Gods Lesser Glory The Diminished God Of Open Theism:

God's Lesser Glory Bruce A. Ware, 2000-11-07 Christians throughout history have been strengthened by their confidence that God knows everything about the future But consider this What if it simply is not true What if God can only rely on His best guess about tomorrow just as you and I do Would it not affect your trust in Him your confidence in facing the future your worship and your motivation to leave everything in His hands And yet this is the consequence that has to be faced if you trust what a number of leading voices in evangelicalism are proposing under the doctrine of open theism In its redefinition of the nature of divine providence open theism adjusts the entire picture of God s sovereignty and involvement in our lives Bruce Ware carefully summarizes and critiques this dangerous doctrine from a thoroughly biblical perspective providing an excellent treatment of both the classical and openness views He explores their implications and faithfully pinpoints the subtle ways that open theism undermines our trust in God and lessens His glory in our lives *The Uncensored Truth Bible for New Beginnings* Jud Wilhite, 2013-09-10 As the pastor of Central Christian Church in Las Vegas Jud Wilhite encounters new Christians every single day One of the greatest needs new believers have is a resource for understanding the Christian faith and the Bible in a straightforward and applicable guide The Uncensored Truth Bible for New Beginnings fills that need and show an uncompromising commitment to God s Word and the extent of His grace the radical amazing overwhelming favor and forgiveness of God available to all The New Living Translation is Jud s preferred Bible translation because he believes it is the easiest for new believers to understand This fastest growing Bible translation is the work of 90 Bible scholars over a seven year period and is known for accurately communicating the meaning of the original ancient Hebrew and Greek texts in clear and concise language Jud hopes The Uncensored Truth Bible for New Beginnings will help you apply the gift of God s words to your life along with some thoughts to help you understand it more quickly and deeply He gives you tools and resources to help navigate the deep waters of this living document As you dig into God s words the encouragement and truth you receive will literally change your life and the world Key Features Include A 32 page Introduction in which Jud provides 6 helpful articles on how to understand the Bible overviews of the Old and New Testaments and faith as a lifelong journey Book Introductions including the author key people and verses themes and the date it was written for each book of the Bible 9 Major Uncensored Truth Sections which guide readers to understand the core beliefs of Christianity God Jesus Christ the Holy Spirit the Word of God salvation church living the Christian life angels and demons Jesus return and heaven and hell Callout Passages of Scripture that have meant the most to Jud for different reasons in various seasons of life And featuring the reliable and easy to read New Living Translation **Don't Waste Your Life (Redesign)** John Piper, 2018-03-31 If you live gladly to make others glad in God your life will be hard your risks will be high and your joy will be full from the Introduction The American Dream beckons people to spend their lives on trivial diversions slipping through life caught up with seeking success comfort and pleasure above all else But God designed people for far

more than this In this best selling book John Piper makes a passionate plea to the next generation to avoid the dangers of a wasted life calling us to take risks and make sacrifices that matter for eternity with a single soul satisfying passion for the glory of God that seeks to make much of him in every sphere of our lives **How Much Does God Foreknow?** Steven C. Roy, 2006-08-23 Steven C Roy provides a comprehensive review of biblical teaching from both Old and New Testaments which provides the basis for critically engaging today s philosophical and theological debates Minor Prophets: Hosea through Malachi Andrew Hill, Richard Patterson, 2016-12-09 These accessible commentaries are for anyone who wants to enter a serious study of God s Word Each volume guides the reader through the literacy and theological issues in the text and provides correlation to multiple numbering systems for word study This volume includes the entire NLT text of Hosea Malachi translation notes and fresh expository commentary The Moody Bible Commentary Michael Vanlaningham, 2014-03-12 OVER 100 000 COPIES SOLD Now you can study the Bible with the faculty of the Moody Bible Institute Imagine having a team of 30 Moody Bible Institute professors helping you study the Bible Now you can with this in depth user friendly one volume commentary General editors Michael Rydelnik and Michael Vanlaningham have led a team of contributors whose academic training practical church experience and teaching competency make this commentary excellent for anyone who needs help understanding the Scriptures This comprehensive and reliable reference work should be the first place Sunday school teachers Bible study leaders missionaries and pastors turn to for biblical insight Scripture being commented on is shown in bold print for easy reference and maps and charts provide visual aids for learning Additional study helps include bibliographies for further reading and a subject and Scripture index The Moody Bible Commentary is an all in one Bible study resource that will help you better understand and apply God s written revelation to all of life Risk Is Right John Piper, 2013-01-31 A choice lies before you Either waste your life or live with risk Either sit on the sidelines or get in the game After all life was no cakewalk for Jesus and he didn t promise it would be any easier for his followers We shouldn t be surprised by resistance and persecution Yet most of us play it safe We pursue comfort We spend ourselves to get more stuff And we prefer to be entertained We are all tempted by the idea of security the possibility of a cozy Christianity with no hell at the end But what kind of life is that really It s a far cry from adventurous and abundant from truly rich and really full and it s certainly not the heights and the depths Jesus calls us to Discover in these pages a foundation for fearlessness Hear God s promise to go with you into the unknown And let Risk Is Right help you see the joys of a faith filled and seriously rewarding life of Jesus dependent abandon Risk Is Right is a significantly expanded version of a chapter previously published in the book Don t Waste Your Life chapter 5 **Consuming Glory** Gannon Murphy, 2006-09-22 In the late 1990s Open Theism took the theological world by storm Advocated by several prominent theologians among them Clark H Pinnock the view argues that human beings cannot have a genuine relationship with God if God possesses what classical theology has affirmed to be exhaustive foreknowledge of future events Such foreknowledge open theists claim would make human freedom and

salvation itself meaningless and divine power akin to little more than meaningless cosmic puppeteering While several works have taken the important step of addressing open theisms scriptural deficiencies in its denial of Gods foreknowledge none have dealt with the vital issue of divine human relationality and how it can be understood in a classical orthodox framework that maintains such foreknowledge Consuming Glory remedies that lack by first providing a fresh critique of open theism using Clark Pinnock s version of it as representative but then offering a reconstruction of divine human relationality centered on the Biblical principle of Christus in nobis Christ in us Christus in nobis is coupled with an outworking of meticulous divine providence that serves Gods own self glorifying orientation It reverses the relational ordering advocated in open theism by grounding human love of God theologically rather than anthropologically Love of God and divine human relationality is established precisely because it is Gods own self love that is providentially given to us and thus reciprocated as believers are brought into adoptive communion with the Triune Godhead Drawing on diverse resources throughout the corpus of historical theology Murphy concludes that divine human relationality can be summarized as God delighting in himself in us *A God of Many Understandings?* Todd Miles,2010 A thoughtful Christian theology of religions that emphasizes the no compromise importance of faith in Jesus Christ and the Holy Spirit in relation to others beliefs **Knocking on Heaven's Door** David Crump,2006-09 Offers a cohesive New Testament theology of petitionary prayer **Welcome to College 2nd ed** Jonathan Morrow,2017-03-28 The single best volume I have ever read for preparing students for how to follow Jesus and flourish as his disciple in college J P Moreland Is there a more frightening question for a graduating high school senior than What will you do with your life In college whether they realize it or not students will answer that question every day with each decision All of the new friends and new experiences of higher education will shape their future It s critical that students know how to handle college before they re in the thick of it Jonathan Morrow tackles the tough questions that arise during these formative years including How do you grow spiritually How do you manage your time to both study well and have fun Is all truth relative Are there good reasons to be a Christian As a Christian how should you view issues like dating and sex Each chapter of this new edition has been updated and the author has included a new chapter on Christianity homosexuality and the Bible Grounded in both his own extensive experience and biblical truth Morrow s book is full of quick easy to read chapters and excellent advice God's Glory in Salvation through Judgment James M. Hamilton Jr.,2010-11-04 In Exodus 34 Moses asks to see God s glory and God reveals himself as a God who is merciful and just James Hamilton Jr contends that from this passage comes a biblical theology that unites the meta narrative of Scripture under one central theme God s glory in salvation through judgment Hamilton begins in the Old Testament by showing that Israel was saved through God s judgment on the Egyptians and the Caananites God was glorified through both his judgment and mercy accorded in salvation to Israel The New Testament unfolds the ultimate display of God s glory in justice and mercy as it was God s righteous judgment shown on the cross that brought us salvation God s glory in salvation through judgment will be shown at the end of time

when Christ returns to judge his enemies and save all who have called on his name Hamilton moves through the Bible book by book showing that there is one theological center to the whole Bible The volume s systematic method and scope make it a unique resource for pastors professors and students

In Our Own Image Wesley J. Wildman,2017-12-15 In Our Own Image is a work of comparative philosophical theology It is a study of the roles anthropomorphism and apophaticism play in the construction of conceptual models of ultimate reality Leading scholar Wesley J Wildman considers whether we create our ideas of God He offers a comparative analysis of three major classes of ultimacy models paying particular attention to the way those classes are impacted by anthropomorphism while tracing their relative strengths and weaknesses Wildman provides a constructive theological argument on behalf of an apophatic understanding of ultimate reality showing how this understanding subsumes challenges and relates ultimacy models from the three classes being compared He describes and compares competing ultimacy models fairly and sympathetically The conclusion is that all models cognitively break on the shoals of ultimate reality but that the ground of being class of models carries us further than the others in regard to the comparative criteria that matter most

The Greatness of our God Hugh Barber,2012-03-29 The majority of people do not understand the true nature of God Many today have an incorrect and twisted opinion of who God is what He is like

and His reasons for things happening The enemy has worked overtime for centuries speaking lies into the hearts of people about the true character of God Words of lies have become beliefs and strongholds in the minds of many These beliefs sadly keep many away from discovering that He is in actual fact a Great God Additionally by perverting our perception of Him when times get tough people can easily lose heart and walk away But this should not be the case If our foundation in God is strong when the storms of life come we will never doubt God's purpose in using events to mature and strengthen us
