Velavancorresponding**

God And Rhetoric Of Sexuality Overtures To Biblical Theology:

God and the Rhetoric of Sexuality Phyllis Trible, 1978 Focusing on texts in the Hebrew Bible and using feminist hermeneutics Phyllis Trible brings out what she considers to be neglected themes and counter literature After outlining her method in more detail she begins by highlighting the feminist imagery used for God then she moves on to traditions embodying male and female within the context of the goodness of creation If Genesis 2 3 is a love story gone awry the Song of Songs is about sexuality redeemed in joy In between lies the book of Ruth with its picture of the struggles of everyday life

God and the Rhetoric of Sexuality Phyllis Trible, 1980 **God and Rhetoric of Sexuality** Phyllis Trible, 1980

Ephraim Radner, Hosean Wilderness, and the Church in the Post-Christendom West Amy J. Erickson, 2020-03-23 Ephraim Radner Hosean Wilderness and the Church in the Post Christendom West offers the first monograph length treatment of the compelling and perplexing contemporary Anglican theologian Ephraim Radner While unravelling his distinctive approach to biblical hermeneutics and ecclesiology it queries the state of today s secularized church through a theological interpretation of an equally enigmatic writer the prophet Hosea It concludes that an eschatological posture of waiting and a heuristic of poesis should dictate the church s shape for an era in which God is stripping the church of its foregoing institutional forms **An Introduction to the Old Testament, Third Edition** Walter Brueggemann, Tod

Linafelt, 2021-01-05 In this updated edition of the popular textbook An Introduction to the Old Testament Walter Brueggemann and Tod Linafelt introduce the reader to the broad theological scope of the Old Testament treating some of the most important issues and methods in contemporary biblical interpretation This clearly written textbook focuses on the literature of the Old Testament as it grew out of religious political and ideological contexts over many centuries in Israel s history Covering every book in the Old Testament arranged in canonical order the authors demonstrate the development of theological concepts in biblical writings from the Torah through postexilic Judaism Incorporating the most current scholarship this new edition also includes concrete tips for doing close readings of the Old Testament text and a chapter on ways to read Scripture and respond in light of pressing contemporary issues such as economic inequality racial and gender justice and environmental degradation This introduction invites readers to engage in the construction of meaning as they venture into these timeless texts **Character Complexity in the Book of Ruth** Kristin Moen Saxegaard, 2010 Kristen

Moen Saxegaard demonstrates how character complexity generates theological themes in the Book of Ruth Each character has its specific voice which raises a particular topic The interaction between the characters elaborates multiple perspectives to these themes which offer new approaches and alternative answers to the reading of Ruth **Genesis** Dianne Bergant, 2013 Bergant one of today s most highly regarded Catholic Scripture scholars turns her attention to the book of Genesis highlighting issues of gender social status economic class and integrity of creation In this important new commentary Bergant explores the biblical text but also points out some of the social biases of the original community an

awareness that is crucial for an adequate understanding of the text She offers a wealth of insights into this richly theological narrative back cover

A Guide to Contemporary Hermeneutics Donald K. McKim, 1999-05-25 Acknowledging that hermeneutics has become an increasingly important major focus in theological study Donald McKim's *A Guide to Contemporary Hermeneutics* presents a series of essays by various writers assessing current hermeneutical approaches and methods of biblical hermeneutics from their own personal experience

Adoption in the Hebrew Bible Ekaterina Kozlova, Cat Quine, 2024-11-14 To remedy a scholarly lacuna on the study of adoption in the Hebrew Bible chapters in this volume examine this topic from a variety of perspectives including trauma transfers of children motives for adoption the performance of parenthood and studies of metaphor and practice Divided into three sections part one highlights the absence of specific adoption terminology and demonstrates the need for deeper considerations of methodological approaches and the categories we as modern readers bring to the texts Part two considers the practices and language that we do see around ancient adoptions and focuses on the actions and implications of transferring children or parentage Finally part three focuses on divine adoption and metaphors and motifs that speak to the dual themes of loss and gain that are entwined in adoption As a whole *Adoption in the Hebrew Bible* highlights the prevalence of adoptive practices and draws attention to the fluidity underlying constructions of family in the Hebrew Bible and also the wider ancient Near East The theme of adoption centres both parents and children thereby complicating scholarly constructions of families in ancient societies and reminding readers of the fragility strength and importance of belonging in a family

Engaging the Bible in a Gendered World Linda Day, Carolyn Pressler, 2006-01-01 In highly accessible essays the book covers the history achievements and cutting edge questions in the area of gender and biblical scholarship including violence and the Bible female biblical God imagery and sexuality Jacket

Towards an Asian American Biblical Hermeneutics Gale A. Yee, 2021-07-28 Asian Americans are the fastest growing racial ethnic population in the United States Especially since the 1990s readings by Asian American biblical scholars have been increasing to meet the particular theological and pastoral concerns of their Christian racial ethnic seminarians clergy and churches Gale A Yee is one of their major interpreters becoming the first Asian American and first woman of color president of the oldest professional guild devoted to the critical study of the Bible the Society of Biblical Literature This book is an anthology of her major ground breaking essays on Asian American theorizing and analysis of the biblical text It is a retrospective of her growth of over almost three decades in wrestling with questions like What is Asian American biblical hermeneutics and how does one undertake it

Reader's Guide to Judaism Michael Terry, 2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish

studies more broadly **The Maleness of Jesus** Neil H. Williams, 2011-01-01 At the center of Christianity is Jesus of Nazareth whose maleness is used by many to justify the subordination of women and to emphasize that men rather than women better represent Jesus This raises a number of questions that are the subject of this book What is the significance of Jesus maleness Does it reveal the character of God Is it foundational for the gospel Is Jesus maleness associated with an ongoing created order of male priority Our answers will affect Christianity's task of love justice and reconciliation in a world that is characterized by the global marginalization oppression and abuse of women **Divine Presence amid Violence** Walter Brueggemann, 2009-02-11 To pursue the matter of revelation in context I will address an exceedingly difficult text in the Old Testament Joshua 11 The reason for taking up this text is to deal with the often asked and troublesome question What shall we do with all the violence and bloody war that is done in the Old Testament in the name of Yahweh The question reflects a sense that these texts of violence are at least an embarrassment are morally repulsive and are theologically problematic in the Bible not because they are violent but because this is violence either in the name of or at the hand of Yahweh from chapter 2 *Making Wise the Simple* Johanna W. H. van Wijk-Bos, 2005-09-14 Too long restricted to children's storybooks and cinematic extravaganzas the Torah comprising the first five books of the Bible is an underappreciated mother lode of divine instruction vitally important for Christians and the church Convinced that both those who take the Torah too literally and those who neglect it are guilty of a naive simplicity Johanna van Wijk Bos presents guidelines to help ordinary Christians recover this treasure in their faith and practice Having lived in the Netherlands during the Nazi occupation van Wijk Bos recognizes that after the attempted annihilation of the Jews from Christian Europe it cannot be business as usual for Christianity In light of the Holocaust Christians must commit themselves to the restoration of just relations between Christians and Jews This commitment to address all that fractures human relations undergirds van Wijk Bos's call for Christians to reengage the Torah *Making Wise the Simple* points out how God's care for and engagement with the whole world in the Torah set the tone for the entire biblical story The book pays special attention to how our treatment of strangers lies at the heart of the Torah's teaching Without attempting a purely Jewish reading of the Torah van Wijk Bos reclaims the Torah as a vibrant word for the Christian community in covenant with God Written in a personal style conversant with current scholarship but sprinkled with anecdotes this book is for everyone who has a hunger and enthusiasm for what the biblical text may convey the courage to ask disturbing questions of the text and an openness to old words that may bring forth new things perhaps even making one wise **Helpmates, Harlots, and Heroes, Second Edition** Alice Ogden Bellis, 2007-07-03 This best selling book now revised and updated shares the work of many feminist biblical scholars who have examined women's stories for several years These stories are powerful accounts of women in the Old Testament stories that have profoundly affected how women understand themselves as well as men's perception of them Here Alice Bellis shares the research of feminist biblical scholarship during a quarter of a century which renders a vast amount of refreshing

exciting sometimes disturbing material Trajectories of Justice Robert Karl Gnuse, 2016-08-25 The Bible proclaims a message of liberation Though the Bible arose in an age when slavery and patriarchy permeated society the biblical authors sought to elevate the rights of slaves the poor and women Their attempts to elevate the oppressed set in motion a trajectory of evolution which we should still be advancing today Critics of the Bible declare that it accepts slavery and the subordination of women but they fail to understand the biblical texts in their historical context For their age the biblical authors were advanced in their understanding of human rights and the democratic values we hold today actually resulted from their early attempts to affirm the dignity and rights of slaves and women It is equally important that we critique those spokespersons of the church who quote the Bible literally but have lost sight of its historical context so that they might still subordinate women today Such spokespersons also declare that the Bible condemns homosexuality But a closer reading of the text discerns that those few passages that address same sex relations actually condemn rape ritual prostitution and master slave relations To use the Bible to condemn people is to misuse the Bible *God's Wounds* Jeff B Pool, 2011-07-28 *God's Wounds* Hermeneutic of the Christian Symbol of Divine Suffering Volume I Divine Vulnerability and Creation is the first of a three volume study of Christian testimonies to divine suffering The larger study focuses its inquiry on the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely The goal is then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God In this first volume the author develops an approach to interpreting the contested claims about the suffering of God Through this approach to the Christian symbol of divine suffering he then investigates the two major presuppositions that the larger family of testimonies to divine suffering normally hold an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the *imago Dei* as love When fully elaborated these presuppositions reveal the conditions of possibility for divine suffering and divine vulnerability with respect to creation

The Practice of Homefulness Walter Brueggemann, 2014-03-19 Contents 1 The Practice of Homefulness 2 A Myriad of Truth and Reconciliation Commissions 3 Bragging about the Right Stuff 4 A Culture of Life and the Politics of Death 5 Elisha as the Original Pentecost Guy 6 The Stunning Outcome of a One Person Search Committee 7 The Non negotiable Price of Sanity 8 The Family as World Maker *A Women's Lectionary for the Whole Church Year C* Wilda C. Gafney, 2024-07-02 The final installment in the critically acclaimed lectionary series that focuses on women's stories In this third volume of a three volume lectionary widely praised womanist bible scholar and priest Wilda Gafney selects scripture readings that emphasize women's stories Focusing especially on the Gospel of Luke Year C of *A Women's Lectionary* features Gafney's fresh inclusive and thought provoking translations of every reading alongside commentary on each reading Designed for liturgical use or

scriptural study this resource offers a new perspective on the Bible and the liturgical year Gafney s paradigm shifting scholarship will influence biblical preaching and teaching for generations to come National Catholic Reporter

Decoding **God And Rhetoric Of Sexuality Overtures To Biblical Theology**: Revealing the Captivating Potential of Verbal Expression
