Going the Second Mile Mel Blackaby, 2006-09-15 Less Effort More Joy What is the second mile It s the difference between living as a good person and enjoying life as a child of God When you do your best for someone you go the first mile When God does His best through you you experience the second mile This can happen only when you let Christ in you take over and empower you to accomplish what is impossible by your natural abilities While others see you on the first mile they see Christ on the second This miraculous Christian life will overwhelm you with more time energy and peace You can t help but freely give more away Because God does not reward your duty He blesses your relationship with His Son It s time to experience radical living It s time to enter into the second mile Cease to Strive If someone forces you to go one mile Jesus said go with him two miles Matthew 5 41 Are you obligated to serve regardless of a mediocre attitude Are you supposed to be exhausted So God Can Thrive Author Mel Blackaby carefully unfolds the true meaning of Christ s words so you will see that it s not about you While the world sees your good works on the first mile they see Christ s power working through you on the second He carries the burden and takes you beyond yourself First mile living is cramped and unsatisfying When you stride beyond it chains fall off and freedom ensues True rest fulfillment joy and other surprising treasures become yours when you dare to embark upon the second mile Story Behind the Book As a pastor in North America I am amazed by how many Christians struggle with depression anxiety and stress The burdens of life overwhelm them and they pull back from serving the Lord thinking they can t take any more pressure While visiting Mozambique I went to the home of a native pastor who also works a secular job to support his life his church and another mission church I was shocked at how little he had He was giving his all to the Lord and existing on the bare minimum As I consider his challenges I am struck by his contagious smile He has taken the yoke of Jesus and learned from Him he has found rest for his soul and lives abundantly he is walking in the second mile I want God s children everywhere to know the same joy and privilege that comes from serving God Mel Blackaby

seasons of nature he also uses seasons in your life to grow you work with you and talk to you Richard Blackaby explains in *The Seasons of God* how understanding the principles of the seasons can offer us hope direction insight and intimacy with God himself It s a thoughtful exploration of God s patterns at work in our lives how His will is being carried out in the best way at the best time Your plans your relationships your career your ministry all have their unique God intended moment God s Word expresses it this way For everything there is a season and a time for every matter under heaven So what s your season of life And what is God telling you through the season you re in *Apologetics Study Bible for Students, Trade Paper* Sean McDowell,Holman Bible Staff,2010-02 The complete HCSB text is accompanied by dozens of articles collected from today s most popular youth leaders including general editor McDowell **A Glimpse of the Kingdom** Ron Mosby,2015-10-15 This book is an informational tool to use in helping to understand the kingdom of God on a very basic level Since the kingdom of God is a spiritual kingdom this book helps to make a transition from an earthly government to a spiritual government This book will help transform the readers thinking from an earthly democratic mind set to a spiritual theocratic mind set It is written with simplicity in order that anyone with a desire to seek first the kingdom of God may read it and understand *Hope Again* Charles R. Swindoll,1997-10-03 Find hope to press on Hope to endure Hope to stay focused Hope to see dreams fulfilled Hope is more than mere wishful thinking Hope is a vital necessity of life a gift that God wants to give to you And in a world that regularly writes dreams off as foolish and drains the hope from the heart with dark pessimism Hope Again is a voice crying in the wilderness a word of enthusiasm for life in the midst of any difficult situation you are in Combining the New Testament teachings of Peter and the insights of one of the most popular authors of our day Hope Again is an encouraging enlivening and refreshing look at why we can dare to hope no matter who we are no matter what we face As Charles Swindoll says If you want to smile through your tears if you want to rejoice through times of suffering just keep reminding yourself that what you re going through isn t the end of the story it s simply the rough journey that leads to the right destination **Friends' Intelligencer** ,1923 *St. Andrew's Cross* ,1920 *The Gospel Trumpet* Enoch Edwin Byrum,1913 **Love One Another** Gloria Chisholm,2000 Filled with motivational insights and creative ideas Love One Another challenges readers to make loving others a top priority They are encouraged to think and act in new ways and to find out what it means to love others as God loves each one of us **Interior** ,1920 **The Evangelist** ,1899 *The Pet of Parsons' Ranch* William Farrand Felch,1886 **God's Choice of Men** William Rogers Richards,1905 *Continent* ,1912 *Dictionary of Jesus and the Gospels (2nd edn)* J B GREEN,J BROWN,N PERRIN,2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of

Jesus's day has advanced in ways that could not have been predicted in Hastings's day. But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs. *The Dictionary of Jesus and the Gospels* bridges the gap between scholars and those pastors, teachers, students, and lay people desiring in depth treatment of select topics in an accessible and summary format. The topics range from cross-sectional themes such as faith, law, Sabbath to methods of interpretation such as form criticism, redaction criticism, sociological approaches from key events such as the birth, temptation, and death of Jesus to each of the four Gospels as a whole. Some articles such as the Dead Sea Scrolls, rabbinic traditions, and revolutionary movements at the time of Jesus provide significant background information to the Gospels. Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man, ancient rhetoric, and the chreiai. Contemporary concerns of general interest are discussed in articles covering such topics as healing the demonic and the historical reliability of the Gospels. And for those entrusted with communicating the message of the Gospels, there is an extensive article on preaching from the Gospels. *The Dictionary of Jesus and the Gospels* presents the fruit of evangelical New Testament scholarship at the end of the twentieth century, committed to the authority of Scripture, utilising the best of critical methods, and maintaining dialog with contemporary scholarship and challenges facing the church.
