

The background of the entire page is a photograph of two young boys running away from the camera on a dirt path. They are both wearing light blue short-sleeved shirts and dark shorts. Each boy is carrying a large, dark tire on his back, balanced against his legs. The path is dry and dusty, and the background is filled with green grass and trees, suggesting a rural or savanna environment. The lighting is bright, casting shadows on the ground.

Take control of your life and create profound change today using NLP and the science of positive change Learn why people resist change why they sometimes embrace change and how to lead change quickly and in lasting ways It all comes down to finding the difference that makes the difference for each person and context Neurolinguistic Programming NLP is great for finding that difference NLP helps us understand what makes people tick When we understand how they think feel and act in key situations we have the raw material with which to make change happen often quickly and profoundly In the 1970s a linguist and his partner studied the language patterns and nonverbal cues of great psychotherapists as well as how people are affected by the systems they re part of The two pinpointed key aspects of what enables human beings to change Their findings formed the basis of NLP Since then NLP has often been taught to therapists and life coaches aiming to master one

on one interactions in those contexts When the lawyer Greg Prosmushkin discovered NLP he realized how incredibly valuable these tools could be outside a therapy context How to communicate with confidence model excellence and influence your own and others thoughts feelings and behaviors are useful for many people in many situations Greg used NLP to make huge breakthroughs in his trials and to step into his own as an entrepreneur In 2022 Greg met Josh Davis PhD a Columbia University PhD who studied psychology and neuroscience and the Founder and Director of the Science Based Leadership Institute Josh is an NLP expert who grew up in the 1970s and 80s as the child of two pioneers in the field of NLP He s an NLP native He s been training others to use NLP for over a decade Josh is also the internationally best selling author of Two Awesome Hours a science based set of strategies to work less and get your most important work done Greg and Josh set out to make NLP easily accessible for everyone They show how the tools of NLP can be used by anyone in their daily work and personal lives and connect these actionable tools to the science of change The Difference that Makes the Difference is a result of their rigorous and dedicated collaboration In this book readers learn how to Communicate with confidence Model excellence to learn and master new skills Influence their own and others thoughts feelings and behaviors in positive ways and much more You ll get Step by step instructions with tips Guided prompts to follow that help you apply these time tested tools to your own specific needs Examples of how to use the tools in everyday situations Simple explanations of the theory and science behind the tools Clear explanations of why the tools are so powerful NLP has been time tested for fifty years but until now it has only been accessible for a select few Books and methods of teaching NLP were complex because the subject matter was highly sophisticated and derived from the work of professional psychotherapists Greg Prosmushkin and Josh Davis PhD have spent a combined 35 years studying and unlocking the value of NLP Josh has been teaching these concepts and tools in specialized NLP trainings as well as one on one and group coaching settings to Fortune 500 audiences and beyond They have been using these concepts and tools in their professional practices of trial law entrepreneurship and leadership development They have made a careful study of how to make the complex simple to learn and apply It s time to move past simply waiting and wishing for your life to be different dive into the tools of NLP and the science behind change that supports those tools to make a real impact in your life right now

Make It To the Top Payal Nanjiani, 2024-09-16 You are working hard You are sustaining your job You are doing well in your field Life seems fine But there is something that s holding you back from making it to the top in your field of work That something could be an annoying habit a behaviour or a trait that s getting you stuck in your career All of us want promotions and salary increases We desire to make it to the top But most of us don t realize that these things cannot be asked for by putting our hands out You can get that promotion the salary raise the new project the visibility the sponsors the accolades and the achievements only when you work on yourself harder than you work on your job You must become such that success promotion and job offers begin to follow you everywhere In this book Payal Nanjiani points out that the reason why many do not make it to the top is not because of a lack

of information abilities or skills Having private access to some of the world s most successful industry leaders she tells you that those who truly make it to the top in their careers are doing things differently than others An expert coach who helps leaders globally overcome their unconscious habits and behaviours to attain higher levels of success she has worked with corporates and leaders around the globe bringing about a huge transformation in the thinking and behaviours of leaders Her one on one coaching comes with a six figure price tag But in this book Payal shares some great advice and strategic solutions to reach the top without a hefty price tag The book has hands on advice on what to do how to do it and what transformation to bring about in your thinking and habits These ideas powers and habits have been tested in practice on numerous executives Payal has coached in the past eighteen years and are helpful to people in every part of the organization We all face challenges and deal with setbacks But in the long run you ll achieve incredible growth and success if you re willing to change your thinking and behaviours Are you ready to unlock your leadership powers and live your best life **Teachers**
