that no one should be ruined by sin and perish This commentary on all 66 books of the Bible shows that every single book of the Bible is interesting and has a message for us today It deals with key aspects of the Christian life and speaks more to the heart than to the head Let us keep that in mind as we study God s Word Even if there are matters in the Word that we cannot fully understand let us pray Lord we want to understand Your heart even if we don t understand the meaning of everything in Your Word We must pray as we study the Scriptures that we will understand what is in the heart of God We can get so taken up with little details as we study that we miss seeing the heart of God God reveals His heart in His word But God s purpose does not stop there just like the construction of a building does not stop with laying the foundation We read in 2 Timothy 3 16 17 God breathed into this book exactly as He breathed into Adam If God had not breathed into Adam Adam would have been just a pile of dust and any book that God has not breathed into is also a pile of dust God s Word has been given to us To teach us to show us the right path To reprove us and rebuke us We need strong rebukes to be preserved in the pathway of godliness To correct us when we go astray to direct us into the right path To train us in righteousness It is a training manual So we see that God s Word has been given to us to change our character so that we can become godly men and women The ultimate goal is that the man of God may be adequate perfect and complete Like a glass of water filled to the brim our character is to be rounded off balanced and complete We are to be anointed and equipped to serve God so that we can do every good work that God has planned for us That is the purpose of Scripture So if you study the Bible you must study it for these reasons The truths that God reveals in His Word can never be boring because Jesus is never be boring If we walk with our Lord and listen to Him our hearts will burn within us because we will see the glory of Christ in the Word

SCM Core Text: The Book of Revelation Simon Woodman, 2013-01-25 For most people Revelation is a book that is either largely ignored or it is the object of such fanatical study and fanciful interpretation that it passes from the realm of the interesting and helpful into the realm of fantasy and speculation Much literature has been published in recent years on its interpretation some of which is scholarly and technical and some of which is populist and accessible The problem is that the technical and scholarly material frequently requires careful and detailed study combined with an advanced level of knowledge whereas much of the populist material tends toward the fanatical and fanciful The aim of this book is to bridge this gap It is written with second and third year university students in mind and would also be helpful for pastors and those in local churches who want to take seriously their study of this often needlessly confusing biblical book
