The Two-Month Bridge to "a Course in Miracles" Donald James Giacobbe, 2012-08 You may already understand that A Course in Miracles is a philosophy of loving forgiveness However you may not be ready to read all 1249 pages of the Course or do all 365 daily Workbook lessons The Two Month Bridge to A Course in Miracles is a condensed edition of the Course that serves as a stepping stone to studying the full version of the Course This book offers a two month direct experience of the Course to help you decide if it's the right philosophy for you to believe to study in more depth and to apply to your daily life For the first month you will read just 308 of the 1249 pages of the Course Less essential and repetitious parts of the Course have been omitted for greater simplicity so the beginner won't be overwhelmed with too much nonessential information In order to facilitate learning sixty questions have been inserted into the text to help you focus on the most important spiritual principles For the second month you will have the opportunity to put the spiritual principles you have learned in the first month into practical application by doing 30 of the 365 daily Workbook lessons The 30 lessons selected for this training period will expose you to a wide variety of spiritual experiences that will help you to identify with your true nature as a spiritual being created by God Some of these lessons help you to develop your inner attunement while most of these lessons are designed to promote healthy personal relationships based on loving forgiveness This two month training period will help you to evaluate both the challenges and the benefits of incorporating the spiritual principles of the Course into your daily life
