Double Blessing Mark Batterson,2020-08-04 God doesn t bless us to raise our standard of living God blesses us to raise our standard of giving and that s where true joy is found The New York Times bestselling author of Chase the Lion challenges us not to settle for half of what God offers when it comes to blessings we are BLESSED to BLESS His discovery started with a simple experiment Whenever Batterson received a blessing he would give a similar blessing away If someone paid him a compliment or gave him a gift or went out of their way to help him he would return the favor by doing something similar for someone else We flip the blessing by blessing others in the way God has blessed us That s how the blessing becomes a double blessing It turns giving into a game one we can t win because God will always outgive us It s an ancient truth found within the Abrahamic covenant I will bless you and you will be a blessing In other words we are blessed to bless The first blessing is receiving but it doesn t end there The second blessing is giving it away That s the double blessing And that s where double joy is found In a day and age where the idea of blessing has been reduced to a hashtag blessed Batterson challenges readers to pursue true God glorifying blessing and experience an exponential impact by participating in the double blessing Don t settle for half of what God offers Discover how you can both get it and give it in Double Blessing This edition includes discussion questions
