*God Is For The Alcoholic* Jerry Dunn, 2009-06-01 I am an alcoholic I know what it is like to burn with a desire to drink that is so overpowering that family jobs and friends mean nothing compared to the desire for liquor I know what it is like to wake up on a hotel room not knowing where I am or how I got there I also know the joy of complete deliverance from the power of alcohol addiction and never cease to praise God for such deliverance Author Jerry Dunn discovered there is indeed hope for the alcoholic God provided his escape when he picked up a Bible in a Texas prison God Is for the Alcoholic is the product of that escape Jerry Dunn knows the road up from alcoholism is long and difficult but that it can be followed with God s help and through commitment patience and diligence In this revised edition of God Is for the Alcoholic the reader will find sections on understanding alcoholism ways to help the alcoholic and ways the alcoholic can help his or her self Discover release from the power of alcoholism Overcoming Alcoholism: There Is Hope! United Church of God, 2014-03-14

Dunn, 1965 An Alcoholic's Perspective on God's Grace and Mercy Nathan Reed, 2024-07-09 A self help and spiritual book that can motivate anyone suffering from alcohol and or drug addiction

*Christianity and Alcoholics Anonymous: Competing or Compatible?* Ernie Tolin, 2012-09-12 Defense of the Gospel None could deny that A A has taught hundreds of thousands of alcoholics to live in continuous sobriety But a bigger question is By what means and with what consequences does A A accomplish this minor miracle Could we for example lay A A literature side by side with Scripture and conclude the two are in steady harmony Or could it actually be possible that they contradict one another And if that were the case would we be wise to point to our continued sobriety as proof we have also been reconciled with God By contrasting what Scripture has to say on the subject of addiction this book will uncover A A s teachings at great depth Simultaneously it will help you to precisely diagnose the deception of Alcoholics Anonymous Followers of Christ A A members and their families can ill afford to miss dozens of eye opening revelations as David Simmons delivers his

compassionate message of hope See to it that no one takes you captive through philosophy Colossians 2:8 In this is love not that we loved God but that He loved us and sent His Son to be the propitiation for our sins 1 John 4:10

**Finding God in Alcoholics Anonymous** Michael, 2009-12-02 Many people hurt and have suffered needlessly under the umbrella of Christianity They have been prejudiced into believing false doctrines of a punishing controlling and absentee God who is waiting to zap you when you least expect it These rubs always push people away People know in their heart who God is and who He is not Believing in a loving Father who doesn't want to control your will makes sense to most God wants us to make our own decisions The atheist and agnostic would gladly follow biblical teachings if they heard the truth Unfortunately we all limit ourselves and God by unhealthy beliefs God takes our pain guilt and fear when we search for a better way of life and find the path that allows us to go boldly before Him Relief will come The hole in the gut closes Fear and anger vanish and the truth sets you free The old timers of Alcoholics Anonymous had discovered a new outlook that today is lost We too need to let go of past thinking patterns that hinder us and search for something that works by doing what Wilson instructed us to do Seek God This book doesn't have all the answers What it does is start people on the ultimate truth through scripture of what the Bible teaches and what God's will is for our lives Prove it out for yourself Study to show thyself approved

Devotions for the Alcoholic Christian Carl Nelson, 1988 How does a Christian ever get started on the road to alcoholism Where was God when I begged him not to let me take that next drink How can a Christian cope with the guilt of actions committed while under the influence How can I resume my role as an active church member and face a congregation who knows what I was like when I was drinking In the search for answers to these troubling questions the recovering alcoholic receives a great deal of spiritual input but has often had a difficult time finding specifically Christian literature to supplement the recovery program In response to that very real and urgent need Rev Carl Nelson has prepared

this devotional resource for the recovering alcoholic Christian Based on the Twelve Step program used by Alcoholics Anonymous each daily and nightly devotion includes a Prayer Meditation Life Example based on composites of recovering alcoholics whom the author has known and a Scripture Study making these devotions ideal for incorporation into any recovering alcoholic s daily recovery program and particularly useful to those who hunger for the presence of Christ in their daily struggles Carl Nelson is pastor of St Paul s Lutheran Church in Painesville Ohio He is a graduate of Concordia College Portland Oregon and Concordia Seminary St Louis Missouri

Sami G,2018-08-22 Sami spent years in denial of her alcoholism She is cross addicted and accepted she was a pill popper long before she admitted to her disease of being an alcoholic Thirty three years of precious moments family events and relationships were stolen due to this insidious disease She was sick mentally physically emotionally and spiritually until the day God guided her to a program of recovery Sami believes in destiny and it was God who brought her to Alcoholics Anonymous In return she is convinced AA brought her to the personal relationship she has with God While in the rooms she experienced her first of many spiritual experiences with God and it was astounding and she knew it was fate She at last reached the beginning of her journey to a happy joyous and free life From the very beginning she knew the program only works if you work it and that you must go to any length to remain sober Most importantly she learned she is not alone because through her discovery there are millions of others like her admitted alcoholics yet others who have not made it to the rooms Journaling has been a life line to her soundness of mind She believes her book will be instrumental to others who struggle thinking they are alone in this dark hell of alcoholism A disease so cunning baffling and powerful that it convinces us we do not have a disease
